Guy Saunders has returned from Tobique having had excellent success. After being about four days on the left branch of the Tobique he ran across a magnificent bull moose, which he shot. He had a 45-70 Winchester and put fo r bullets into the big fellow. The moose weighed Hall, Hartland, at 8 o'clock. Further 21st biggest moose taken on record. Thomas, and a guide, Jim McGinn, of Three Brooks, was about thirty miles from any settlement. The indian went out and got a team and they swamped a road to get the moose out. The Tobique, Mr. Saunders says, is literally filled with hunters. There are lots of cow moose to be seen, but the bull moose are not plentiful. The one he shot was all that Mr. Saunders saw.
