Execution Postponed.

OTTAWA, Jan. 12.—The last government mail from the Yukon brings the intelligence that Judge Dugas has postponed the hanging of the three Indians and Henderson, the white, because the day set down for execution was a church holiday (All Saints Day). Judge McGuire tried and sentenced the Indians, who shot two white men while rowing in a boat. The Indians were on the shore. Henderson had a quarrel with a comrade while on their way to the Klondyke and with no warning shot his comrade dead. He is not expected to live to March, the time to which his execution has been postponed. Judge McGuire also tried the white man.

The Vacant Senatorship.

Some Ontario papers intimate that Mr. A. H. Gillmor has the inside track for the Senatorship.

The Moncton Times publishes a "rumor" that Mr. James Robinson, M. P. for Notherumberland, is to be appointed. Some St. John Conservatives have been circulating the same statement, for which, of course, there is not the least foundation.

Dr. Boyle Traver's friends have strongly presented his claims to the government.

The Chatham's World intimation that Mr. Thomas D. Adams, now of Bathurst, might be appointed in his brother's place has found its way into the press of the Upper Provinces.

The Bathurst Courier and the Shediac Moniteur favor the appointment of an Acadian.

Cambridge.

Jan. 13.—Parties seem to be the order of the nights at present two being held last week, one at Mrs. Nevin McAlpine's of Lower Cambridge and the other at Fred E. McDonald of the same place.

The next one is to be held at the residence of Ex-Councillor Cox of the Narrows.

Mr. Gross the Danish missionary who was to lecture here Friday evening failed to fulfil his appointment.

Surveyor Starkey has been in this place surveying land during the past week.

Dr. H. E. Belyea intends going to Chipman the last of next week to practise his profession.

Miss M. E. Elower of Somerville Mass. is spending the winter with her father.

Miss Maggie Armstrong of Thornthorn has been visiting friends of this place during the last two weeks.

All are looking forward to the great political meeting which is to be held in the hall at the Narrows next Saturday evening, when we shall all have the pleasure of listening to our well known Temperance lecturer, Mr. Horton Hetherington.

Why Suffer

When Your Agony and Torture Can Be Permanently Banished By Paine's Celery Compound?

Neuralgia Surely Cured by the Great Medicine.

Able Physicians Recommend It.

Able Physicians after a satisfactory experience with Paine's Celery Compound, have come to the conclusion that it is a true specific for that merciless tormentor neuralgia.

Neuralgia indicates a low or depressed state of vitality, and nothing so rapidly weakens and exhausts the system as pain that prevents sleep and keeps the body and mind in agony and torture.

Neuralgia being a nerve disease, is most common in the face, and frequently the entire head suffers excruciating pain. Attacks of neuralgia are very uncertain; sometimes they come and pass quickly away; often the pain and agony will continue for weeks and months.

When there is a lowering of vitality, when sleeplessness, anxiety, malaria and debility are at work, and when there is exposure to wet and cold with rheumatic tendencies, neuralgia is sure to prevail.

Paine's Celery Compound being a nerve medicine and nerve food, it reaches the root of the trouble in a way that no other medicine can do. The most terrible and long standing cases have often been completely cured by the use of a few bottles. Paine's Celery Compound has in thousands of cases saved lives after the best medical exertions failed. If your life is a continued misery from neuralgia torture, be wise and use at once nature's true nerve medicine, Paine's Celery Compound. Beware of substitutes; "Paine's" is the kind that cures.

Train Wrecked.

GREENFIELD, Mass., Jan. 13.—Both tracks of the Fitchburg railroad were still blocked this forenoon, as the result of a collision of two freight trains in a gorge near Conway Junction last night. All trains from the East were held at Greenfield and those from the West at Shelburne Falls. The rocky cut in which the wreck occurred is so narrow that a track could not be constructed around the debris and the work of clearing away the shattered cars was carried on very slowly and with considerable difficulty. Three large crews of workers have been on the wreck since last night, and early this morning the prospects were that traffic would not be resumed until three o'clock this afternoon. The wreckage of ten cars heavily loaded is piled up about the track. The loss to the road is estimated at fully \$25,000.

The Late Howard D. White.

The Sun's Centreville, Carleton Co., correspondent writes:

On Jan. 11th Howard B. White, eldest child of Geo. W. and Mary White, departed this life, aged 48 years and 4 months. He was born at Grand Lake, Queens Co., and has lived in Carleton Co. thirty-seven years, where with his father he first engaged in mercantile life, after which he went into business on his own account. In 1886 he was selected by the Conservative party to contest the county, but was unsuccessful. In 1876 he married Mary, daughter of the late Nicholas White, by whom he had two-son, one of whom is now in the west engaged in milling. In May last he was stricken with paralysis on the left side. Blessed with a strong constitution, he fought the disease, but was obliged to take to his bed, where for twenty-one weeks he suffered without a murmur, during which time his flesh wasted to that of a skeleton. He was a member of the Free Baptist church at Tracy's Mills, and has left a record as being one in whom the poor and needy always found a friend and the church a member who was always ready to bear his part. He was buried on Jan. 13th. A short service was held at his residence, after which he was conveyed to the Episcopal church cemetery, where the burial service of the Foresters, of which he was a member, was performed. The large concourse of people from many sections testified to the respect and esteem in which he was held.

DIED.

At Lakeside cottage, on the 16th of Jan. 1899, Mary Camp, daughter of the late Abrathar Camp, Esq., aged 86 years.
