THE MOST PERFECT ROLL MADE.

St. John, N. B., North End.

ment's specially appointed official is trekking in that direction.

Owing to the recent heavy storms the roads are blocked with snow and snowshoes are the only means of transit for the time being.

Surveyor Fraser of Chipman has paid the lumberman of this locality one of his well known annual calls.

March 15.—The lowest thermometer readings at Lake Stream thus far this winter, was 30° below 0 on the 6th inst.

Mr S. W. Briggs who has been at home for a few days, returned again to Little Forks where he and his brother are engaged lumbering.

Messrs. Harper and Brown have completed their winter operation on the Big Forks.

Mr. Andrew Knox who has been for some time unable to work with a very painful boil on his hand, has returned again to resume labor.

Mr. H. Fowler jr. was obliged to go home this week from the woods, with a gathering on his neck.

The snow is said to be five feet deep on the Upper Little Forks stream.

Our Thursday mail was behind time owing to the bad condition of the road.

An Exciting Experience.

Two well known young ladies of Waterborough, and gentleman escorts had a narrow escape from serious injury if not from death while out enjoying a sleigh ride a few nights ago.

The conversation had drifted along with the accommodating moon which finally hid its modest face behind a cloud.

The young people didn't mind that in the least but it caused the horse some trouble. The poor beast stepped on an icy place in the road and before he could catch his equilibrium fell heavily to the ground.

There was a crashing of shafts a series of screams but fortunately the sleigh did not upset.

The struggling beast could have regained its feet and dashed on with the sleigh to destruction but the poor animal preferred to sleep.

Violent applications of boot leather and switches failed to arouse him. Finally the gallant boys rolled him gently out of the road and proceeded to buckle themselves down to the task of hauling the sleigh in.

One pushed the other pulled and this they covered a distance of one mile back to town.

The boys were confounded when upon looking back they found that the horse had been following at a safe distance.

All took a solemn vow that the affair should be kept a secret—but then you know a woman can't keep a secret.

March 10, 1900.

TO EDITOR QUEENS COUNTY GAZETTE.

There are a few Pro-Boer sympathizers here but most are for the British, and sometimes the excitement runs high, but where British blood is coursing through the veins it brings a thrill of joy to read of British successes.

There are many Queens County people in this vicinity and all are loyal.

The winter operations in the woods are nearly over. There has been a great many accidents this winter.

Business is looking up generally. We are patiently waiting for spring, as winter has more than fulfilled its contract.

We are to have a new rotary mill to commence work this spring, also a new bridge with granite abutments, to be built across the stream at this village this spring.

Amusements in plenty are the order of the day. Balls, masquerades, picnics, etc., two or more every week.

The young and old enjoy themselves to their hearts' content. The young men will balance and swing their partners, the old look on and wish they could.

I am well pleased with the GAZETTE; it comes like a letter from home every week. Should feel lost without it, and may success continue the efforts you have made.

ARROSBROOK.

Mouth of Jemseg.

On Friday night last a parlor concert was held at the residence of Mr. and Mrs. Hanselbacher. Between fifty and sixty gathered and a very enjoyable evening was spent. The following programme was carried out:

Opening chorus—The land of the maples. Piano solo—Mrs. Hanselbacher. Solo, "Little Emily," Mrs. G. B. Nevers. Recitation—Miss Sinnott. Song, "Old Kentucky home," Messrs. F. C. Nevers, William Sharpe and James Dewitt.

Solo, "My sweetheart went down in the Maine," Miss Amelia Heustis. Reading, "When the cows came home," Mrs. G. B. Nevers. Solo, "I was once your wife," F. C. Nevers.

Recitation, "Courtship," Miss Idella Sharpe. Recitation—Missie Springer. Piano solo—Mrs. Hanselbacher. Duet—Mrs. G. B. Nevers and Mr. James Dewitt.

Music, "Skidmore guard," Messrs. William Sharpe and James Dewitt. Recitation, "Curfew must not ring to-night," Miss Sinnott.

