April 23. -On Friday, April 6th, Deacon Allen McDonald's house, at Cherry Vale caught fire, and there being a high wind from the northeast it was in flames before it was discovered; some neighbors got there and helped save some of the household effects. The woodhouse, in which was a quantity of wood, and the granary, with a quantity of grain, were also burned. Luckily the barns were saved. This is a hard blow on Deacon McDonald who is one of the oldest, if not the oldest man in Queens Co.; he went to live with his son Dr. Donald McDonald at Peticodiac until new buildings are erected.

Mrs. Elizabeth Berry Stopped Taking's Dodd's Kidney Pills after only Trying one Box.

Not Being Cured Instantly, Was Disappointed-Three Years After Tried Dodd's Kidney Pills again Twelve Boxes Com-

pletely Cured Her. BEAR RIVER, N. S., April 30.—A great number of worthy people, both in Nova Scotia and the other maritime provinces have in time past fallen into the error of thinking that Dodd's Kidney Pills will cure their diseases-often of long years' standing-almost instantly. They follow the directions and take Dodd's Kidney Pills regularly for the first few days, and are then disappointed if their health is not restored.

Dodd's Kidney Pills are the promptest and most speedy remedy for kidney diseases ever known on this earth and they have almost performed miracles in snatching people out of the very jaws of death, but they will not do impossibilities. No medicine ever invented will cure kidney disease like Dodd's Kidney Pills. But they want a fair chance. A doctor doesn't cure a patient of a fever in two or three visits. It takes time. So with Dodd's Kidney Pills.

The case of Mrs. Elizabeth Berry, of Bear River, published recently, is typical of hundreds of others throughout the country. Impatience to be cured, lack of perserverance in taking the medicine, foolish belief that it will care chronic diseases in a few days-these causes are responsible for the only disappointment ever occasioned by Dodd's Kidney Pills. If they are given a fair, honest chance. Dodd's Kidney Pills will cure Kidney Disease every time. There is no question about it. They have done it a hundred thousand times before.
