The constant dropping of water will
wear away stone.
A slight eye strain impairs the health,
because it is constant.
The strain which first manifests itself
as a slight discomfort should be promptly

Blood Poisoning.

**TERRIBLE SUFFERING OF A
PRINCE EDWARD COUNTY
FARMER.**

Hospital Treatment Failed to Bene-
fit Him and His Life Was Despair-
ed of—Again Well and Strong.

From the Belleville Sun.

A reporter of the Belleville Sun re-
cently had an opportunity to investigate
a cure made through the use of Dr. Wil-
liams' Pink Pills for Pale People which is
little short of miraculous. The subject
of the cure is Mr. William H. Conklin,
a well known farmer who lives in Ame-
liaburg township, Prince Edward county.
When the reporter drove over to see Mr.
Conklin he was under the impression,
from what he had heard of the case, that
he would find a partial invalid, but to his
surprise found a stalwart, robust man of
six feet, actively engaged unloading logs
from a sleigh. On making known the
object of his visit the reporter was in-
vited into the house and Mr. Conklin
gave his story as follows:

You can see for yourself that my con-
dition is now one of good health, and yet
I have seen near death's door. A year
ago last summer I injured my hand, with
the result that blood poisoning set in. A
doctor was called in and the usual treat-
ment given and the hand apparently got
well and I started to work. It soon turned
out, however, that the poison had not
been entirely got rid of and it spread
through my whole system. The doctor
was again called in, but looking upon my
case as critical, advised me to go to the
hospital at Belleville. This I did and re-
mained there throughout the month of
October, 1897. My condition was des-
perate, and as I was not making any pro-
gress towards recovery, I may frankly
say that I gave my case up as hopeless.

Believing that I could not recover, I as-
ked to be taken home. I then tried vari-
ous treatments with no better results. I
could not walk without help, and I was
doubled up like a jack-knife. At this
stage I was advised to try Dr. Williams' Pink Pills, and sent for half a dozen
boxes. After using the first half dozen
my appetite returned and night sweats
which had been the bane of my sleeping
house deserted me. Knowing that the
pills were helping me I sent for a further
supply. Meantime a swelling came in my
hip, which finally broke, and from that
on my progress was more rapid and I am
again as sound as ever, and able to do a
day's work with any one. I can only add
that Dr. Williams' Pink Pills brought me
to my present state of good health and so
long as I live I shall praise the remedy
that brought me back from the verge of
the grave.

Dr. Williams' Pink Pills cure by going
to the root of the disease. They renew
and build up the blood, and strengthen
the nerves; thus driving disease through
the system. Avoid imitations by in-
sisting that every box you purchase is
enclosed in a wrapper bearing the full
trade mark. Dr. Williams' Pink Pills
for Pale People. If your dealer does not
keep them they will be sent postpaid at
50 cents a box, or six boxes for \$2.50 by
addressing the Dr. Williams' Medicine
Co., Brockville, Ont.

Remarkable Rescue.

Mrs. Michael Curtin, Plainfield, Ill.,
makes the statement that she caught
cold, which settled on her lungs; she was
treated for a month by her family physi-
cian, but grew worse. He told her she
was a hopeless victim of consumption and
that no medicine could cure her. Her
druggist suggested Dr. King's New Dis-
covery for Consumption; she bought a
bottle and to her delight found herself
benefitted from first dose. She continu-
ed its use and after taking six bottles,
found herself sound and well; now does
her own housework, and is as well as she
ever was. Sold by all Druggists, large
bottles 50 cents and \$1.00.

Texas Floods.

HOUSTON, TEXAS, July 5.—A cor-
respondent who has just returned from a
voyage through the flooded district says:
The half has not been told of the havoc
wrought. The disaster is so appalling
that description is not possible. After
this flood will come sickness undoubtedly
and what a week ago was the fairest part
of Texas is now almost a God-forsaken
wilderness. The waters of the Brazos
have for six days covered the valley to
the depth of six to thirty feet. Where a
week ago there were on every hand fields
of cotton and corn and thousands of acres
of watermelons and cantaloupes to-day
there is slimy mud over the vegetation.
The carcasses of cows, mules, pigs, dogs
and cats, mayhap humans, for many are
missing. Our party left Bryan at sun-
rise yesterday morning, going to the
Navosote bottoms and to a point about
three miles from Millican. Here we en-
countered everywhere an overflow from
the Navosote, which spread out fully two
miles on either side of the Houston and
Central Railroad track. Everything is
under water from two to seventeen feet.
I saw hundreds of houses totally sub-
merged, and as many more were swept

from their foundations and destroyed.
The planters of the bottoms are still mov-
ing their help and whatever is left of their
stock to places where they can be cared
for. They are all nobly helping each
other and taking refuge wherever they
can. The flooded district has a length of
over 500 miles and a breadth of probably
50 miles.

