Prohibition Majority, 11,884.

OTTAWA, Nov. 1.—The last returns of the plebiscite were received this morning and it is now possible to officially state the result of voting on the prohibition question throughout the Dominion. There were polled 543,041 votes, of which 278,434 are for prohibition and 264,522 against.

The majority for prohibition is 11,884. Individual prohibition majorities aggregate 128,931 and adverse majorities 115,047.

The total number of names on the provincial lists, which under the new franchise law formed the basis of the vote, was 1,233,849.

It is interesting to note a comparison of this number with the votes registered under the old franchise act. After the revision of 1896 the Dominion lists showed an available vote of 1,368,733, much of which must have been padding.

The percentage of those who voted for prohibition as compared with the total number of votes in the provincial lists is 20 per cent.

By provinces the percentage of those on the lists who voted for prohibition is: Ontario, 27; Nova Scotia, 34; New Brunswick, 29; Prince Edward Island, 37; 1-2 Manitoba, 25; Quebec, 8; British Columbia, 16; Northwest Territories, 27.

Roseland Mine Accident.

ROSSLAND, B. C., Nov. 3.—Four men lost their lives in Sunset No. 2 mine last Tuesday night. Wm. Cain and Patrick Nolan were ascending from the shaft when they were overcome by smoke and fell from a ladder to the bottom of the shaft. The necks of both men were broken by the fall. Fred Holt was also overcome but saved by the heroic exertions of Geo. Drury engineer of the hoist. Jim McCarty and Pat Quinlan, also employed in the mine, descended the shaft to recover Cain's body and both were suffocated by gas.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Grotton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and am now a well and healthy woman." Sold by all druggists. 50 cts. and \$1.00. Guaranteed or price refunded.

A Halifax Suicide.

HALIFAX, N. S., Nov. 8.—The city was shocked this afternoon when it was learned that C. S. Defreytas, stationer, was found dead on the floor of his shop with a revolver lying beside him. He had shot himself through the head. Two or three days ago Defreytas assigned his business with liabilities of \$1,000. The fatal shot was fired at two o'clock and there was to have been a meeting of the creditors at three. He felt keenly the position in which his failure in business placed him, but those who saw him early this afternoon never suspected that he contemplated any rash deed such as that which has occurred. Defreytas was one of the best rifle shots in the city. His brother attained some fame by successfully jumping from Brooklyn bridge. He had a couple of thousand dollars life insurance. A widow and seven children survive him.

Could Not Stoop.

Master Vernon Peck, of Fosterville, N. B., has a good word to say of Cook's Penetrating Plasters. From infancy he had been troubled with a lame back and could not stoop without excruciating pain. He got a plaster from David Cropley & Son, of Fosterville, and the one plaster made a radical cure. Price 25 cents, by all dealers.

Gen. Kitchener's Triumph.

LONDON, Nov. 4.—The streets of the city were crowded all the morning, an immense number of people seeking to witness General Kitchener's triumphal procession on the way to Guild hall to receive freedom and the sword of honor presented to him in honor of his defeat of the Dervishes. The General received a great ovation, as accompanied by three aides d'camp and dressed in full general's uniform, he drove through the streets. At the Guild hall there was the quaintest kind of ceremony, which was witnessed by some 35,000 spectators. Lord Rosebery, Lord Salisbury, the Lord Chancellor and a few other notabilities were present. There was a scene of great enthusiasm as the General took his place beside the Lord Mayor. The clerk then read a document setting forth that certain citizens have declared the general to be a fit and proper person. In presenting the sword of honor, the Lord Mayor read an address, in which he said this honor was only reserved for England's greatest sons.

General Kitchener, in replying, expressed his deep and heartfelt thanks, and

said the success of the campaign was due not only to the openness of purpose and cheerful spirit of determination, but to the master mind of Lord Cromer, (the British minister in Egypt), that the Soudan had been reconquered.

Looks Like War.

WEI HAI WEI, China, Nov. 2.—All the British warships here, the first class battleship Centurion, the first class cruiser Narcissus, the second class cruiser Herminone, the torpedo boat destroyer Whiting, the torpedo boat destroyer Fame, the torpedo boat destroyer Handy and the first class gunboat Peacock, have cleared for action and are ready for sea at an hour's notice. The first class battleship Victorious and the first class cruiser Undaunted, at Chee Foo, not far from here are coaling to their full capacity. The greatest secrecy is maintained as to the meaning of these warlike preparations, but, there is no doubt important instructions are expected at any moment. A large Russian fleet is assembled at Port Arthur.

LONDON, Nov. 2.—The despatch from Wei-Hai-Wei announcing the war preparations of the British naval authorities there is regarded here as being of grave importance, coupled with the Anglo-French war preparations. It is surmised that Russia, profiting by the present strained relations between Great Britain and France, has decided to push forward her claims in the far East by forcibly seizing the valuable treaty port of Chwang, which Great Britain cannot permit, it is said.

A despatch from London to the Associated Press on October 20 said a cable had been received there from Shanghai announcing the occupation of New-Chwang also written Niu-Chang, by Russian troops. The despatch was worded as follows: "A Russian regiment occupied the town of Niu-Chang, province of Liao-Tung, and the forts at the mouth of the river Linou on October 15, thus securing complete possession of Niu-Chwang. The native troops fled without making any opposition under orders from the Empress Dowager and Li Hung Chang. A British gunboat was in the river at the time. Its non-resistance is regarded as the virtual British abandonment of the whole of Manchuria to the Russians and gives Russia an individual strategic position. Great Britain is certain to lose the Niu Chang trade, of which it has had eighty per cent."

