

Letter Of Condolence.

Mrs. Kay.

SPOILED MATERIALS.

A Well Known Druggist Gives His Experience.

A successful and well known Canadian druggist said recently: "I know from experience what it means to sell dyes that have no standing or established reputation. Over a year ago I put in a small stock of—

Dyes. I had been asked by three or four persons for these dyes which they saw advertised, and I was under the impression the demand would increase. In a year's time I sold probably from twenty to twenty-five packets, and had so many complaints from disappointed women who had spoiled good materials and garments with these dyes, that I banished every one of them to my back storehouse, where they now are. I find that Diamond Dyes give perfect satisfaction to all my customers, and will sell no other make while I am in business. What a tale could be told by women about spoiled goods from using cheap and trashy dyes."

This statement from an old established druggist has its notes of warning. His long and extended experience is in favor of the Diamond Dyes. There are, too, hundreds of other druggists and dealers and tens of thousands of women who could give clear and convincing testimony that Diamond Dyes are far ahead of all other dyes in purity, strength, fastness of color, brilliancy and beauty.

As long as there are imitation and adulterated dyes sold, it is well that all should insist upon getting the "Diamond" when buying dyes for home dyeing. See that the name is on each packet.

Japan with a population of 45,000,000 has 220 towns that have more than 100,000 inhabitants. In 1886 the number of such towns was 117. Osaka has increased from 360,000 to 510,000 inhabitants in ten years. Yokohama from 89,000 to 180,000. Kobe from 185,000. Tokio has now a population of 1,300,000.

A Banker's Experience.

"I tried a bottle of Dr. Chase's Linseed and Turpentine for a troublesome affection of the throat," writes Manager Thomas Dewson of the Standard Bank, now of 14 Melbourne Avenue, Toronto. "It proved effective. I regard the remedy as simple, cheap and exceedingly good. It has hitherto been my habit to consult a physician in troubles of this nature. Hereafter, however, I intend to be my own family doctor."

Birthday Party.

On Monday, January 16th, Miss Cora McCollom of Upper Brighton, celebrated her sixteenth birthday by giving a party. There were about thirty guests present most of whom were from this village. The evening was very pleasantly spent in conversation, games, and music, both vocal and instrumental. At half past ten a bountiful repast was served, and at twelve the party broke up all seeming to have enjoyed the evening to the fullest extent. A number of pretty gifts was presented to Miss McCollom.

A writer on dancing estimates that 16 waltzes are equal to about 14 miles of heel and toe work. And yet many a girl who is too frail to walk down into the kitchen can cover about 16 miles of ballroom floor per evening.

DR. A. W. CHASE IN CONSULTATION.

TEST THE KIDNEYS.

They Are the Great Feeders of Our Bodies—the Purity of the Blood is Dependent on Their Cleansing Powers.

Dr Chase's Kidney-Liver Pills are the Only Combined Kidney and Liver Pill—What They Have Accomplished is But a Guarantee of What They Will Do.

There's a time to all, old and young, man or woman, when poor health brings trouble, anxiety, and burdens hard to stand up under, and one's efforts to rid himself or herself seem only to be baffled at every turn, and we are prone to be discouraged.

That is not the time to give up—but the time for action, the time to seek out the seat of the trouble, and act as your best judgment and the experience of others will help you, guarding against mistakes in the treatment adopted for your particular ailment.

Spasms Lasted for Hours at a Time—Left Great Aching and Soreness—Dr. Chase's Kidney-Liver Pills Proved His Deliverer.

I was for over six months troubled with very sharp pains in the region of my kidneys, the spasms lasted for half an hour at a time, and left me with great aching, soreness and pain. I tried many remedies, but they did me no good. I commenced taking Dr. Chase's Kidney-Liver Pills according to directions. I had not much faith that they would cure me, but after taking one box I noticed a change for the better. It may seem incredible, but after taking the second box the pains all left me entirely, and I have not had them since.—Amos Carter, Melbourne.
