FROM ANOTHER ALNWICK J. P.

It takes me longer than it does some SIR,-On taking up the STAR of the others to express my mind, but what 24th January, I noticed a communica- write I stand over. My letter has given The special school meeting, District tion from Alnwick setting forth a serious rise to a new outburst from the quarter No 8, was held on Monday, February grievance, i. e. a number of persons were which had provoked my censure, though 7th inst., to receive the report of the selling liquor without license; and that I am at a loss to know what are the committee appointed to enquire the cost the Magistrates of this Parish know it. peculiar relations, either in the flesh or of a piece of land from the school house I am a magistrate but do not know of the spirit, existing between Hon Michael to the highway. The committee made any person selling liquor without license Adams and myself, that he becomes the following report. "The land can at present in Alnwick; but I have heard responsible, the moment I write, for be bought for about \$500 and the terms that there are a number selling without whatever I write of him. Had my unmade easy. Also they recommend license-though hearing and knowing worthy letter been worthy of reply or disthat it would be to the interest of the are two very different things. I am one cussion, it should for the sake of fair play District to make the puchrase. There of the magistrates who never bought and of logic have been much more seemwas expression of opinion from many liquor in any unlicensed tavern in Aln- ly and proper had the writer in the of the ratepayers for and against the wick, neither did I drink liquor when newspaper to which I refer addressed purchase, but a majority thought it not others bought. A Ratepayer further himself to it, rather than assail a gentle in the interest of the District to make says information has been lodged on oath man whom he has been assailing too the purchase, at the present time, but to certain magistrates. There are mag- long, and assailing without reason, unless leave it lie over till next annual school istrates in this Parish who will see that reason there be that has not yet been meeting." The meeting adjourned with the law is kept and when Ratepayer produced. He has not done so, and the best of good feelings among the wants te bring one of those to justice let therefore the responsibility lies all with him or his friend go to some of the himself.

cation.

magistrates who do not drink liquor in But what of the man whom he has unlicensed taverns, and I feel confident so eruelly assailed, for no reason on