Spain's Greatest Need.

Mr. R. P. Olivia, of Barcelona, Spain, spends his winters at Aiken, S. C. Weak nerves had caused severe pains in the back of his head. On using Electric Bitters, America's greatest Blood and Nerve Remedy, all pain soon left him. He says this grand medicine is what his country needs. All America knows that it cures liver and kidney troubles, purifies the blood tones up the stomach, strengthens the nerves, puts vim, vigor and new life into every muscle, nerve and organ of the body. London Doctor To Be Hanged.

LONDON, Oct. 30.—One requires to go a long way back to recall another occasion when in one week London alone has had four murder trials resulting in death sentences. It is almost unprecedented in this city, where juries who hold the lives of unfortunates in their hands usually are inclined to seek some loophole by which the prisoner may at least escape the gallows.

Undoubtedly the most startling of the four death sentences was that of Dr. Whitmarsh, who performed an illegal operation upon a girl from the effects of which she died.

When, a few months ago, Dr. Collins, a well-known society doctor, was sent to prison for several years for a similar offence, the judge characterized the crime as a horrible one which must be checked. Cases of the sort were becoming to frequent. A warning hint was thrown out, that future offenders might be dealt with even more severely. So it turned out. In Dr. Collins' case the crime was only manslaughter, Dr. Whitmarsh's case was called murder, for which the penalty is hanging.

The London police lately have been busy themselves with more than their wonted activity dealing with the "Hooligans," a lot of scoundrels who go about in bands robbing and maltreating people, even in broad daylight, leaving them lying, in many cases, almost dead. They gave the police no end of trouble for a time. The "Hooligans" created quite a scare. It was a difficult not to say dangerous, job which the police had undertaken.

Not un seldom the police themselves were caught and badly beaten. Nevertheless, they seemed to have secured all the leaders or most of them. During the last week the papers have contained no "Hooligan gang" stories.

NO DOUBTING NOW.

Mr. Frank P. Mills' Cure Was Perfect and Permanent.

Like Every Other Cure Made by Dodd's Kidney Pills—Mr. Mills is now Hale and Hearty and Vigorous. Thanks to Dodd's Kidney Pills.

ZEALAND, N. B., Nov. 7.—Some time ago this town was startled by the news of the wonderful and unexpected recovery of Mr. Frank P. Mills, who had been afflicted with a severe Kidney Disease.

At the time the cure was reported, there were those who expressed their doubts of its permanence. They could not realize that a man who had been so seriously ill, and whose case had baffled the most skillful physicians, could be permanently and thoroughly cured by Dodd's Kidney Pills.

Even the most sceptical must now acknowledge that Mr. Mills was cured—absolutely and perfectly cured. He was not relieved of his agony merely; the disease was utterly rooted out of his system, the diseased Kidneys were healed, toned and stimulated, and health, strength and vigorous manhood were given back to him, in place of the pain, the weakness and the misery of former years.

Anyone who saw Mr. Mills during his illness, and again since his recovery, must acknowledge that Dodd's Kidney Pills are the medical wonder of the age. Hale and hearty, robust and vigorous, the personification of health and manly strength, Mr. Mills is a living proof of the power of Dodd's Kidney Pills.

Dodd's Kidney Pills will positively cure Bright's Disease, Diabetes, Rheumatism, Dropsy, and every other form of Kidney Disease.

Dodd's Kidney Pills are sold by all druggists at fifty cents a box, six boxes \$2.50; or sent on receipt of price, by The Dodd's Medicine Co., Limited, Toronto, Ont.

Disobedience Of Orders.

Wilkesbarre, Pa., Nov. 5.—Seven men were killed and three fatally injured at the Exeter colliery of the Lehigh Valley Coal Co. at West Pittston, near here this morning. The accident was due to the alleged carelessness of Engineer David Price, who, acting in disobedience to positive orders caused three cars to run into the top of the shaft. These cars loaded and weighing eleven tons fell down the 360 foot shaft and crashed with frightful force upon the carriage carrying ten men. Seven were almost instantly killed. The accident occurred at 6.30 o'clock as the men were going to work and being sent down the Exeter shaft in parties of ten. At the same time Engineer Price, in charge of a little donkey engine, was shifting loaded cars from the new red ash shaft several hundred yards away to the Easter breaker. This track approached the head of the Exeter shaft and at a distance of thirty feet from it curved gently to the right and around the shaft to the breaker. At the point where the track commenced to curve was a switch, and the thirty feet of track leading to the head of the shaft was used for storing cars. Close to the head of the shaft it was closed by a head block. Price's orders were to approach the breakers with the engine at the head of the train. A few days ago he was caught pushing cars and was threatened with discharge for disobeying orders. To-day he did the same thing. The train was going at full speed, when instead of curving around the shaft, the cars dashed into the switch which was open. Price reversed the engine but it was too late. The cars struck the head block, smashed it and three of them went down the shaft. About twenty feet from the bottom, they struck the carriage with terrible force, completely wrecking it. The mass of wreckage fell to the foot of the shaft, choking it, and when after hard work the men were extricated, seven were dead and three fatally hurt.

A Rare Opportunity.

Having made arrangements with the publishers of the Toronto Daily Mail and Empire, we are in a position to supply said paper and the QUEENS COUNTY GAZETTE for one year for the small sum of \$2.70. The "Mail and Empire" is the leading Conservative paper in Canada and the low figure asked enables all to procure a copy. Address,
