Of all the teas that ever were known, Of all the teas that ever were grown, My Mary knows what she's talking about— And she says, "Of all teas without a doubt. The best by far is UNION BLEND, And on my word you may depend."

EXCURSION TO ST. JOHN—Although the number was not large that went to St. John on Monday on the Aberdeen the excursion was a financial success. The excursion was arranged by Rev. I. N. Parker. CAMP SUSSEX—Camp Sussex will be opened on September 9, and besides the cavalry, about eight infantry regiments will be under canvas. A peculiar feature this year is the reduction of the number of each unit. The regiments will have full strength on the staff, but each company will send only one officer with full complement of non-commissioned officers, but only twenty-two privates.

LABOR DAY—The schools were closed here on Labor Day, but with this exception the holiday was not observed.

SUSSEX CAMP—Those who would like to attend the military camp at Sussex in the cavalry regiment would kindly call on Mr. Artie Dickie here.

MEN FOR THE WOODS—About thirty men came up on the Alexandra, Tuesday, to hire for the woods. They marched through the streets with big packs of clothing on their backs. They will have no trouble in finding employment, as woodsmen are in great demand and wages higher than last fall.—Chatham World.

FINE WEEK—The fine weather of last week was a great boon to those who had haying to do. The crop in this vicinity is nearly all housed and is said to be an average one. The oats are being hauled and are the best crop that has been for years. In Petersville there is a good crop of oats. The buckwheat and in fact all crops are fine.

CHANGE OF DATE.—On account of the St. John Exhibition, and the lateness of the haying season, Capt. Bridges has found it necessary to change the date of his six days' excursion. The scow will leave Sheffield on Monday the 8th day of September, calling at the different points down river. See advertisement in another column.

LATE LITERARY NEWS—Everyone almost has seen a circus as it appears from a seat in the tent, but there are few who have traveled with the company day and night, studied the inner life of the circus folk and the thousand details that make up the organization of a modern circus. The August Cosmopolitan's article "The Organization of a Modern Circus," elaborately illustrated with photos specially taken by the Cosmopolitan's staff photographer, reads to the layman like a chapter from the Arabian Nights. Much has been written about how America's millionaires accumulate wealth in their business hours, but little has been said about how these interesting individuals spend their millions in their hours of leisure. The August Cosmopolitan's illustrated article on "Divisions of Some Millionaires," gives an interesting view of this side of the millionaire's life.

SOCIAL AND PICNIC—A pie social and picnic will be held on the afternoon of Sept. 6th, at the place known as the "Huestis Homestead" near Humphrey's wharf, McDonald's Corner. The social will be under the patronage of the Sewing Circle at McDonald's Corner and the proceeds will be used to get goods for said Circle to begin work with. We have assisted until the debt on the church at this place has been paid off and now contemplate commencing anew and doing what we can towards building a Temperance Hall here. We hope all friends of temperance will assist us in the work. The sale of the pies will commence at 5 p. m. Refreshments will be sold on the grounds. A pleasant time is expected and we hope for a large attendance. By order of the Circle. SUSIE GILBERT, Secretary.

DUCK SHOOTING—The open season for shooting duck, snipe, etc., commenced on Monday and a number of black duck were shot around here that evening. They are reported to be plentiful.

METHODIST CHURCH SUNDAY APPOINTMENTS.—Rev. I. N. Parker, pastor, Service will be held at Burton, Pine Grove, at 10.30 a. m.; Shirley at 2.30 p. m.; Oromocto Village at 7 o'clock p. m.

A Maniac's Deed.

CINCINNATI, O., Aug. 29.—While suffering from temporary insanity yesterday Emma Bankardt, a spinster, 40 years of age, attempted to kill her mother and her sister Dorothy, and then committed suicide at their home, four miles south of Covington, Ky.

Mrs. Bankardt and Dorothy were asleep in separate rooms at the time and each was dealt a terrific blow on the head with some blunt instrument, their skulls being fractured. Both probably will die. Having dealt these blows to her mother and sister she saturated their bed with oil and applied a lighted match. As soon as the flames began to spread she ran to a cistern in the yard and jumped in, drowning before assistance could reach her. Hundreds of neighbors were attracted to the Bankardt home by the fire and succeeded in rescuing the two victims of the insane woman before they were harmed by the flames. Emma had been eccentric for several months, but the family did not consider her dangerous and had not restrained her.
