Mr. Farrar will give Owen Lafferty a handicap of fifty yards in a mile race. Horses to be attached to sulky, and race to be run without use of a whip. Best two out of three heats.

Will trot W. S. Baird for honor or side bet,—even start.

Lower Salmon Creek.

Cumberland Bay.

July 10.—Holidays are with us again and visitors are flocking in. Generally speaking those who once spent a summer on the shores of our truly Grand Lake are tempted to return and again find the rest, health and pleasure that may be obtained here.

At present the farms are looking very well considering how backward the season has been. The grass crop in particular is looking very good.

Owing to frequent showers the weather continues very cool for the time of year.

Mr. Harold Branscombe paid a flying visit to St. John last week.

It is with a feeling of deep regret that we learn that our pastor Rev. F. W. Patterson preached his farewell sermon Sunday, July 2nd, to a large crowd of eager and attentive listeners. We feel that all who heard Bro. Patterson were deeply impressed with the truths he presented us. At the close of the three weeks special meeting which he held five in all were baptized and welcomed into the church, his rousing appeals were helpful in stirring Christians to zeal and in bringing sinners to Christ. The Rev. gentlemen while here won for himself golden opinions from all, and it is our prayers that wherever he may go God may crown his labors with success.

Jesus shall reign where'er the sun
Doth his successive journeys run.

The GAZETTE is getting more popular all the time and is anxiously looked for every week.

Because it Cures.

"Yes," said Mrs. John McKeen who keeps a general store at Kingarth, Y. Co., "we sell more of Cook's Sure Cough Cure than all our other cough balsams combined; in fact we can only sell it, after a person once purchases a bottle. It has got the name in this locality of giving relief to a cough or cold where nothing else will." This Old English Remedy is sold by all dealers at 25 cents per bottle. Large Pottle.

Gaspereaux Station.

July 8.—The public examination in the school here was held on the afternoon of Thursday, June 29th.

There were forty-six visitors present, and twenty-seven scholars. The scholars were examined in geometry, arithmetic, reading, spelling, geography, history, botany and grammar; after which a programme consisting of music, recitations and dialogues was admirably carried out, much to the enjoyment of all present. Short addresses were then given by the trustees, and others expressing their satisfaction with the exercises of the day, and the progress made by the scholars during the term.

In the morning the scholars met and presented their teacher, D. P. Kirkpatrick with a handsome silk handkerchief and necktie pin, accompanied by an address.

Maurice S. Kirkpatrick has returned from St. John where he went to work the examination for first class for entrance to the Normal School.

N. F. Thorne, of Boiestown, is at present visiting friends in this place.

B. Hayes Dougan, of Hibernia, is paying a visit to his friends here, and is at present the guest of Miss E. Eastwood.

The dwelling house of George Kirkpatrick near Gaspereaux Station, was completely destroyed by fire, on Saturday 1st inst. Almost all the household effects were saved. The cause of the fire was a defective flue.

Blueberries are beginning to ripen, and the pickers and buyers are anxiously watching them.

Haying is soon to begin. The hay crop promises to be up to the average in this section.

A large number of spruce and tamarack knees are being hauled to Gaspereaux Station for Rufus Hamm of Bangor.

A concert and pie social was held in Ferry Bank on Friday evening, June 30th. The sum of \$10 was raised for Rev. A. D. McCully. Hartley McCutcheon acted as chairman, and Joseph Flowers auctioneer. Misses Mabel McLaughlin and Bertha Darrah rendered some very fine vocal music. John Slate rendered valuable assistance along the literary line. Some lively bidding took place on the young ladies' pies, and the strife for honors of escorting them home was great.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. "Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in Consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Saviour determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and Colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God, I am saved and am now a well and healthy woman." Sold by all druggists. 50 cts. and \$1.00. Guaranteed or price refunded.

Bellenden.

July 10.—The weather for the past few days has been all that could be desired for the farmers in this vicinity. The hay looks tolerably well and there is promise of an abundant harvest.

Business is quiet now as the farmers are preparing for haying, which they hope will commence in a few days.

Agents are very plentiful this summer. No man need be without the necessities for farming for want of a chance to purchase, if he is without the wherewithal to pay down. No less than five or six have been through this vicinity in less than two weeks. Every settlement is represented by one, even Union Settlement which has heretofore been behind the times in that respect, is likewise represented.

