

STOMACH TROUBLE.

A Frequent Source of the Most Intense Misery.

Mr. Harvey Price, of Bismark, Suffered for Years Before Finding a Cure—Dr. Williams' Pink Pills Restored Him.

Those who suffer from stomach troubles are truly to be pitied. Life seems a burden to them; food is distasteful, and even that of the plainest kind is frequently followed by nausea, distressing pains and sometimes vomiting. Such a sufferer was Mr. Harvey Price, a well known farmer and stock-grower living at Bismark, Ont. To a reporter who recently interviewed him, Mr Price said; "I have found Dr. Williams' Pink Pills of such incalculable value in relieving me of a long siege of suffering that I am not only willing but anxious to say a good word in behalf of this medicine, and thus point the road to health to some other sufferer. For five years I had been afflicted with stomach trouble and a torpid liver. I doctored and also denied myself of many kinds of food pleasant to the taste, but neither the medical treatment nor the diet seemed to help me to any degree. In January, 1899, the climax of my trouble appeared to be reached. At that time I was taken down with la grippe, and that, added to my other troubles, placed me in such a precarious position that none of my neighbors looked for my recovery. My appetite was almost completely gone, and I experienced great weakness, dizziness, vomiting spells and violent headaches. I was also troubled with a cough which seemed to rack my whole system. I shall never forget the agony experienced during that long and tedious sickness. Medical treatment and medicines of various kinds had no apparent effect in relieving me. After existing in this state for some months, my mother induced me to try Dr. Williams' Pink Pills. In May last I purchased three boxes, and before these were gone undoubted relief was experienced. Thus encouraged I continued the use of the pills, and with the use of less than a dozen boxes, I was again enjoying the best of health. I can now attend to my farm work with the greatest ease. My appetite is better than it has been for years, and the stomach trouble that had so long made my life miserable has vanished. I have gained in weight, and can safely say that I am enjoying better health than I have done for years before. I feel quite sure that those who may be sick or ailing, will find a cure in a fair trial of Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills make pure, rich blood, thus reaching the root of disease and driving it out of the system, curing when other medicines fail. Most of the ills afflicting mankind are due to an impoverished condition of the blood, or weak or shattered nerves, and for all these Dr. Williams' Pink Pills are a specific which speedily restore the sufferer to health. These pills are never sold in any form except in the company's boxes, the wrapper round which bears the full name "Dr. Williams' Pink Pills for Pale People." All others are counterfeits and should always be refused. Get the genuine, and be made well.

Tragedy at Ashland.

Another terrible atrocity has been committed at the Sheridan Plantation near Ashland, Maine. Phillip Souci and Jean Dupree, Frenchmen, both intoxicated, got into an altercation. Dupree sunk an axe in Souci's back. The wounded man with the axe still in his back ran some distance to a neighbors. Dupree followed, endeavoring to pull out the weapon. Souci is probably dead by the time of going to press and the murderer is in custody.

New Drama.

"Ben Hur" has been dramatized and produced with great success at the Broadway theatre, New York. Lew Wallace, the author of the book was present, and expressed himself as highly pleased with the manner in which it had been put on the stage.

In another column will be found the advertisement of Wilmer Atkinson Co., publishers of The Biggle Book. In conciseness of statement, in the thoroughness with which the ground has been covered, The Biggle Books have won praises on every hand. The bold-down, common-sense, cream not skim-milk method, which characterizes the pages of the FARM JOURNAL has been carried out in their preparation. For mechanical effect no expense or pains have been spared, and the highly finished paper, the beautiful illustrations, the excellent type and press work, and the handsome cloth binding, makes these books models of the printers art. The color work in the Berry, Poultry and Cow Books has never been attempted before any book selling for reasonable price. No farm or rural home is complete without Judge Biggle's Books, and no one interested in these subjects can afford to let another day go by without sharing in the helpful things with which their pages are filled. Pay \$40 for a farm library other than this and you will not have more value. The price is 50 cents, free by mail; address the publishers, Wilmer Atkinson Co., Philadelphia.

J. T. G. Carr is paying 29 cents cash, and 30 cents trade, for Oats.

In that newly founded Yankee town of Southern Pines, N. C., there is a new elegant hotel, the Piney Woods Inn. A New Yorker is managing the hotel, and it is crowded every winter. The climate at Southern Pines is just grand. Not too cold; not too warm, but just right. Take a run down there and see how you like the climate. It costs but little as excursion tickets can be had, and Piney Woods Inn will make you moderate rates.

A Good Cure.

THE GRODER DYSPEPSIA CO.' L.T'D. ST. JOHN, N. B.

GENTLEMEN—For over one year I suffered with what the four doctors I consulted in N. H., called dyspepsia. For hours at a time every day I suffered the most excruciating pains. The cramps would double me up so that I would have to groan. I would vomit up everything I ate for days at a time. I was terribly wasted and so weak that I could scarcely raise a teacup to my mouth. Nothing I could get would do me any permanent good. Finally a friend persuaded me to try Groder's Botanic Dyspepsia Syrup. I took four bottles and am now able to do a good day's work. It is six weeks since I finished the last bottle. I eat anything I ever was fond of and suffer no inconvenience. I send you this voluntary testimonial, hoping that you may use it and that some one who reads it may be benefitted by the use of Groder's Botanic Dyspepsia Syrup as I have been.

Yours Truly,

RICHARD JACKSON
