Exhibition.

An Exhibition of Live Stock, Farm Produce, Manufactures and Arts, open to the Maritime Provinces, will be held in St John on **TUESDAY, WEDNESDAY, THURSDAY and FRIDAY, the 5th, 6th, 7th and 8th of OCTOBER NEXT.**

The splendid new and permanent Exhibition Building, erected on the Barrack Grounds, in connexion with the extensive Drill Shed and commodious New Sheds and Stalls for Stock, will afford ample accommodation and protection for all exhibits.

The Deep Water Terminal of the Intercolonial Railroad is close to the Exhibition Grounds, and goods and stock will be landed from cars or steamboats and placed on exhibition with very little trouble or expense.

EXHIBITORS

will be required to pay the freight from any part within the Province to St John, one half of which will be refunded to them upon presentation of the freight bill, and an order will be issued for its return free, provided it has not been sold in the meantime.

A limited number of caretakers of Live Stock will be passed free to and from St John.

INTENDING EXHIBITORS

desiring special allotment of space for the purpose of fitting up or arranging the same, are requested to make written applications to the Secretary for Agriculture before the 15th of September.

The accommodations for holding the Exhibition, and the means of transport to and from it, will be found superior to those of any former Exhibition, and the cordial support of Agriculturists, Manufacturers and of the people generally is earnestly solicited.

An office will be opened on and from the first September in the City Building, St John, in the personal charge of the Secretary for Agriculture, and Blank forms and all other information may be obtained on application by letter or otherwise; at that office or to the Secretaries of the different Agricultural Societies, or at the Office for Agriculture in Fredericton.

JULIUS L. INCHE,

Secretary for Agriculture.

Ayer's Cathartic Pills,

For all the purposes of a Family Physician, and for curing Constiveness, Jaundice, Indigestion, Poul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Diaper Pill, for Purifying the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
