WONDERFUL SUCCESS

Not One Failure on the Part of
Dodd's Kidney Pills.

When Used in the Treatment of
Kidney Diseases—They Cure
Even Where Physicians
Have Given the Patients
Up to Die.

SHOGOMAC, N. B., Jan. 2.—There are,
perhaps, not more than three or four
subjects, upon which all members of a
community hold the same opinion.

Everyone knows that death comes to
us all, for instance. That is a subject
that admits of no argument.

There is another question on which
every person resident in this district
agrees. That is that Dodd's Kidney Pills
are a positive, unfailing cure for all forms
of Kidney Disease; that there is no other
medicine within the reach of man, that
can cure these complaints; and that
Dodd's Kidney Pills have never been
known to fail in any case of Kidney Com-
plaint.

Of course the people of this district
could not possibly hold different opinions.
Dodd's Kidney Pills have had such a won-
derful success, that no other conclusion
could be reached.

Every time they have used they
have effected a thorough and permanent
cure, no matter how hopeless the case
had seemed—and in several instances the
patients had been given up by their phy-
sicians. Not once have they failed.

An idea as to the esteem in which our
people hold this great medicine, can be
gained from the following statement made
by Mr. Charles Shaw, one of our wide-
awake merchants. He says: "Dodd's
Kidney Pills are more appreciated and
have done more good than any other
medicine we sell. They give the very
best results, when used as a blood puri-
fier and tonic."

Any victim of Kidney Disease should
begin the use of Dodd's Kidney Pills at
once. They are sold by all druggists at
fifty cents a box; six boxes \$2.50, or sent,
on receipt of price, by The Dodd's Medi-
cine Co., Limited, Toronto, Ont.

Big Profit in Poultry.

OTTAWA, Dec. 28.—The commissioner
of agriculture received advices to-day
of the sale of trial shipments on Ontario fat-
tened poultry sent from St. John to
Liverpool about a month ago. The birds
met a ready sale in Liverpool at 16 cents
per pound, wholesale. The chickens
were sent plucked but not drawn, and
weighed an average of 5 1/2 pounds each.
The wholesale price therefore was equal
to \$1.76 per pair. The chickens when
put up to fatten were worth 50 cents per
pair. The food consumed per pair during
the fattening cost 31 cents making a total
cost of 81 cents per pair, without allow-
ing anything for the labor of attending
them. The packing cases cost at the rate
of three cents per pair, and the transpor-
tation and selling charges would cost, in
the usual course of business for such
chickens, not more than 22 cents per
pair, a total of \$1.06, leaving 70 cents per
pair for the labor and profit.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Tex.,
has found a more valuable discovery than
has yet been made in the Klondike. For
years he suffered untold agony from con-
sumption, accompanied by hemorrhages,
and was absolutely cured by Dr. King's
New Discovery for Consumption, Coughs
and Colds. He declares that gold is of
little value in comparison with this mar-
vellous cure; would have it, even if it
cost a hundred dollars a bottle. Asthma,
Bronchitis, and all throat and lung affec-
tions are positively cured by Dr. King's
New Discovery for Consumption. Sold
at any Drug Store. Regular size 50
cents and \$1.00. Guaranteed to cure or
price refunded.

Situation is Serious.

MANILA, Philippines, Dec. 29.—De-
tails regarding the occupation of Iloilo by
the insurgents have just been received
here. The American expedition com-
manded by Brigadier General Miller ar-
rived there yesterday and found that the
Spaniards had evacuated the place on
Saturday on board the steamer Churnea
and had been transferred to the Island of
Mindanao, in accordance with an agree-
ment arrived at with the insurgents. The
latter entered Iloilo and occupied the
trenches on Monday at noon. They im-
mediately established a municipal govern-
ment and placed guards over foreign prop-
erty. The insurgents were fairly quiet and
orderly, although there was some looting
at night. But five of the natives were
shot, which had an exemplary effect upon
the rest. The only foreign warship in the
harbor was the German second class cruiser
Irene.

New York, Dec. 29.—A despatch to
the Herald from Manila says: Admiral
Dewey considers it absolutely necessary
that a first class statesman be sent to
Manila to thoroughly investigate the situ-
ation here and ascertain the aspirations
of the Filipino republicans. He further
states that the United States must accept
their responsibilities in the Philippines

which have been acquired by conquest.
If they should shirk this duty they would
put themselves back two hundred years
in the world's history.

NEW YORK, Dec. 29.—Colonel Kimball
of the quartermasters' department in the
army building, has received orders from
the War Department to secure at once an
iron ship for use as a cable ship to lay
cables to connect the islands of the Philip-
pines. The department has ordered for
this purpose 166 miles of marine cable,
weighing 525 tons.

The new Filipino cabinet is composed
as follows: President of the cabinet and
Minister of Foreign Affairs, Mabani;
Minister of War, Luna; Minister of the
Interior, Aranota; Minister of Agricul-
ture and Commerce, Baconatino.

