Schooner "Ava" arrived on Wednesday last, loaded with coal from Pictou for the Gas Company.

As Usual

The mill schools are closed, and the teachers are unanimous, as usual, in giving the pupils six months holidays.

Improvements.

Mr. Robert Bain has been putting great many repairs as well as attachments to his old store. It is now larger, more comfortable and better adapted for his extensive line of business.

Oysters.

this winter.

STAR BRIEFS.

Pay your debts and secure your winters wood.

Lord Byron's statue at Sissolonghi has been unveiled amid much popular enthu siasm.

President Arthur has appointed work. Thursday, the 24th inst., a day of national thanks ing and prayer. Fifteen persons have been killed and

five injured by a colliery explosion in Spain. A sanguinary warfare is been waged

between four native potentates on the Gold Coast

day with another load of coal from Pictou. The track of the Canadian Pacific rails way is now laid for a distance twenty-five

miles west of Brandon. If you have not procured wood when the mills were sawing, step up to the wharves and get coal.

Now is the time for your double windows? Who will be without them? Mr. Geo. Cassidy makes them.

A gigantic strike in which fifty thousand hands will be involved, is imminent in the Staffordshire potteries.

J. H. Pope is so far recovered from his late illness that he is able to be inMon- ing out.

It is asserted that the authorities at Venice have determined to fill up the canals and convert them into streets.

Gen. Sherman in his annual report asks that the strength of the United States army be increased twenty per

Negotiations are proceeding at Tunis for the absolute cession to France of all the territory north of the river Med- doned. jerda.

Nine thousand deaths from choleraic fever have occurred at Umritsur, in northern India, being ten times the average mortality for the past few years.

Mr. Rodolph Burke, from Black Brook, lost a child last week which died from fever of the liver. It was a boy 5 years of age.

Spanish Hondures has been the scene of disastrous floods by which five hundred lives are reported to have been lost and twenty million dollars' worth of property destroyed.

Germany is understood to have declined to accede to England's proposal for a collective note by the European powers in answer to Secretary Blaine's FIFTY HOUSES AND TWO CHURCHES BURNT. despatch regarding the Panama Canal.

Mr. David Travis, from the Back Lots, died on Thursday night last, aged 72 years. His funeral will take place and was under headway before the fire tomorrow at 2.30 p. m. He leaves a brigade got fairly working. The porwife, two daughters, 5 sons, and a wide circle of friends to mourn his loss.

Western Tonquin has been visited by a terribly disastrous typhoon, by which Fifty houses and two churches are burnt two hundred churches and two thousand houses have been lain in ruins. Sixty break out is threatened every minute. thousand Christians have lost all they possessed, and the greatest suffering prevails.

The Vited States Naval Advisory Board re that only twenty war ships burned to ashes. About fifty residences of the avy are fit for active service or worth rebuilding, and recommends the construction of forty new vessels of various classes. The entire cost of re-estab- Free Baptist Church. This fire has not, lishing the navy on a proper footing is verhaps, destroyed as much property as estimated at thirty-one million dollars.

Johnny Frost has made us another visit. By the appearance of the roads, we work be led to believe that he intends to remain with us all winter, Since we cannot send him home, let us provide ourselves with those comforts which will fairly covered by the insurance, fortify us against his attacks during the long winter that is before us.

Advices from Anticosti state that owing to the failure of the fisheries the utmost destitution prevails; the majority of the inhabitants having nothing but a few potatoes to subsist on during the winter. The unfortunate fishermen have been offered free passage to Quebec, and before long there will doubtless be an extensive exodus from the island.

Sir Henry Hayelock Allen has been attacked with insanity. This melancholy event removes for a time a conspicuous figure from military and political life in England. Sir Henry was the eldest son of the famous Indian officer, and he inherited the baronetcy which was confer red on his father in the last days of his eventful life.

nocence to the last.

The value of the property destroyed by the great fire at the Hobokon docks on Sanday is placed at over one and a quarter million dollars. One life is believed to have been lost.

The British trade returns for October sible. show an increase of £2,539,201 in the value of the exports, and of £3,871,253 in that of the imports, over those of the corresponding month last year.

A despatch from Winnipeg states that during the month of October more work was done in the Registry Office at Portage La Prarie than during any two years since it was instituted.

What is the reason the gas street Three men came up from Egg Island lamps are not lit on dark nights? Why on Wednesday last, with a load of 64 is the gas not turned on earlier at the barrels of oysters, which they caught in Gas Works in the evening? These 3 1-2 days. Good fishing is expected questions have been put to us time and again that we might enquire into it. We hope we will not have reason to allude to these things again.

> Everyone who is expecting to go into the smelt trade this winter is on the alert. Preparations are being made every day. And there is a good demand for them in the states, so, those who intend to engage in the business need only to buy their nets, secure their license and go to

TOWN DESTROYED.

