Love Makes Obedience Easy.

With a heart full of love to Christ, there could be no hardship in fulfilling the divine commands. They would not longer be a hard and irksome bondage, but they would become the very joy of life. What is greater happiness than to fulfil the desires of some loved one? Is it not an infinitely greater happiness than to gratify one's own wishes? Nay, it is fulfilling one's own wishes, for there is no difference where love is. You are at one with the object of your love. Where is there a tenderer plea for obedience to God's laws than when the Saviour says, "If you love me keep my commandments" That should be an irresistible plea. Faithfulness may be a strong compelling influence, but it dwindles into insignificance besides that of love. The expulsive and impulsive power of love is beyond computation, and our ability to love is the measure of our power of accomplishment.

Love is the spirit that animated Christ in his great gift of himself to the world. It was the spirit that made him gentle, patient, and full of tenderness and long-suffering to those who had refused and rejected him, who repelled his offers of mercy, and distrusted his purposes of salvation. Love is the very crown of Christ's attributes, the argument which brings men to the foot of the cross upon which love hung him that he might save others by his death.—Mrs. Geo. A. Paull.

Danger Ahead

When Children Are Weak and Sickly In Summer Time.

Paine's Celery Compound Makes them Healthy Happy and Joyous.

The Great Medicine is Issued by Thousands of Mothers.

Try it for Your Boys and Girls.

WELLS & RICHARDSON Co.,
DEAR SIRS:—I think it a duty to write you for the benefit to all who have delicate children, and to make known what Paine's Celery Compound has done for my child. She has been delicate all her life. I have tried many medicines, and have had her under allopathic and homeopathic treatment with but little benefit. Almost in despair, and as a last resort, I tried Paine's Celery Compound, and after using three bottles she is now perfectly well and strong. I have also used your medicine myself for complications arising from overwork and loss of rest, and am greatly benefited thereby. I would strongly urge all who are in any way afflicted to do as I have done "try Paine's Celery Compound," and be convinced of its wonderful curing power.

Yours gratefully,
MRS A. R. STINCHCOMBE,
