HEART DISEASE.

A TROUBLE NO LONGER REGARDED AS INCURABLE

An Orangeville Lady Who Had Suffered Severely Speaks of Her Illness and Tells How She Found a Cure.

From the Sun, Orangeville, Ont.

A remarkable case recently came under the notice of our reporter, and for the benefit it may be to some of our readers, we are going to tell them about it. In the southward of this town lives Mrs. John Hubbard, a lady much esteemed by those who know her. Mrs. Hubbard had been a great sufferer from heart trouble, and ultimately became so bad that it would not have surprised her friends to have heard of her death. But a change has come and she is once more rejoicing in good health. When our reporter called upon Mrs. Hubbard and made his mission known she said she would be delighted to tell him of her "miraculous cure" as she styled it. "Of course no one thought I would get better. I thought myself I could not last long, for at times it seemed as if my heart was going to burst. Oh, the dreadful sensations, the awful pains and weakness, together with a peculiar feeling of distress, all warned me that my life was in danger. I consulted a doctor but he could do absolutely nothing for me. My friends saw me gradually sinking, and many an hour's anxiety I caused them. My strength waned, my nerves were shattered; I could not walk, for every step caused my heart to palpitate violently. It is utterly impossible to fully describe my condition. One day a friend brought me a box of Dr. Williams' Pink Pills, and told me to use them, but I said there was no use—they could do no good. To this my benefactor replied, that if they did not try them at least could do no harm, so to please her I took the box of pills. Then I procured another box and began to feel that they were doing me good. I took in all eight boxes and now I feel strong and hearty, each day doing my housework without fatigue or weariness. For anyone who suffers from weakness of the heart, I believe there is no remedy so sure or that will bring such speedy results as Dr. Williams' Pink Pills. Had I only used these wonderful pills at first I would have been spared months of intense suffering." Mrs. Hubbard but echoes the experience of scores of sufferers, and what she says should bring hope to many who imagine their is no relief for them in this world. Dr. Williams' Pink Pills have saved more lives than we will ever know of.

Shot to Death.

HAVELOCK, Kings Co., April 19.—A sad gunning accident, which terminated fatally, occurred at Hick's Settlement, this morning. A well known young man of exemplary habits, was out ducking, and in hurrying after the ducks stumbled and fell. The shock caused the gun to explode, and the contents entered the side, and lodged near the heart. The family were away at the time of the accident, and before they returned home the young man died, being alone at the time. He was a son of the late Cyrus

Hicks, and was much respected by all who knew him. He leaves a mother and a large circle of relatives to mourn his sad and untimely end.

Too Much for Their Curiosity.

The minister of a country church was greatly annoyed on Sundays by the women turning round every time any one came in, and so interrupting the sermon. At last he hit upon a plan for stopping it. The next time he preached he gave out this notice: "So that no one need turn round, I will call out the name of the person or persons entering this church during my sermon." And then he began: "Dearly beloved brethren—Farmer Jacobs and his wife—the text for today will be—Miss Jones—seventh chapter, second verse of—Mrs. Brown and baby—John, where it says—Mr. and Mrs. Smith, with a new bonnet on." Here he discovered his mistake, but it was too late—all the women had turned round.

Don't you need another Brooch? We have 24 that we will sell at \$1.00 Each.

We paid more than that for them and thought the patterns very neat and pretty. We made a mistake in buying too many and patterns are changing. The quality is good—regular retail prices were from \$1.50 to \$3.00. We thought them pretty enough to wear anywhere. You'll think them at least pretty enough to wear about the house. Order by mail and if you are not satisfied we will return the money.
