

ANNOUNCEMENTS, FOR THE MONTHS OF JULY, AUGUST & SEPT.

There are about 80,000 Sons of Temperance in America. The JOURNAL is the recognized organ of the Order and should be in the family of every member of the order. We are determined to offer every inducement that the members may come in and help us push the order through the means of Temperance Literature. We offer in this supplement special inducements, one of which we hope will be accepted by every one who reads this, if they are not already a subscriber to the paper. Will you please help us get 5,000 additional subscribers in three months. If every reader would get us a club of five or ten we would double that number. Our usefulness as a Sons of Temperance paper depends largely on the number of members of the order we reach each week. You are helping the order when you help circulate its paper, as all the money received is put into improving the paper. If you would like circulars to help us with, write and we will send you them. Your assistance as a correspondent from your locality is also earnestly solicited.

THE JOURNAL PROBLEM. GIVEN AWAY.

We want to get a lot of subscribers this month and next for the JOURNAL and we are going to give our young readers a little puzzle to interest them in the paper, and a chance to work it out. We want you to send us a subscription for the JOURNAL for one year (\$1.00) and the solution to the following question worked out, and every one who sends us the correct answer will have their money returned, and get the paper free for the year, and be presented as well with a solid gold badge pin of the order of the Sons of Temperance. You want the paper anyway, and you might as well try for one of these handsome gold pins, which have been adopted by the National Division as the badge of the order. Understand, the money is returned *only* to those who get the right answer, the others get the paper for the year.

QUESTION.—Take the age of Joseph when he stood before Pharaoh and multiply by the number of persons saved in the Ark, subtract from this the number of Jacob's sons and divide by the number of barley which Boaz gave to Ruth, add to the product the number of times which the Israelites compassed Jericho, subtract the number of each kind of clean beasts that went into the ark, multiply by the number of men who went to seek Elijah after he was taken to heaven, add the number of Haman's sons divided by the number of stones in David's bag when he killed Goliath, subtract the number of Prophets of Baal slain by Elijah on Mount Carmel, subtract the number of furlongs that Bethany was distance from Jerusalem multiplied by the number of anchors cast out when Paul was shipwrecked.

Money can be sent by American Express order or P. O. Order, and probably would be safe if sent in an ordinary letter, but in the latter case it must be at the risk of the owner. Address HERMAN H. PITTS, Fredericton, N. B. (Canada.)

The Way to Fight the Saloons.

Having been harshly criticised for employing a detective to procure evidence against a law-breaking saloon-keeper, the mayor of Keokuk, Iowa, made the following reply: "I am not trying to reform an body. I am simply trying to enforce the law. But this thing I have learned: The saloon cannot be fought by prayer meetings. All the trousers in Keokuk can be worn threadbare at the knees, and the saloon would still exist. The saloon must be fought at short range, and that is what we are now doing. A saloon-keeper loves the temperance unions and the prayer-meeting. He believes in them. He says that it is the proper way to deal with the liquor question; and, meanwhile, while the prayer-meeting goes on in the church, he holds his symposium in his saloon and takes in the dollars across his bar. But the other method of fighting the saloon hurts; hence the cry. It gets the evidence, and it fines him and closes up his saloon. I believe in it—that, of course, does not justify it; neither does the saying that it is not right by others condemn it. I have used it and to good effect. Whether I shall use it again or not depends on the necessity."

Mr. Shallcross in his logical exact style reviewed the position occupied by the Sons of Temperance in the great struggle.

Rev. Mr. Best stired the audience with some intensely sound, religious and radical prohibition utterances. Mr. Dennison produced fine closing impressions in some remarks on an overruling providence.—*Quill*

TEMPERANCE NEWS AND NOTES.

The criminal statistics of prohibition Iowa for 1888 reports just one vagrant.

John Hopper, a farmer near New Market, Ont., while walking on the railway track intoxicated, was struck by an express train and killed.

Appreciated in Maine.

Fred Stevens, G. W. P., Maine, in Semi-Annual report says: "Quite a number of Divisions take several copies of the TEMPERANCE JOURNAL and some of them have a correspondent. I think it is a good thing to have a paper that we can look over and see what they are doing all around us. Not only in our own state, but the neighboring states and provinces. If each Division would take a little interest in the paper much good might be derived from it. One Division might read an encouraging account from some other, and by it be inspired to better work. The paper is devoted entirely to our Order, and the editor spares no pains to make it interesting, as the paper shows for itself."
