A gravel train in charge of George McGlusky is ballasting the road between Muniac and Aroostook Junction. There are about 40 men at work. The land slide at Muniac bluff is also being repaired, not before it was needed however.

The stock in trade, sawn lumber and household effects of Alex Adams of Muniac were sold at public auction on Wednesday, J. A. Adams a realtor. F. C. B. Millery of Bath and Benj. Kilburn were the principle bidders.
The concert given by the 67. Batt. Band in the Foresters' Hall Thursday night was pretty well attended. Owing to several reasons some of the performers advertised were unable to attend, their numbers were filled however by others. Owing to illness Miss Day was unable to sing much to the regret of the audience. Among some of the best numbers were readings by Dr. Peppers, a baritone solo by Hugh Gillen and a male quartette. All of the programme was well received.

The Allen liner "Parisian," sailed for Liverpool on Wednesday, all damages repaired.

A severe storm struck Halifax Thursday causing much damage to shipping. The wrecking apparatus in the harbor was destroyed and several vessels were damaged, a steamer being stuck on a rock, a schooner being sunk and others in trouble.
The preliminary examination of the Man Oakes who shot his son at Sheriden Plantation, Ashland, Me., last week, is being held in Houlton today. Popular sympathy seems to be with the murderer, as deceased is said to have cruelly ill-treated his aged parents. The old man is said to exhibit but little regret for his deed.
The Tobique manufacturing company are sending men to Plaster Rock to start their works there. About fifty men will be at work this week. A dam is being built across the Tobique River and a large shingle mill will be built this season, and other machinery will be added. Messrs. Hale and Murchie are the principle promoters of the enterprise and F. H. Hale, M. P. is managing director for the company. The company is a strong one and the facilities for operation are good, and the natural resources in lumber and gypsum are practically unlimited. Here is a chance for the development of a very extensive industry, which might prove of a very great benefit to the agricultural interests of these northern countries.

The exhibition at Woodstock which is to be held on the 27th 28th and 29th of this month promises to be a success. Great interest is being taken in the affair by all the prominent men of that town.
Another runaway occured Monday morning. William Hubble had the use of a team belonging to A. Thornton, which was standing in Mr Hubble's yard while the train was passing. The horse took fright and before it could be caught had reached its home. No other damage than a broken crossbar was the result.
A horse belonging to Shepherd Boyer was badly lamed one day this week by stepping on a board from which some nails were protruding one of which entered its foot. The nail was removed a few days after by Mr. Coes and the animal is on the road to recovery.
At the meeting held last Tuesday evening in the interest of the proposed pork-packing factory, it was decided to send out a man to call personally on all the farmers in this vicinity and personally solicit subscriptions. Another meeting is called for next Tuesday evening. There should be a large attendance and it is earnestly requested.

September Wedding.
St. Paul's Presbyterian church was the scene of a pleasant event last Wednesday morning, September 6th, when the youngest daughter of Alex Henderson, Miss Maud, was united in marriage to Samuel S. Miller, a popular business man of this town. The ceremony took place at five o'clock and was performed by Rev. G. D. Ireland, assisted by Rev. D. J. Fraser of St. John.
The bride who was arrayed in a pretty gown of white silk and unattended, was given away by her father. The church which was well filled, presented a fine appearance with its glittering lights and profusions of flowers. The wedding march was played by Miss Walker.
After the ceremony the bridal party had breakfast at the home of the bride's parents, after which Mr and Mrs. Miller took the six o'clock train for a trip to Niagara, Toronto, and Montreal. Hosts of friends were at the station to see them off and wish them happiness. Many handsome presents were received, showing the high esteem in which the bride is held among which was a handsome china dinner set from the members of the church and a silver scallop dish from the choir for whom she had been organist. She has been a active member of the Presbyterian church.
Mr and Mrs Miller are expected home next Friday, and the following Monday, Tuesday and Wednesday, assisted by Miss Helen Good, Mrs. Miller will receive. On September 25th, 26th, and 27th she will be at home to her Woodstock friends at her former home.
The ADVERTISER extends heartiest congratulations.
