DIED IN FREDERICTON.—A sad death occurred at Victoria hospital Saturday afternoon. Mrs. Charles P. Carpenter of Hampstead, passed away quite suddenly and very unexpected. She went to Fredericton about two weeks ago and underwent a serious operation, and had been doing very well, gaining strength as both physicians and nurses thought daily. Saturday about noon she had an ill turn, from which she did not rally, dying before 6 o'clock. Deceased was fifty-two years old and a daughter of the late George Clark of Hampstead. She leaves a husband and three children, Mrs. Isaac W. Carpenter, wife of the M. P. P. for Queens, and a daughter and son at home.

Rev. J. Wesley Clark, pastor of the Waterloo Free Baptist church, is her brother, and Mrs. Reed Slipp of Hampstead, and Mrs. Aaron Kennedy of Cape Breton are sisters. The remains were taken to Hampstead by steamer on Monday, and the funeral took place from the Central Hampstead church Tuesday morning at 10.30 o'clock.

PROTECTING CANADIAN GOODS.—The issue of The Adelaide (South Australia) Advertiser for June 14th, just received, gives the particulars of a trial which proves that even in that far away country the Dr. Williams' Medicine Co. is active in defending its rights and protecting the public against the schemes of the substitutes and counterfeiters as it is here at home in Canada. In the trial in question Frank Ashley and William Smith were shown to have been engaged in offering a substitute for Dr. Williams' Pink Pills, claiming that the substitute was the same as that justly celebrated medicine. Both men were placed under arrest on a charge of obtaining money under false pretence and conspiring to defraud the public, and evidence was heard before the Chief Justice of the Criminal Court. The defendants' lawyer made a strong fight in their behalf, but in spite of this the jury, after a short absence from the court returned a verdict of guilty in both cases. The Chief Justice deferred sentence until the close of the sittings. In addressing the jury, however, the learned judge spoke very strongly concerning the evils of substitution, and the dangers to the victim that may ensue from this nefarious and too common practice.—Toronto Globe.

Saved from Paralysis and Death by Paine's Celery Compound.

WELLS & RICHARDSON CO., DEAR SIR:—I have much pleasure in recommending Paine's Celery Compound for nervousness and weakness, with which I was sorely afflicted for a number of years, and for which my doctor could give no relief. I became very weak and had a stroke of paralysis. I was confined to my bed, and the doctor requested me to try a course of your medicine as the last thing that could be done. I did as recommended, and before I had finished the first bottle I experienced a change. I am glad to say that I am cured through the use of Paine's Celery Compound. I have recommended it to others and they have been benefited by it; it has worked miracles for me.

Yours truly, MRS. C. LUMLEY, Coburg, Ont.
