Fredericton, Sept. 1, 1880.—1f.

It always gives us pleasure to draw attention
to articles which are deserving of public
patronage. Probably no article ever offered
to the public has met with the same success
as GRAY'S SYRUP OF RED SPONGE GUM. Thou-
sands of families in the Dominion keep it in
their homes as the Standard Cough Remedy.
The sale of this article has assumed enor-
mous proportions. Our advice to the public
at large is to try its virtues if they should
at any time unfortunately contract either
Coughs or Colds. It is sold by all chemists.

HALL'S
VEGETABLE SICILIAN
HAIR
RENEWER.

Every year increases the populari-
ty of this valuable Hair Preparation;
which is due to merit alone. We
can assure our old patrons that it is
kept fully up to its high standard;
and it is the only reliable and perfect-
ed preparation for restoring GRAY
OR FADED HAIR to its youthful color,
making it soft, lustrous, and silken.
The scalp, by its use, becomes white
and clean. It removes all eruptions
and dandruff, and by its tonic prop-
erties, prevents the hair from falling
out, as it stimulates and nourishes
the hair-glands. By its use, the hair
grows thicker and stronger. In
baldness, it restores the capillary
glands to their normal vigor, and
will create a new growth, except in
extreme old age. It is the most eco-
nomical HAIR DRESSING ever used,
as it requires fewer applications,
and gives the hair a splendid, glossy
appearance. A. A. Hayes, M.D.,
State Assayer of Massachusetts, says,
"The constituents are pure, and care-
fully selected for excellent quali-
ty, and I consider it the BEST PREP-
ARATION for its intended purposes."
Sold by all Druggists, and Dealers in Medicines
Price One Dollar.

Buckingham's Dye.
FOR THE WHISKERS.
As our Renewer in many cases
requires too long a time, and too
much care, to restore gray or faded
Whiskers, we have prepared this
dye, in one preparation; which will
quickly and effectually accomplish
this result. It is easily applied,
and produces a color which will
neither rub nor wash off. Sold by
all Druggists. Price Fifty Cents.
Manufactured by R. P. HALL & CO.,
NASHUA, N. H.

Ayer's
Sarsaparilla

For Scrofula, and all
scrofulous diseases, Erysip-
elas, Rose, or St. Anthony's
Fire, Eruptions and
Eruptive diseases of the
skin, Ulcerations of the
Liver, Stomach, Kidneys,
Lungs, Pimples, Pustules,
Boils, Blisters, Tumors,
Tetter, Salt Rheum, Scald
Head, Ringworm, Ulcers,
Sores, Rheumatism, Neuralgia, Pain in
the Bones, Side and Head. Female
Weakness, Sterility, Leucorrhoea, arising
from internal ulceration, and Uterine
disease, Syphilitic and Mercurial dis-
eases, Dropsy, Dyspepsia, Emaciation,
General Debility, and for Purifying the
Blood.

This Sarsaparilla is a combination of
vegetable alteratives—Stillingia, Man-
drake, Yellow Dock—with the Iodides
of Potassium and Iron, and is the most
efficacious medicine yet known for
the diseases it is intended to cure.

Its ingredients are so skilfully com-
bined, that the full alterative effect of
each is assured, and while it is so mild,
as to be harmless even to children, it is
still so effectual as to purge out from the
system those impurities and corrup-
tions which develop into loathsome disease.

The reputation it enjoys is derived
from its cures, and the confidence which
prominent physicians all over the coun-
try repose in it, prove their experience
of its usefulness.

Certificates attesting its virtues have
accumulated, and are constantly being
received, and as many of these cases are
publicly known, they furnish convincing
evidence of the superiority of this Sar-
saparilla over every other alterative
medicine. So generally is its superi-
ority to any other medicine known, that
we need do no more than to assure the
public that the best qualities it has ever
possessed are strictly maintained.

Ayer's
Hair Vigor,
For restoring Gray Hair to
its natural Vitality and Color.

A dressing
which is at once
agreeable,
healthy, and ef-
fectual for pre-
serving the
hair. Faded or
gray hair is so
restored to its
original color,
with the gloss and softness of youth.
Thin hair is thickened, falling hair
checked, and baldness of the head
not always cured by its use. No hair
can restore the hair where the
follicles are destroyed, or the glands
atrophied and decayed. But the hair
that remains can be saved for usefulness
by this application. Instead of mak-
ing the hair with a pasty sediment, it
will keep it clean and vigorous. As
occasional use will prevent the hair
from turning gray or falling off, and
consequently prevent baldness, it is
from those deleterious substances
which make some preparations dan-
gerous, and injurious to the hair.
Vigor can only be restored by its use.
If wanted merely for a
HAIR DRESSING,
nothing else can be found so agree-
able. Containing no deleterious
dye, it does not soil the hands,
and yet lasts long on the hair,
it a rich, glossy luster, and a general
perfume.
