OCCIDENTAL ODDITIES.

A Graphic Description of a Trip across the Continent in Winter.

By a Frederictonian.

Continued from last issue.

We go to bed at 10 o'clock standard and

so comfortable are we made in our respective

berths that we do not awake until 8 o'clock, the office for 23 years. In conit prove that he is intoxicated with his to find the sun also awake and shining with bright brilliancy on the somewhat wild and barren banks of the Upper Ottawa. In and SKODA'S LITTLE TABLETS. 1 the meantime while we slumbered, we have passed Ste Rose Lachute, Calumet, Hull Rentrew Pembroke, Petewawa, Chalk River hesitation in endorsing the Skoda and Bass Lake. From Carleton Junction near Ottawa, the line takes a North-Westerly course, still following the beautiful Ottawa Suicides are becoming very numerous. valley which to Pembroke and beyond is well settled and cultivated by English, Scotch and German farmers. There is fine fishing all along this region, maskmonze, to it and bass being very common and plenty. There are many busy manufacturing towns along the river here, Almonte (population 3500) has important woolen mills and other industries, Pembroke has a population of 4800 and is the most important town in the section, having many substantial industries and commanding a large proportion of the lumbering trade of DISCOVERY with the LITTLE TAB the North. At 8 o'clock in the morning we and I expect to be punished enough after find ourselves at Rockliffe, 275 miles from LETS, I have formed a very favorabl opinion of these remedies. For Diseases of the Liver, Stomach and Kidneys, I believe them to be most excellent Medicines. I am so thoroughly convinced of their curative properties, that I shall take the full course of these Remedies, as recommended by the Company." Montreal. We have been exactly 11 hours making this point, a speed of just 23 miles an hour. The seenery here is somewhat wild and lonesome, sparse settlements and lonesome og cabins being frequently seen from the SKODA DISCOVERY CO., WOLFVILLE, N. S. railway. We lunch from our own baskets at
