

A Victim of Neuralgia

Mrs. Roberts of Montreal, Tells A Wonderful Story.

She Was a Sufferer for Some Seven Years, and Medical Treatment Failed to Give Her More Than Temporary Relief—A Herald Reporter Investigates the Case

From the Herald, Montreal.

"I thought it was something wonderful when I went three days without being sick," said Mrs. Annie Roberts to a representative of the Montreal Herald referring to her remarkable recovery from an illness of over seven long years. Mr. and Mrs. Roberts reside at 34 Wolfe Street, Montreal, and the reporter was cordially welcomed when he went to enquire as to the truth of the report that Mrs. Roberts had been restored to health through the use of Dr. Williams' Pink Pills. Mr. and Mrs. Roberts came to Canada from England a little more than five years ago, and Mrs. Roberts illness began while still in the Old Country. "I was really the victim of a combination of troubles," says Mrs. Roberts. "For seven years, neuralgia, with all its excruciating pains, has been my almost constant attendant. Added to this I was attacked with rheumatism and palpitation of the heart, and for the last five years, was not able to get out of doors during the winter months. Sometimes I felt as though those terrible pains in my head would drive me mad; my nerves were all unstrung and a knock at the door would send me nearly crazy. I was treated at different times by four doctors since coming to Montreal, but without any lasting good, and I had given up hope of ever being better on this side of the grave. A friend of mine whose father had been helpless for two years, but was restored by Dr. Williams' Pink Pills urged me to try them. My husband asked the doctor who was attending me what he thought of them, and the doctor replied that he believed them to be a good medicine. This persuaded me to begin their use. No one who sees me now can form any idea of my condition when I began taking Dr. Williams' Pink Pills, and I had only taken three boxes when I began to recover. But seven years of pain had nearly shattered my constitution and I did not look for a speedy recovery, and I was more than gratified to find that after I had used I think about a dozen and a half boxes, I was fully restored to health. It seemed all the more wonderful because the doctors both in England and here never done more than give me temporary relief, and their treatment was much more expensive. The past summer was the first in years that I really enjoyed life, and I was able to go on a visit to Radnor Forges. Dr. Williams' Pink Pills have also been of much benefit to my daughter Violet. She is just nine years old, but she has suffered a great deal from pains in the back and sick headache, but the pills have made her feel all right again."

"I never fail to recommend Dr. Williams' Pink Pills when any of my friends are ill," said Mrs. Roberts. "While visiting at Radnor Forges, I urged a young lady friend who has long been a

sufferer from curvature of the spine and obstinate constipation to try them, and they have done her a vast amount of good."

The reporter confesses that Mrs. Roberts' story is a wonderful one. That she is now thoroughly well is clear from her face, her manner and her happy spirit. Mr. and Mrs. Roberts are intelligent and reliable people. Mr. Roberts is head engineer in the biscuit works of Vian & Frere, the wealthiest firm in this line in the Dominion, and he fully endorses the good words his wife has to say in favor of Dr. Williams' Pink Pills. In fact he says the speedy cure they wrought in his wife's case has saved him many dollars.

Dr. Williams' Pink Pills have no purgative action, and so do not weaken the body. They build up the blood by supplying it with the elements which enrich it, and strengthen the nerves. In this way they cure all diseases having their origin in poor and watery blood. Always refuse the Pink colored imitations which some dealers offer. See that the full name Dr. Williams' Pink Pills for Pale People is on every package you buy. If in doubt, send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be mailed post paid at 50c. a box or six boxes for \$2.50.

An Increase in the Revenue.

Editor Hartland Advertiser

Sir,—I believe that it is generally considered that the amount of business transacted at the post office of any commercial community is a very reliable indication of the progress and prosperity of such community. In this light the following comparative statement of the business of the Hartland Post Office for the month of January in the years 1898 and 1899 will be interesting:

1898. Postage collected,.....	\$88 48
As follows: Postal Cards,	\$6 21
1 c Stamps,	7 59
3 c " "	67 95
other " "	6 73

which would probably represent 2,350 forward and 350 drop, or a total of 2,700 letters.

1899. Postage collected,.....	\$113 63
As follows: Postal Cards,	\$5 17
1 c Stamps,	15 35
2 c " "	76 80
other " "	16 34

In the amount "other stamps," is included 178 3 cts. stamps sold before the arrival of the official circular announcing the reduced rate. And the large amount of 1 c stamps sold was caused by insufficient supply of 2 c stamps in first and third weeks of month. Taking these things into consideration, we may fairly estimate that 4,200 forward and 350 drop, or a total of 4,550 letters were mailed at this office during the past month; thus showing a numerical gain of 1850 and a financial gain of \$25.18. From this amount, however, must be deducted \$5.00 of unusual denominations, sold to a collector and included under the head "other stamps."

The gain in Registered Letters is as follows:

	1898.	1899.
Mailed here,	84	125
Delivered here,	56	86
Passed through,	116	115
Total,	256	326
Net gain,	70	

MONEY ORDER BUSINESS.

Orders issued, 1898,	\$215 57
" " 1899,	578 02
Increase,	\$362 45
Orders paid, 1898,	\$326 63
" " 1899,	262 29
Decrease,	\$64 34

SAVINGS BANK DEPOSITS.

Received, 1898,	Nil.
" " 1899,	\$1,327 00
Postal Notes sold,	48 68

I think, Mr. Editor, that the above figures abundantly prove that Hartland is prospering and that the "boom" is not by any means over.