The loss of life will never be known,
the bottoms having been populated with
negro faamers. To show the damage
done the following estimates have been
made by men who are in a position to
know: Lives lost, from 100 to 300; loss
to farmers, including crops and live stock,
from \$5,000,000 to \$15,000,000; damage
to railroads and country bridges, \$2,000,
000 to \$4,000,000.

HUMBOLDT, Kansas, July 5.—The
Neosho valley is flooded by a 24 hours'
rain and is under six feet of water. Many
fields of wheat are gone and the corn along
the river will be damaged. G. Brady, a
farmer, was drowned while trying to save
some stock. It is feared the flood will ex-
ceed the one of 1865.

DUKE, Texas, July 7.—The flood situ-
ation is graver to-day. The river rose
two feet during the night, and is still ris-
ing. The life savers from Galveston
started out soon after daylight, and are
doing splendid work. The Galveston
crews brought in sixty-eight refugees last
night from the high embankment at the
Santa Fe bridge over the Brazos, where
the people had taken refuge. Refugees
are flocking in from all sides of the river.
Four deaths by drowning are reported
near here in the last 24 hours.

ST. LOUIS, July 7.—A special to the
Post Dispatch from Austin, Tex., says:
Gov. Sayers today received a message
from Reely over the long distance tele-
phone saying that 1,000 persons who had
taken refuge on a mound three miles be-
low there are slowly perishing for the
want of food. To add to the horror the
unfortunates are surrounded by poisonous
reptiles. Huddled together with the
human beings are several hundred head
of live stock. A number of those on the
mound have received bites from the rep-
tiles and are in a dying condition.

Peace Congress.

THE HAGUE, July 7.—The full draft
of the proposed convention has been
made public. It is a document of over
50 sections. Article 28 provides as fol-
lows:

A permanent council composed of the
diplomatic representatives of the signa-
tory powers residing at The Hague and
the Netherlands foreign minister, who will
exercise the functions of president, will
be constituted at The Hague as soon as
possible after the ratification of the pres-
ent act. The council will be charged to
establish and organize the international
bureau, which will remain under its di-
rection and control. The council will
notify the powers of the constitution of
the court and arrange its installation,
draw up the standing orders and other
necessary regulations; will decide ques-
tions likely to arise in regard to the work-
ing of the tribunal, have absolute powers
concerning the appointment, suspension
or dismissal of functionaries or employes;
will fix the emoluments and salaries and
control the general expenditure. The
presence of five members at duly conven-
ed meetings will constitute a quorum.
Decisions are to be taken by a majority
of the votes. The council will address
annually to the signatory powers a report
of the labors of the court, the working of
its administrative services and of its ex-
penditures.

THE HAGUE, July 7.—During the dis-
cussion the plenary committee amended
article 8 so as to provide that when pow-
ers between whom there is a serious dis-
pute accept mediation they cease all di-
rect relations in regard to the disputed
question, which shall be considered ex-
clusively referred to the mediatory pow-
ers.

Three additional paragraphs regarding
the permanent court were also adopted at
the request of Prof. Zorn of the German
delegation—Count Nigra, head of the
Italian delegation, and Sir Julian Paun-
cefote, head of the British delegation, as
follows:
"Members of the permanent court
shall enjoy and exercise all the functions
of diplomatic privileges and immunities."
"The bureau is authorized to place its
officers and organization at the disposal
of the signatory powers for the proper
exercise of any special arbitral jurisdic-
tion."
"The signatory powers undertake to
communicate to the bureau a copy of any
stipulation regarding arbitration decid-
ed between them and all judgments of the
permanent court, and they undertake to
communicate to the bureau the laws,
regulations and documents setting forth
the execution of judgements pronounced
by the court."

Fatal Dynamite Explosion.

CALUMET, Mich., July 7.—Sixteen
sticks of dynamite at the bottom of the
Oscello mines yesterday, exploded blow-
ing the arms, legs and head off a man
named Dickles and seriously injuring sev-
eral others.

