

The Spirit Of the Press of all shop. Countries.

Synoptic History of the A Times.

Hemized and Arranged for every-day Convenience.

The rice crop of Japan is 5,00,000 tous. A good.sized whale yields about one ton

of whalebone.

San Marino, the smallest republic in the do a little punning himself. world, has a population of only 8,500.

The carpets annually manufactured Philadelphia are worth over £10,000,000. The United States has a lower percentage of blind people than any other country in the world.

Eight thousand tons of gold have been mined throughout the world during the present century.

In London alone 3,000,000 letters are posted every day, and on an average 2,500,000 are delivered.

A Huugarian inventor claims to be able to make from wood pulp a fabric suitable for durable clothing.

Twelve million pounds worth of leather is required every year to provide boots and shoes tor the inhabitants of Great Britain.

Single eye-glasses are prohibited in the Germau Army. Even if a soldier has one good e; e, yet needs glasses he must perforce cover both eyes with them.

Due' ing in Russia has become so common that the government has been compelied to decree a severe code of punishment. Killing an antagonist will involve six years in prison Such a thing as a British soldier signing his accounts with a cross, so much in vogue years ago, is unknown. Every man is compelied to go to school until he passes an examination and obtains

Punster and Chemist I want some consecrated lye, he slowly announced as he entered the clemist's

You mean concentrated lye? suggested the proprietor, as he repressed a smile. Well, maybe I do. It does not-meg any difference. It's what I camphor, any way. What does it sulpher?

A shilling a can.

Then you can give me a can. I never cinnamon who thought hemself s) witty as you do, said the clemist in a gingerly manner, feeling called upon to

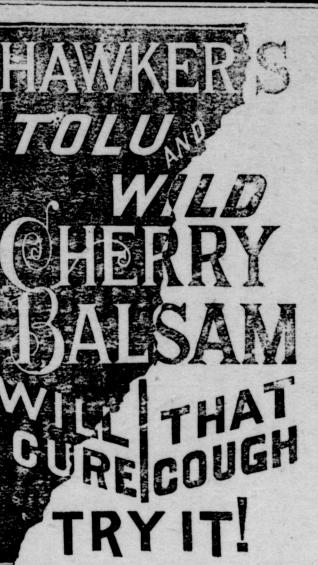

Well, that's not bad, either, laughed the customer, with a symptitions glance. I ammonia novice at the business, though I've soda good many puns that other punsters got the credit of. However, I don't care a copperas far as I am concerned, though they ought to be birched without cloves till they wouldn't know what was the madder with them, Perhaps shouldn't myrrh-myr:h e have had a p'easant time, and I shall warraway-It was too much for the chemist, and he

collapsed,

Plain English.

The love of a good joke is not unknown even among those childlike and bland Celestials who are crowding together in several parts of the Australian colonies. A storekceper wishing to secure extra trade by adcertising his goods in the Chinese language, made a bargain with a celestial to paint a sign, expecting, of course, that it would be a very enticing one.

ASK YOUR DRUGGIST. FOR It did not answer his expectations, howver, for the only perceptible effect it had or e emigrants from the Flowery Land was to excite a grin at the broadest dimensions. At length the puzzled storekeeper, by means of a onsiderable monetary inducement, obtained correct rendering in English of the anorneement, and tound, to his intense chain that it read : Don't buy anything here; storekeeper a logue.

certificate.

The stomach of an ostrich that died lately at the Clitton Zoological Gardens contained several miscellaneous trifles such as pencil-cases and pocket-hand kerchie s It also attempted to digest a prayer-boook.

A German physiologist has found that a small amount of alcohol is contained in the milk of drunken mothers, so that the chil ren of such women may be imbibers of spirits from earliest infancy. Possibly this may have something to do with her editary tastes for stimulants.

When a Chinese girl is married her attendants are always the oldest and ug liest women to be found in the neighborhood who are paid to act as foils to her beauty. Some exceptionally ugly old women make their living by acting as professional attendants at weddings.

The War Office has been compelled to resort to a strange method in order to obtain recruits. It has directed all sergeant instructors of Volunteers to attend cricket and football matches and sporting assemblies generally, and, by the circulation of leaflets and conversation, to inspire a desire for a military life.

more independent. The statistics show that over 3,000,000 women are earning independent incomes in that country. Ther are some 2 500 practising medicine, i sulting a superior. 6,000 managing post-offices, 275 preaching the Gospel, and in New York City a one 27,000 of them are supporting their less intolerable. One day he told the exhusbands.

Bessie Bonehill, the music-hall singer; has a two-year-old son, and the twoyear-old son has a bank account of £125. In one of her most popular songs she makes up as a ragged newsboy, and enthusiasts in the audience often toss coins on to the stage for her. These she his carefully banked for the boy, and you, and every one will think you rescued me. hence the £125.

A gentleman of Denver and a young lady of West Virginia met on a railroad train one day lately, and by the time they reached Chicago they had been made man and wife. But even that speed re- of which he had been deprived.

How it Worked.

A Maine woman who had an irreligious husband kept driving at him until she finally [50c. and \$1.00. got him to go to church. Now mark how she was rewarded. Instead of following the ser ice he looked at the congregation, and noiced how much more hand-omely dressed the other women were than his wile. The fact

pricked him to the heart as no words of the minister could, and the next day he gave his wife a hundred dollars, and told her to go and buy some clothes.

A Talented Man.

Prince Bismarck was once pressed by a sertain American official to recommend his son for a diplomatic place. He is a very remarkable fellow said the proud father. He speaks seven languages. Indeed ! said Bismarck, who does not hold a very high opiniou of linguistic acquirements. What a wonderfal headwaiter he would make.

Sailor's Plan to Recover His Former Position.

The Russian Admiral Avelane, according to report, is of French extraction. When American women are yearly growing midshipman he was serving in a ship which eruised during the summer in the Baltic and imong the crew was a man who had once been a captain, but had been degraded after grossly

> Avelane felt the utmost pity for the sailor and did everything in his power to render

officer of his intention to throw himself into the sea when the next storm arose. You will jump in and save me, and then the Czar will reward you by restoring your epaulettes, he added. Much affected, the man replied that un'uckily he could not swim.

That does not matter. Avelane said. Piunge in all the same. I shall look after The programme was carried out. Avelane threw himself overboard in a terrific storm;

the sailor followed, and was kept afloat by the officer whom he was supposed to be saving. A report of the affair was drawn up, and soon the man was reinstated to the rank

and foot to sta es driven in the ground near a large ant-hill. The ants are then irritated by sticks thrust into the entrance of their dwellings, a guard is set at a respectful distance to prevent rescue, and the prisoner is left to be eaten alive. I forty-eight hours nothing is left but natly-cleaned skeleton.

The city of Cork still observes the ancient custom of throwing the dart. It is performed once in three years by the mayor, to show the mayor's jurisdiction over the harbor as admiral the port. The mayor in his robes after making a short speech, advances to the prow of the vessel and casts into the sea the dart, which is made of mahogany tipped and feathered with bronze.

On the African shore, near the Gulf of Aden and connecting the Lake of Assa with the main ocean, may be found one of the most wonderful rivers in th world. This natural curiosity in the shape of a river does not flow to but from the ocean toward the inland. The sur face of Lake Assal is nearly seven hun dred feet below the sea level, and it is fed altogether by this paradoxical river. from the French savings banks have exthe latter being about twenty-two miles ceeded the receip's by 206,000,000 francs. in length.
