ST. JOHN LETTER.

"Mrs. ... is sick with the grip," says the Boston Globe, is the sort of item that appears most frequently in the New England newspapers. The Globe regrets the publication of items like the above for two reasons, one of which is because it is sorry that any one is "sick with the grip," and the other is because it thinks the columns of a newspaper might be filled with matter of greater general interest.

"White's Cove."
Hon. L. P. Ferris left this morning for Fredericton to attend a meeting of the Government. His three sons also left this morning, Wallace for Acadia, to resume his studies; and Hugh and Bruce to Currie's Business University, St. John. We will miss them from the Cove.

Another great discovery has been made and that too by a lady in this country. "Disease fastened its clutches upon her for seven years she withstood its severest tests, but her vital organs were unharmed and death seemed imminent. For three months she coughed incessantly, and could not sleep. She finally discovered a way to recovery, by purchasing of us a bottle of Dr. King's New Discovery for Consumption, and was so much relieved on taking first dose, that she slept all night and with two bottles has been absolutely cured. Her name is Mrs. Luther Lutz." Thus writes W. C. Hamnick & Co., of Shelby, N. C. Sold by all Druggists at 50 cents and \$1.00. Every bottle guaranteed.

finers, and no one can predict where the cutting will stop. Lard is in better supply and prices have eased 1/2 cent per pound. Eggs are still scarce and the small lots that arrive are eagerly bought up at 20 cents. Messrs. DeForest are having a big demand for their direct importation of Havana cigars. The Union club and several large hotels in the city are drawing their supplies from their importations. They are now represented on the North Shore by Arthur DeForest, on the Caraquet Shore by Andrew Brown, in Annapolis Valley by Mr. Keith and on the St. John River by Mr. Huggenson who gives his attention exclusively to teas. They are all making larger sales than at this season last year.

Could Not Stoop.
Master Vernon Peck, of Fosterville, N. B., has a good word to say of Cook's Penetrating Plasters. From infancy he had been troubled with a lame back and could not stoop without excruciating pain. He got a plaster from David Cropley & Son, of Fosterville, and the one plaster made a radical cure. Price 25 cents, by all dealers.

Cambridge.
Jan. 6.—Mr. Fred Flower who has been here visiting his father has again returned to his home in East Walpole Mass.

Jan. 6.—Mr. Fred Flower who has been here visiting his father has again returned to his home in East Walpole Mass. A very pleasant evening was spent Thursday at the residence of Wm. H. Briggs, a number of young people having gathered to celebrate the birthday of Miss Maggie M. Briggs.

ald will remain with us during the next term. Miss Mamie E. Cox is visiting her uncle, John McD. Balyea. It is said that a church is to be built by Mr. L. J. King, for his own use and is to be completed in three months after commenced.

LILLIAN'S EXPERIENCE.

How She Kept Trouble, Loss and Disappointment from a City Home.

Lillian ..., the bright daughter of a farmer living some eighty miles from Toronto, was visiting her aunt in the Queen city during Fair time. The little countrygirl, only in her eighteenth year, was a model in all that pertained to housework; she excelled in buttermaking, cooking, sewing, crocheting, and understood the art of making old things look like new—home dyeing with Diamond Dyes.

During the second week of Lillian's visit, her aunt intimated one day that she had made a careful selection of some clean but faded skirts and a suit of boys clothing which she thought were good enough for another season's wear if they could be properly re-colored.

Lillian's aunt acknowledged that she had never before attempted home dyeing, but said she was encouraged by the statements made in some of the newspapers that ... Dyes would work wonders for her. At once Lillian came to her rescue and said: "Auntie, for goodness sake do not risk your good garments with these common dyes; they are quite useless. I tried a package some time ago in order to satisfy my curiosity, and they gave just such results as I expected—spoiled my material. When I use dyes I want pure dyestuffs, quite free from grease. Let me suggest the use of the Diamond Dyes; they are safe and sure, and your colors will be just right. Send to the drug store for them and I will assist you in your work."

Maugerville.
Dec. 31.—The ice in the river is quite fair for travelling and teams are crossing in all directions. Christmas passed off quietly as usual being very sad on account of the funeral of John T. Miles which took place from his residence at ten o'clock Christmas morning.

Deceased was sixty-four years old and leaves a widow four sons and two daughters.

Mr. Miles was held in very high esteem the procession being one of the largest ever seen in Maugerville. The remains were conveyed to the Baptist church where a very eloquent and appropriate sermon was preached by Rev. O. P. Brown, and thence to the cemetery at Burton.

Chas. S. Miles of Bouita, Montana who returned home before the death of his father, returns west again next week accompanied by his brother Fred.

R. A. McFadden, surveyor left for the Upper St. John on Thursday. Mr. and Mrs. J. S. Holyoke and Miss Miles of Kings Clear spent Xmas with relatives here.

Mr. and Mrs. Harry Harrison spent the holiday season at Mrs. Harrison's former home in Fredericton. Mr. and Mrs. George C. Miles entertained their immediate relatives at Xmas dinner at their residence here. Miss Sewell at the close of the term gave a Xmas tree which was very much enjoyed by the children. Miss Eva Wasson of Hunter's Ferry is visiting friends here. Rev. A. Freeman who has been laboring in Newcastle for the past year, but formerly of Maugerville started for California on Tuesday last taking with him his deceased daughter's two children, Louise and Frank Walley where they will make their home.

He Fooled the Surgeons.

All doctors told Reniek Hamilton, of West Jefferson, O., after suffering 18 months from Rectal Fistula, he would die unless a costly operation was performed; but he cured himself with five boxes of Bucklen's Arnica Salve, the surest Pile cure on Earth, and the best Salve in the World. 25 cents a box. Sold by all Druggists.

Douglas Harbour.

Jan. 6.—Lumbering operations at the Harbour continue brisk. McCoy brothers are getting out quite a quantity of logs. A few evenings ago, Miss Louise Hunter, of Maquapit Lake, entertained a large number of her friends from the Harbor and Seatehown. A most delightful evening was spent by all, and at three o'clock the company dispersed. Dr. H. A. Palmer left here today enroute for Carleton Co. He expects to be gone several weeks, and will visit Woodstock, Florenceville, and other points of interest.

Wednesday evening Messrs. Blakeney and Stewart gave a very enjoyable magic lantern and gramophone entertainment in the Baptist Church at Seatehown. Owing to the storm the audience was small. But we are pleased to hear the performance will be repeated next week. Mr. Robert Palmer of schr., "Annie Laura," has returned home again.
