My Xmas display is large and attractive; call early. Produce taken in exchange for goods; or CASH PAID. Bring your turkeys, geese and ducks to me. I have an order for 2,000 pounds of turkeys from Fort Kent, Me.

Goods sold at prices that will induce purchasers with produce or cash.

I have for seven years been favored with a good share of your Christmas trade, and believe that this year, in spite of the scarcity of cash in general, I will be favored with at least a fair share of your business. Bring your turkeys and other poultry in early in the week, so that shippers will be able to get their poultry to market by freight, which is much cheaper than express rates.

Yours respectfully,

C. HUMPHREY TAYLOR.

New School House.

Money Voted and Building to Be Completed Within a Year.

A Unanimous Meeting.

There was a good representation of the district ratepayers at the school meeting which was called by Inspector Meagher under authority from the Chief Superintendent for the purpose of voting money for the construction of the proposed new school house. It is pleasant to note that unanimity prevailed, notwithstanding the fact that important questions were brought up.

As a result of the meeting the Building Committee have now something tangible to work upon. It is intended that the house will be ready for occupancy by Jan. 1st, 1900, that is, unless the Woodstock people seek to place an injunction upon its construction.

A. W. Rideout was chairman, and E. C. Morgan acted as secretary pro tem. A. F. Campbell, trustee, said the committee thought it well to have this special meeting legally called and to do up all the work, make the money appropriation, etc., all at once. The committee being called upon had nothing to report, as they had had very little authority given them.

Being asked, Mr. Meagher made a few remarks. He suggested that the district would need a house with four apartments and at the very least capable of seating 138 pupils as that number was already enrolled in the three schools. He thought \$3000 would pretty nearly cover the cost. The Andover building is a neat and attractive one and cost \$2500, but it has only three rooms. Mr. Meagher said he would prefer to answer questions rather than to speak, as he thought Hartland people should know what they want better than he.

Dr. Estey moved, C. H. Taylor, seconded, that the sum of \$2,500 be assessed. A. F. Campbell moved in amendment that the meeting authorize the trustees to issue debentures for \$2,500, divided into bonds of \$500 and one coming due every four years.

Dr. Curtis thought we should vote for more money, as we already knew more was needed. Then he thought it a better idea to issue bonds for a term of 20 years and prepare for payment by making a sinking fund, the same as Andover ratepayers did. Therefore Dr. Curtis moved in amendment to the amendment that we strike out the \$2,500 in Mr. Campbell's motion and insert \$3,000; and that the trustees be given option of the plan of raising the money.

The amendment to the amendment was carried.

Moved by J. T. G. Carr, seconded by C. H. Taylor that the building be heated by a furnace. Carried.

It was moved and carried that the

building be two stories and shall contain four rooms. It was also decided that the house be fitted with flush closets.

Mr. Carr moved that the trustees be empowered to apply at the coming session of the Legislature for the passage of a bill authorizing the issue of \$3000 bonds. Carried.

It was decided that the building committee have the new edifice ready for occupancy by the first of next January.

It was moved, seconded, and unanimously carried that the work be done by tenders.

Progress of the Bridge.

There was a meeting of the Hartland Bridge Co. on Monday evening. While important business was transacted it is not necessary at this stage to make the proceedings public. It might be stated however, that the officers were: Chas. McCormack, of Somerville, President; A. F. Campbell, Vice President; S. S. Miller, Secretary.

Following are the men who will apply for the charter:

Chas McCormack,	Riley Gillin,
Wm N Raymond,	Nathaniel Shaw,
A F Campbell,	George Palmer,
E M Shaw,	Joseph McGee,
A S Estey, M.D.,	G C Watson,

S S Miller	G W Boyer,
H N Boyer.	F R Shaw,
H H McMain,	C J Connolly,
C I Smith.	

Mr. Smith Denies It.

The Fredericton correspondence of the Sun said on Monday: "C. L. Smith, M. P. P., of Woodstock was in the city yesterday. He had no hesitation in saying that the government's chances in Carleton are slim." On being asked the reason of his downheartedness, Mr. Smith simply said, "That item is false. It is a specimen of the Sun's untruthfulness." He further added that did he entertain any doubt (which he does not) of the government's safety in Carleton, he would for very policy's sake hesitate much in saying so."

Death at Lower Brighton.

Another of the older and best pioneer residents of Brighton Parish died last week in the person of Reuben Robinson. Mr. Robinson has been in poor health for the past year, the immediate cause of his death was heart failure. He was in his 81st year. Mr. Robinson was a prominent and active member of the Free Baptist church. The funeral services were conducted by Rev. Thos. VanWart, and his pastor, Rev. J. B. Daggett, and it is seldom so large a funeral procession is seen as followed the remains to the grave.

Pratt's Astral oil is moving freely, evidently a good thing is appreciated, for sale by Shaw & Dibblee.
