It was begun immediately before the opening of the Franco-Prussian war and during the horrors of the siege and commune was kept folded up and buried in a place of security uninjured by shot and shell.

Nature, after all, is the great physician. She hides all the secrets of health within her broad, generous bosom and man needs but to go to her intelligently for his every need. The discovery of the great cough remedy; Gray's Syrup of Red Spruce Gum is an apt illustration of this. As a cure for coughs colds loss of voice and hoarseness it stands unrivalled while its low price and readiness of access places it within the reach of all. Try it and be convinced. All chemists keep it in 25 and 50 cent bottles.