A vote of thanks was tendered Mr. and Mrs. Hanselbacher by S. W. Nevers, for their kindness in opening up their house for the occasion.

The concert was brought to a close by singing, "God save the Queen."

The duet by Mrs. G. B. Nevers and Mrs. James Dewitt deserves special mention.

tion.

Miss Idella Sharpe in answer to an encore recited, "Waking the children." Miss Sinnott was also encored and in answer recited another beautiful piece.

Again on Friday evening, in honor of Mr. William Welch, brother of Mrs. Hanselbacher, a large number of young people gathered at the residence of Mr. Hanselbacher when another very pleasant evening was spent. Games of various kinds were indulged in, interspersed with some very pretty selections of music rendered by Mrs. Hanselbacher. Among the songs rendered were: "Those wedding bells shall not ring out," by F. C. Nevers; Duet, "Quakers courtship," by Mrs. Hanselbacher and James Dewitt; Song, "Must the tie that binds be broken," by Miss Susie Dykeman.

Stump speech, "Monologue specialty," by F. C. Nevers; Recitation, "Inventor's Wife," by Miss Idella Sharp; Duet, "No sir," Mrs. Hanselbacher and F. C. Nevers; Reading, "How the Frenchman treated John Bull," by James H. Dewitt; recitation, "Country girl," by Miss Sharpe.

Refreshments were served about 11.30 which consisted of vanilla ice cream, almond nuts, soda crackers and cheese. The heavy down pour of rain prevented many from attending much to the disappointment of those who did gather.

March 12.—We are enjoying very fine weather at present. March, so far, has been quite as cold and stormy as February. The travelling is very good, however, especially from the corner down to the "Turn." Unusual pains seems to have been taken to accomplish this, we may quote the old saying "where there is a Will there is always a good (high) way."

We are pleased to see F. C. Nevers in our midst again after his absence to St. John. The winter Port seems to hold a great attraction for Mr. Nevers as this is only one of his frequent visits to that city. We hope to see him bring home his bride in the near future.

Mr. L. E. Dewitt returned home last week.

Our worthy mail carrier, Mr. Geo. A. Wilson, seems to be afflicted with an incurable disease. On Sunday night after church he seemed to have fallen into some kind of a trance, as, instead of going to his lodgings for the night, he passed by and did not seem to come out of this until he came to a large white gate. He then, apparently, decided to enter the house beyond, so he stepped up briskly and was admitted. He must have fallen into another trance as it was some time later he retraced his steps. It is believed by some that this condition is caused by heart disease. He has the sympathy of all the people and we would advise some tender hearted damsel to take pity on him.

Mrs. Springer is in need of a capable person to work her farm during the spring and summer months. One of our lais will be engaged to put the farm in on shares.

Miss A. Amelia Heustis has gone to St. John where she expects to spend a few weeks.

Mr. Asa Perry and daughter are in this vicinity visiting relatives.

Miss Gertie Titus has been confined to the house with a severe cold.

Mr. James Reece and sons, assisted by Mr. C. Parker and I. Stewart and some are at work building a boat, which is expected to be finished in time to be launched during the freshet.

Miss Edna P. Sinnott, who has charge of this school is very popular with pupils and parents and is well liked by all who know her.

Miss Lynda Heustis was the guest of Mrs. Robert Bates on Thursday.

Rev. J. B. Anderson has gone to St. John. We hope he may be as successful in the future as he has been in the past.

GOOD HEALTH MINE.

Most Valuable Discovery by a Prominent Halifax Traveller.

But Rockingham People Have Known it for Several Years—Dodd's Kidney Pills a Perfect Mine of Health They Cure all Kidney Diseases.

ROCKINGHAM, N. S., Mar. 19.—(By telegraph.) The rich mine recently discovered by the oldest traveller in Nova Scotia, Mr. J. H. Ireland, of Halifax, is said to have been known to the citizens of this town five years ago. An old resident states that he drew a new lease of life from the mine, at least four years ago. Others have made similar claims.

