**Hoisting Old Glory.**

SANTIAGO DE CUBA, July 17.—Amid impressive ceremonies the Spanish troops laid down their arms between the lines of the Spanish and American forces at 9 o'clock this morning. General Shafter and the American division and brigade commanders and their staffs were escorted by a troop of cavalry, and General Toral and his staff by one hundred picked men. Trumpeters on both sides saluted with flourishes.

General Shafter returned to General Toral the latter's sword after it had been handed to the American commander. The American troops lined up at the trenches, were eye witnesses of the ceremony. General Shafter and his escort accompanied by General Toral, rode through the city, taking formal possession.

The city had been sacked by the Spaniards before the Americans arrived.

At the palace elaborate ceremonies took place. Exactly at noon the American flag was hoisted over the palace and was saluted by twenty-one guns by Captain Capron's battery. At the same time all the regimental bands played The Star Spangled Banner, after which President McKinley's congratulatory telegram was read to each regiment. The 13th and 9th regiments will remain in the city to enforce order and exercise municipal authority. The Spanish forces are to encamp outside of the American lines.

The example of the millions of women who have made the Diamond Dyes their chosen and only dyes for domestic dyeing. The faith of all is so firmly established in the powers and excellence of the Diamond Dyes that they would not use any other make, even if the common dyes were given free of cost.

Valuable and useful goods should not be experimented on with poor and untried package dyes. Ruin and loss of goods and money will meet the users of adulterated dyes.

Follow the safe example of earth's millions and use the Diamond Dyes, and success, happiness and pleasure will be your reward.