(Special to the Sun.)

WOODSTOCK, Nov. 11, 2.30 a. m.-A terrible fire is raging here. It started in the Institute and has spread to both sides of the creek. Fire started about 1.30 and is now approaching the sta-

We hope to save the new hotel.

Union Office for the following:-

The upper part of the town is gone and half the lower.

POSTSCRIPT.

At 4 o'clock the Western Union operator in this city stated that no conand the condition of the wire left no doubt that the office had been aban- the expiry of these leases with great

When Woodstock office was last heard from the wind was blowing a perfect gale, sweeping the fire before it in gigantic waves.

Efforts were being made to save the new Gibson House, and if that hotel was preserved it was thought the conflagration could be stayed. If not, the whole town, it was feared, would be con sumed,

The incendiary origin of the fire is confirmed. One report states that it was started simultaneously on both sides of the Meduxhakeag, the chief fire, how ever, being at the Institute.

[At the hour of going to press, communication had not been restored with Woodstock.]

[Special to St. John News.]

WOODSTOCK, Nov. 11 .- The fire started between twelve and one o'clock, tion of the town above the bridge is nearly all burned and the flames have spread across the bridge. The fire is incendiary but no particulars yet known. and with the high gale blowing a new The ground burnt over on the upper side of the bridge is further up than that of '77, and is mostly dwelling houses."

About twenty acres of buildings were were consumed together with the Registry Office, St. Luke's Church (new and in course of construction), and the that of 1877, but it will be more severely felt on account of so many dwellings being burnt, thus throwing so many families out of homes. The fire has wrought nearly all the damage in about four hours. It is thought the losses which will reach \$125,000, are

ARCTIC EXPLORATION.

San Francisco, Nov.7 .- The steam whaler Belvidere arrived from the Arctic ocean with the mails of the relief stea mer Rodgers, which she spoke on September 27th, near Herald Island. The Rodgers was at saming south for winter quarters, which she will probably make at St. Lawrence bay. Lieut. Berry sent a party in small boatstto explore to work. Women are as successful as the Eletoro Plated Knives & Forks. Wrangel Land, and they wen completely round it. The party surveyed different hundred dollars in a single week. Nothing parts of the island. The Rodgers did not like it ever known before. All who engage go round. She afterwards steamed a are surprised at the ease and rapidity with hundred and twenty miles north west in can engage in this business luring spare search of further land, but failed to find time at great profit. You do not have to invest capital in it.. We take all the risk.

Lefroy, the murderer of Mr. Gould on had been most favourable for exploration the Brighton railway, was on Tuesday on account of its openness. Notwithtions, he would not be at all surprised to hear of the Jeannette coming home by way of Greenland. The Rodgers intends to send out a sledge party from winter quarters to explore the coast of Siberia. She expects to leave her winter quarters in June, and to go as far north as pos-

RAILROAD ACCIDENT.

INDIANOPOLIS, Nov. 9 .- A train on the Bodford and Broomfield Railway fell through a bridge over the White River on Tuesday near Bloomfield. The brakesman was killed and all the passengers slightly injured, but none seriously.

FATAL TERMINATION OF A POLITICAL ROW,

BALTIMORE, Nov. 9. - Dr. T. Clay Makdax, a well known physician of this city, was killed tast night in Anne, Arundel county, during a political quarrel after the polls were closed. Dr. Maddax is the party who killed Paymaster Dixon in the street, at Alexandria, Va., shortly after the war.

THREE STORY TENEMENT FALLS, BURYING THE OCCU-PANTS.

NEW YORK, Nov. 9 .- At seven o'clock this morning the three story tenement house on the corner of South Fifth Avenue and Grand Street fell, burying the occupants. The fire department was summoned and with the assistance of citizens extricated five victims. The life of two was extinct, and the NOTARY PUBLIC, others were seriously injured. How DIRECTION -ABANDONING THE TELE- the accident is not yet known. The work of removing the debris is now being

LANDLORISM IN NEWFO UNDLAND.

Newfoundland has been cursed with an absentee landlordism for a long time. Nearly two-thirds of St. John's, the capital, is owned by non-residents, principally Scotch, who, having made their "pile" by the seal and other fisheries, have retired to enjoy their odium digni. tate in the suburbs of Edinburgh orGlas-[We are indebted to the Western gow. Relay after relay of husiness men have thus come out to Newfoundland Woodstock operator just wires (3.15 bent on making a fortune during their We are glad to learn that the Hon. a. m.) that he cannot delay any longer, few years of exile. One result is that as fire is close at hand, and he is mov- these have gradually acquired the greater part of the city which they have made their headquarters during their terms of exile.