Mr. Ireland says he cares not how many people use the mine. He has named it the Good Health Mine, and says that this is the most suitable title for it, as Good Health is enjoyed by all who use its output—Dodd's Kidney Pills.

There is no doubt about the genuineness of Mr. Ireland's cure. All his friends, and he has hundreds of them, have remarked the improvement, and congratulated him upon it. To each inquiry he has replied that Dodd's Kidney Pills cured him in a few days.

The reputation enjoyed by Dodd's Kidney Pills in this section of Nova Scotia, is indeed a proud one. It is safe to say that they are used in every household. And in every case in which they have been tried, a complete and lasting cure has followed. A large number of cases of Bright's Disease, Diabetes and Dropsy have been cured by them here, and the cases of Rheumatism, Lumbago, Lamé Back, Sciatica, Gravel, Stone in the Bladder, Blood Impurities, Diseases of Women and all Urinary Diseases, that have been cured by them, are simply uncountable.

Summer Hill.

March 17.—The funeral of the late Mr. Richard Graham took place from his late residence on Tuesday, 13th inst., at 10.30 a. m. The remains were interred in the Episcopal cemetery at Headline. The funeral services were conducted by Rev. Mr. McNamara, rector, of Gagetown.

A patriotic meeting, consisting of patriotic speeches, songs and recitations, was held in the Methodist church here, on Wednesday evening 14th inst. Although the roads were in a bad condition, owing to the storm that day, quite a large congregation assembled. Mr. A. M. Corbett was chosen chairman. The meeting opened with prayer by Mr. McNamara. The following programme was then carried out:

Chorus—Red, white and blue. Address—Rev. Mr. McNamara. Song, "Battle of the Nile," Mr. Johnston-Donald.

Address—Rev. Mr. Gough. Chorus—Hurrah for Canada. Song, "Break the news to mother," Mrs. J. B. Gough.

Chorus—God save the Queen. The eloquent patriotic addresses by the Rev. gentlemen were greatly enjoyed by the audience. The collection which amounted to \$4.80 is in aid of the patriotic fund.

GREAT LOSS OF LIFE from Bright's Disease

A dreadfully fatal disease which is prevented and cured by Dr. Chase's Kidney-Liver Pills

Bright's disease is a further development of kidney disease, and for its most marked symptoms backache and urinary troubles. It is so insidious in its beginnings as to frequently escape detection, and with the single exception of consumption is the most fatal disease known to man.

Bright's disease is a wasting away of the tissues of the kidneys, and in its later stages cannot possibly be cured. So long, however, as the kidneys are not in an actual state of decay, Dr. Chase's Kidney-Liver Pills will revitalize the diseased parts and positively cure Bright's disease.

Dr. Chase's Kidney-Liver Pills are a perfect and ideal remedy for all kidney ailments. They act naturally and directly on the kidneys and promptly and positively cure Bright's disease, Diabetes, dropsy, rheumatism, and the most serious complications of kidneys, liver and bowels. One pill a dose.

See a box at all dealers, or EDMANSON, BATES & Co., Toronto.

Croup, bronchitis, asthma, and all coughs and colds yield promptly to Dr. Chase's Syrup of Linseed and Turpentine.

Spicy News Items Gathered by Gazette Correspondents

TO EDITOR QUEENS COUNTY GAZETTE.

Dear Sir: In your issue of March 7th your correspondent of Cumberland Point who signs himself or herself, "One Who Knows," stated that Mr. James Coombs has the contract for getting wood for the schoolhouse. Permit me to say the statement is false, as there is no person of that name in the place.

Another item your correspondent of the 9th inst. has been led astray in and that is the illness of our popular station agent, Mr. J. F. Roberts. The fact is Mr. Roberts has not been ill and he told your correspondent that he had not called Dr. Earle in to attend him as he has had no use for a doctor.