LONDON, Dec. 29.—A correspondent of
the Globe, writing from Hong Kong on
Nov. 26th says: It would be a great
mistfortune, if, through hasty action or
ignorance of the actual state of affairs,
the Filipino natives rise against the
Americans. Hitherto, although the
Americans have often given great provo-
cation, the Filipinos have shown great
forbearance and a strong dislike to come
to blows. They do not want to fight and
if the Americans only meet them half way
all will go well. There is much to be
gained by a just, statesmanlike settlement
with the natives, while there will un-
doubtedly be great losses through a con-
tinuance of arbitrary treatment. The
just aspirations of the people ought to
be taken into consideration, and I believe
they would be if only the proper men
are sent out by the President to settle
the question of the future government of
the islands on the spot after proper deli-
beration and a very careful investiga-
tion. Such a commission would discover
that the Filipino leaders have been loyal
to the Americans. I am now informed
that they refused to consider the over-
tures of Germany and France. When
Prince Henry visited Hong Kong he
caused the Filipino leaders there to visit
him, and informed them that he was em-
powered to promise the natives full re-
cognition of their national government if
they would cede to Germany as a quid
pro quo a small coaling station. France,
more recently, made similar advances,
and in each case the reply was "We can-
not settle anything with you. The Ameri-
cans promised us independence, and we
wish to wait to see what the Americans
will do for us."

Brave Men Fall

Victims to stomach, liver and kidney
troubles as well as women, and all feel
the results in loss of appetite, pains in
the blood, backache, nervousness, head-
ache and tired, listless, run-down feeling.
But there's no need to feel like that.
Listen to J. W. Gardner, Idaville, Ind.
He says: "Electric Bitters are just the
thing for a man when he is all run down,
and don't care whether he lives or dies.
It did more to give me new strength and
good appetite than anything I could take.
I can now eat anything and have a new
lease on life." Only 50 cents, at any
Drug Store. Every bottle guaranteed.

Statement from Sagasta.

NEW YORK, Dec. 28.—A despatch to
the World quotes the London Mail's
Madrid correspondent as saying:—

Intimate friends of Senor Sagasta sup-
plied the following statements made by
him a few days before his illness
became serious:—

"The time when the peace negotiations
were in progress was in time of greatest
bitterness to me.

"Many a night I could not sleep and
many a day I could not eat, so great
was my anxiety, so deep my fears that
what has happened would happen.

"I know the Americans, and I guessed
what they were going to do.

"As a rule a victorious nation makes
generous concessions to the vanquished
people in order to make their victory
more humane, and to honor the foe.

"From the United States we have now
no generosity but only with levity and
deceit, carried to the extreme of interpret-
ing capriciously an important word in the
text of the protocol in order to violate the
principle they had agreed to. We have to
suffer all this to prevent greater evils.

"In Cuba our army though themselves
dishonored by accepting peace without
having fought against their foe.

"Now that is all ended and we must
look ahead to the future.

"Elements are not wanting for our re-
generation and our work will be seen in
time.

"The lesson inflicted upon us has been
hard but it will be fruitful."

A Klondyke Company Loses Money.

TORONTO, Dec. 28.—The Globes Lon-
don cable says "Klondyke trade and
transportation company of which Sir
Charles Tupper is chairman has just issued
its quarterly report to the end of Novem-
ber. The loss on trading was nearly
27,000 pounds, 23,000 being in connec-
tion with the Teslin route account.
Against the loss stands an asset shares
in other companies whose nominal value
amounts to 47,500 pounds.

First Symptoms.

Banish the Little Aches
and Pains that Lead
to Serious Diseases.

Paine's Celery Compound is the
Medicine that Gives the
Surest and Best Results.

Physicians with the most extended
practice are well aware that there is no-
thing known to medical science equal to
Paine's Celery Compound, for regulating
the nervous system and banishing dis-
ease.

Men and women naturally love life, yet
it is astonishing how careless and indif-
ferent they are about the first symptoms
of grave troubles.

The sharp and piercing pains in joints
and limbs, those ominous pains over the
kidneys, that debility, nervousness, in-
somnia, ugly eruptions on the face and
body—all are signals and warnings of
grave diseases and sufferings. Paine's
Celery Compound used promptly will
speedily banish every dangerous symp-
tom, keep the body and nerves in perfect
condition and add power to the mental
faculties.

The most sensible and rational way of
getting rid of rheumatism and neuralgia;
the true mode of building up the shatter-
ed nervous system, is through the
use of a nerve medicine and blood regu-
lator and cleanser like Paine's Celery
Compound. When the nerve centres are
made strong, and the tissues and veins
supplied with healthy blood, rheumatism
and neuralgia must quickly leave the
body.

Are you, dear reader, tired, dull, ner-
vous, all-gone, miserable, full of despond-
ency or irritable? If so, use Paine's
Celery Compound without delay, and en-
joy true and vigorous life. Carelessness,
delay, and indifference will surely drag
you down to greater misery and increased
peril.

A Sad Christmas.

WATERFORD, N. Y. Dec. 27.—A special
to the Standard from Alexandria Bay
says:

"Yesterday noon three children of
Charles Hagerman were playing on the
ice in the north shore of Wells' Island,
in the St. Lawrence, when it broke and
they all fell in and were drowned. A
fourth child, who was on shore and had
just warned the others, ran to the house
and notified her mother. Mrs. Hager-
man rushed to the scene, and in her en-
deavors to rescue the children, broke
through the ice and she too was drowned.
The little girl who was on the shore at-
tracted the attention of William Watson
and Charles Kinney. Kinney dove to
the bottom of the river and came up with
one of the children on his back. While
endeavoring to climb out on the ice, the
boy slipped off his back and went to the
bottom. Kinney was saved by means of
a plank which Watson procured near at
hand. The family consisted of Charles
Hagerman, his wife and nine children.
Hagerman was in Canada when the drown-
ing occurred, and arrived home an hour
later to take Christmas dinner with his
family. Arriving home, he went to the
river and alone recovered the four bodies.

"Yes, he says his wife and children
thoroughly respect him now, and he
doesn't believe his office pays enough to
make it an object for him to be looked
upon with scorn by the members of his
family."
