## Veteran's Trials.

ATTACKED WITH KIDNEY TROUBLE IN AN AGGRA-VATED FORM.

His Digestion Became Impaired and His Case Was Looked Upon as Hopeless-Dr. Williams' Pink Pills Restored Him When Other Medicines Failed.

Among the residents of Port Robinson there are few better known than Mr. Samuel Richards, who has resided in that vicinity for some twenty-seven years. Mr. Richard's came to Canada from Illinois, and is one of the veterans of the American Civil war, having been a member of | TEA let us know. the 7th Illinois regiment. Mr. Richards is also one of the vast army who bear willing and cheerful testimony to the value of Dr. Williams' Pink Pills for Pale terviewed him he said: "I very gladly testify to the great merit of Dr. William' Pink Pills. A few years ago I fell a victim to one of the worst forms of kidney trouble. I was tortured with terrible CORRECTED TO OCT. 17TH. pains across the back. I could neither | Beef (Butcher's)percarcass \$0 07 to \$0 09 sit up or lie down with any degree of ease. I consulted a doctor, and he gave me medicine which I took from time to time, but instead of helping me I was growing worse. My digestion became impaired and I suffered from additional pains in the stomach. I would feel cold along the spine and in the re- Butter (in lumps) " .... 0 12 " 0 16 " 0 20 gion of the kidneys; sparks would apparently float before my eyes, and I would have frequent headaches. I then began Turkey per lb........ 0 12 " 0 16 using a medicine advertised to cure kidney trouble, but to no avail; it left me poorer in pocket, while I grew worse in health. I fell away in flesh until my Mutton, per lb, carcass.... 0 04 " 0 06 neighbors scarcely knew me. In my day Potatoes per bbl....... 100 " 125 I have undergone many hardships and a great deal of pain, having been through the American war; but in all this I never experienced the dread that I now have when I recall this sickness; not even the hour when I was captured and dragged within two miles of Libby prison. My sufferings were intensified by my stomach trouble. I could not eat and was bent almost double from pain, in fact I deemed myself a wreck. One day R. A. Abbey, general merchant, advised me to try Dr. Williams' Pink Pills, and as he highly recommended them I purchased three boxes, and before they were used I could feel improvement. I kept on taking them until I used twelve boxes and am now so well and strong that I can do two day's work in one and weigh 226 pounds. My cure was a surprise to everyone in the community, as all thought my case hopeless. I fell so gratified that I consider this testimony compensates only poorly for what this medicine has done for me, and I believe I would have been dead if I had not taken Dr. Williams' Pink Pills.

The experience of years has proved that there is absolutely no disease due to a vitiated condition of the blood or shattered nerves, that Dr. Williams' Pink Pills will not promptly cure, and those who are suffering from such troubles would avoid much misery and save money by promptly resorting to this treatment. Get the genuine Pink Pills every time and do not be persuaded to take an imitation or some other remedy from a dealer, who for the sake of the extra profit to himself, may say is "just as good." Dr. Williams' Pink Pills cure when other medicines fail.