We had a brilliant speech delivered us in the I. O. F. Hall, by H. B. Hetherington, on Dominion politics and Municipal affairs. A large audience was addressed, and everyone spent an enjoyable evening. S. M. Starkey was chairman. The meeting closed by singing "God save the Queen."

A convention was held for the purpose of nominating two candidates for the Municipal election to be held this fall.

Newcastle Creek.

The young people of this place took advantage of the pleasant weather and attended the Orange walk at Salmon Creek.

Miss Bessie Flewelling, of Hampton, is the guest of Miss Lida Bailey.

Miss Cora Butler, of Boston, is visiting her aunt, Mrs. A. L. Bailey.

Miss Ellen Stuart arrived home from St. John on Saturday.

Miss Beulah Wasson, of Jemseg, is visiting Miss Lola Chapman.

Miss Sadie Bridges, of Sheffield, is visiting friends here.

Mr. Frank Haux is spending a few days with his parents.

Mr. Frank Coburn and Mrs. Henry Bailey of Little River paid a flying visit to this place this week.

Messrs. Jack Bridges, W. D. Bridges and Thos. D. Bridges of Sheffield spent part of the week here.

Mr. M. Green has returned home from New Hampshire.

Miss Maud Smith has gone to St. John for a visit.

Chipman.

The Orangemen of Newcastle united with the fraternity of the same order at Briggs' Corner in celebrating the glorious Twelfth this year in the Parish of Chipman where the meeting of these two lodges occurs biennially.

A large procession of people in carriages took up the line of March under the flying banners of the Prince of Orange, and after listening to a fervid oration from the Rev. Mr. Gross, Danish evangelist, they proceeded en masse to the residence of A. D. McPhee, where ample provision was made for entertaining both man and beast, more especially the lords of creation and their fair companions.

The Butter and Cheese Manufacturing Association, of Chipman is meeting with commendable favor from an increasing number of patrons who now furnish the factory an amount of milk equal to 23 cwt. per day.

The scarcity of cheese in other parts of the world assures a satisfactory price this year. Well cured cheese is one of the drawbacks in the Canadian product. Cheese cured at a temperature of 60 degrees in a moist atmosphere will compare favorably with the prime cheese of England and Scotland. The bonus of \$150 given by the government towards the erection of new factories and syndicate plan of inspection is building up the industry in New Brunswick.

St. Swithins day ushered in Saturday morning wet, and the weather wise told us we were to have forty days of wet weather; but Sunday has passed without a shower and Monday bids fair for being dry. It now looks as if the old bishop of Winchester, dead a thousand years, has but little effect upon the weather of today. Despite the old adage, however, as we will there will be thousands of superstitious people down to the end of time who will always be ready to pin their faith on Saint Swithins.

Mr. R. Ritchey has the contract for putting in the windows and doors into the new hall in course of erection at Briggs' Corner. The work is to be completed by the first of August when the hall can be used for public meetings.

The many friends of Mr. Isaac Baird were glad to see him out on crutches for the first time since he sustained a fracture of a leg 8 or 9 weeks ago while breaking a brood of logs up Salmon river.

Miss Maggie Baird who has in a measure severed her connection with the teaching staff of her native home has thrown in her lot in life in the same noble profession with Prof. Jones of Acadia College.

Mr. Willie Porter is on from Boston to visit his relatives at Salmon Creek.

Two of Al. Williams' girls are also on from Portland, Me.

Geo. McGregor who is doing a good business in the grocery line in Boston, is here visiting friends, and Mr. Judson Langley has arrived from Colorado to see his aged father at Briggs Corner.

What to do with the Boy.

A conversation was held a short time ago between husband and wife concerning the future welfare of their only son. The mother was for giving him a profession, but the father thought the professions were crowded, and suggested starting the boy in mercantile life.

The father's reason for being opposed to his son entering professional life was that he had a brother, who, while very clever, had nothing to show for his years of labor but a mere living and a good, big account on the debt side—the money spent in educating himself.

The father, although not having the education of his brother, had some years ago engaged with The Bradley-Garreston Co., Limited, of Brantford, Ont., first as canvassing agent, being promoted from time to time until now he was in the very front rank with his company and making lots of money. He has also seen a lot of the world, having been sent to Australia, South Africa, England and United States. It was therefore not to be wondered that he was opposed to his son taking up a profession, and as the son in question had a liking for money and travel, it was finally decided that he ought to follow in the footsteps of his father and enlist with this old reliable Publishing House, especially as he had just received a good salary offered from them.
