National Anthem. Among the parts especially pleasing were: the song by Sylvia Allingham, the recitations by Arthura Babbit and Bessie Parker, the dialogue "Married by the New Justice of the Peace," and the songs by John Allingham. The singing of Miss Bertha Bulyea is always a feature of Gagetown entertainments, and her voice was never sweeter than on Tuesday evening.

But this notice would be incomplete without the mention of Mrs. Parker who presided at the organ, and to whose energetic management and good taste in such matters the success of the entertainment was largely due.

Rev Mr. Parker acted as chairman and took occasion at the close of Sylvia Allingham's song to say a few appropriate and forcible words on the evils of the drink traffic.

The thanks of the community are due to the committee, Rupert Scott, Harold Gilbert and Arlie Dickie for affording them so pleasant an evening.

The literary part of the programme being finished a number of baskets and pies were sold by Mr. William Cooper which added considerably to the evening's receipts.

FREDERICTON, N. B. Feb. 27, 1900. Hon. C. A. Duff Miller, Agent General New Brunswick, 17 Leather Market, London, S. E.:

Bob McCready.

Above is a splendid portrait of Bob McCready, one of the best football players in Canada. He is a member of the Ottawa University team, and has been in all of its championship matches. He is a splendid specimen of robust Canadian manhood, but, strong as he is, he has known what it is to suffer from dyspepsia. So seriously afflicted was he at the opening of the past (1899) season, that he was not able to get out with his team. Pains in the back and sides, intermittent headache, and the awful pang he suffered after eating, the result of an indigestion, warned him that he was in no condition to play football, the hardest of all games. Besides, he lacked the energy to carry him through a campaign. He consulted his physician, but that gentleman gave him no relief. "At this stage," he writes, "I was advised to try Dr. Petty's Pills, the new remedy that one of my friends assured me was wonderful in its effects. I was skeptical, but he sounded his praises so persistently that I was at length induced to try them. The very first dose drove the pain away, and at the end of a week I rejoined my team, and I have come through one of our hardest seasons in the best form that I have ever been in. Dr. Petty's Pills are alone to thank for my fine condition. They are the best medicine I have ever taken. They make one so strong and so full of energy, I, for one, shall never take any others when I feel in need of a strengthening." Such is the recommendation of this well-known athlete, and such will be the experience of everyone who tries this wonderful remedy. If your druggist cannot supply you, write to us, enclosing price, 50 cents a bottle, six bottles for \$2.50. Address The Dr. Petty Medicine Co. Ottawa, Canada.

Test the Urine...

It tells the state of the Kidneys—To make the Kidneys healthy use Dr. Chase's Kidney-Liver Pills.

The up-to-date physician ascertains the health of the kidneys, by an examination of the urine. It is not necessary, however, to be an expert in order to tell if the kidneys are deranged. You can conduct an examination yourself.

Allow the urine to stand for twenty-four hours in a glass bottle or vessel. If at the end of that time it contains a sediment resembling brickdust you may be certain that the kidneys are sluggish and inactive, and that they are leaving deadly poisons in the system which will in time produce terribly fatal complications.

As an invigorator of the kidneys Dr. Chase's Kidney-Liver Pills are of inestimable value. They act directly and naturally, and make the kidneys, liver, and bowels regular, active, and healthy.

Dr. Chase's Kidney-Liver Pills positively, permanently, and promptly cure Bright's disease, kidney and liver disorders, backache, lumbago, rheumatism, and all the painful and fatal complications of the filtering organs of the body. The sale of this great kidney remedy is enormous throughout this continent and Europe. The price is proclaimed by scores of thousands of grateful cured ones. One pill a dose, 25 cents a box, at all dealers, or EDMANSON, BATES & Co., Toronto.