CURREY-DAVIS.

One of the prettiest weddings of the
season took place last Thursday at the
residence of Mrs. Sarah Currey, when
Helen Maude, second daughter of the
late James R. Currey, Esq., was united
in marriage to Mr. Robert Davis, recent-
ly of Upper Gagetown, but now of this
village.

The rooms were tastefully decorated
with flowers,—pink and white being the
color scheme for the drawing room, while
the dining room was brilliant in yellow
and white.

Promptly at half past nine o'clock, a.
m., the bride, preceded by her brides-
maid, Miss Mary Davis, entered the
drawing room upon the arm of her
brother, L. A. Currey, where the groom,
and best man, Mr. Chas. Babbit, awaited
them. Rev. Mr. Hansen, of St. John's
church then pronounced the solemn words
that made them one, after which those
assembled hastened to extend hearty con-
gratulations. A wedding breakfast was
then served, ending with a bumper and a
health to the bride. Coffee was served
in the drawing room.

Mr. and Mrs. Davis left about noon
on the steamer May Queen for St. John,
from whence they took the Prince Rupert
for Digby, en route for Halifax. They
will be absent some days. The number at
the wharf, and the showers of rice
scattered upon the happy couple attested
their popularity.

The bride was dressed in a becoming
travelling gown of green cloth, with pas-
serenterie and satin trimmings, with hat
to match. Miss Davis was tastefully at-
tired in a dainty dress of pink dimity,
trimmed with lace.

The wedding was private, none being
present but near relatives of the contract-
ing parties, those from out of town be-
ing the groom's brother, Mr. Chas. H.
Davis, of Boston, Mass., Mrs. Nathaniel
Simpson, of Holton, Kansas, and Mr.
and Mrs. L. A. Currey, of St. John.

Mr. and Mrs. Davis upon their return
will make their home at the old Curry
homestead, which they have purchased.
The GAZETTE extends hearty congratula-
tions and wishes the couple many years
of happiness.

The following is a partial list of the
wedding gifts:—

Money, Mrs. Sarah Currey; silver fish
knife and fork, Miss Eliza Currey; large
engraving, and reception lamp, Mr. and
Mrs. L. A. Currey; large engraving and
silver baking dish, Mr. and Mrs. T. H.
Gilbert; engraving, "The Angelus," Rev.
Mr. Hansen; silver sugar bowl and spoon
holder, G. W. Hoben; set silver dessert
spoons, Mr. and Mrs. C. H. Davis; silver
preserve spoon, Mr. and Mrs. William
Christie; silver pie knife, Mr. and Mrs.
F. E. Haynes; porcelain card receiver,
satin lined, Mr. Chas. Babbit; silver egg
cups and spoons, Dr. Philip Cox; silver
salver, Mr. and Mrs. T. S. Peters; silver
meat fork, Miss V. Short; silver salad
fork, Mr. and Mrs. J. R. Dunn; silver
jelly spoon, Miss Alberta Hoben; silver
sugar shell, Mrs. T. B. Hanington; sil-
ver pie knife and berry spoon, Miss Mary
Davis; china plate, cup and saucer, Allan
and Adrian Gilbert.

The groom's gift to the bride was a
beautiful gold watch and chain, and to
the bridesmaid an exquisite gold pin pen-
dant, set with pearls.

Re-organized.

Major Armstrong, Mr. Neil Morrison,
and Mr. Kennedy, three prominent or-
ganizers of St. John, were in town Sat-
urday evening and re-organized the Orange
Lodge here which has not been meeting
for several years. It was re-organized
with 18 members and the following officers
were elected:

Wm. Cooper, W. M.
Henry Deveber, D. W. M.
Wm. Holmes, F. Sec.
J. R. Dunn, Sec.
Wm. Nevers, Treas.
Wm. H. Brooks, D. of C.
John C. Gaudet, Lecturer.
Wm. Simpson, I. T.
Chas. Brown, O. T.
Committee Men—Russel Norwood,

After the meeting refreshments were
served by R. W. Hamilton to those
present.

\$3,000,000 for Canada.

MONTREAL, July 6.—Another large
American industry concern is about to
begin business in Canada. The Pitts-
burg Reduction Company has agreed with
the owners of the celebrated Shaur-
ningan Water Power near Three Rivers
to construct a large aluminium reduction
plant there, and invest \$3,000,000 at
once, with the prospect of much more at
a later period.
