Good of the Order.

THE SILVER LINING.

There's never a day so sunny
But a little cloud appears,
There's never a life so happy
But has had its time of tears;
Yet the sun shines out the brighter
When the stormy tempest clears.

There's never a garden growing
With roses in every plot;
There's never a heart so hardened
But it has one tender spot;
We have only to prune the border
To find the forget-me-not.

There's never a cup so pleasant
But has bitter with the sweet;
There's never a path so rugged
That bears not the print of feet;
And we have a Helper promised
For the trials we may meet.

There's never a sun that rises
But we know 'twill set at night;
The tints that gleam in the morning
At evening are just as bright;
And the hour that is the sweetest
Is between the dark and light.

There's never a dream that's happy
But the waking makes us sad;
There's never a dream of sorrow
But the waking makes us glad;
We shall look some day with wonder
At the troubles we have had.

There's never a way so narrow
But the entrance is made straight;
There's always a guide to point us
To the "little wicket gate";
And the angels will be nearer
To the soul that is desolate.

There's never a heart so haughty
But will some day bow and kneel;
There's never a heart so wounded
That the Saviour cannot heal;
There is many a lowly forehead
That is bearing the hidden seal.

SOMETIME, SOMEWHERE.

Unanswered yet? The prayer your lips have
pleaded
In agony of heart these many years?
Does faith begin to fail? Is hope departing?
And think you all in vain those falling tears?
Say not the Father hath not heard your prayer;
You shall have your desire sometime, some-
where.

Unanswered yet? Though when you first pre-
sented
This one petition at the Father's throne,
It seemed you could not wait the time of ask-
ing.
So urgent was your heart to make it known;
Though years have passed since then, do not
despair,
The Lord will answer you sometime, some-
where.

Unanswered yet? Do not say ungranted,—
Perhaps your part is not yet wholly done,
The work began when your first prayer was
uttered,
And God will finish what He has begun.
If you will keep the incense burning there,
His glory you shall see sometime, some-
where.

Unanswered yet? Faith cannot be unanswered;
Her feet are firmly planted on a rock;
Amid the wildest storms she stands undaunted;
Nor quails before the loudest thunder shock.
She knows omnipotence has heard her prayer,
And cries, "It shall be done," sometime, some-
where.

—ROBERT BROWNING.

W. U. T. U. BATTLE HYMN.

AIR—Battle Hymn of the Republic.
Are you listening to the booming of the Prohibi-
tion gun?
Come and rally round our battle flag, the con-
flict has begun;
We will strike for Home and Country, and for
Him who gave His son.
He leads to victory.

We hear the moan of breaking hearts, a sad des-
pairing cry,
And the prayers of Christian women, rise like
incense to the sky;
We believe His blessed promise that deliverance
is nigh.
He leads to victory.

Come, and buckle on your armour, on our
Master cast your cares,
And for ammunition carry your most earnest
work and prayers.
Through the smoke and shock of battle, Jesus
still our ensign bears.
He leads to victory.

To the highest courts of Heaven and its justice
we appealed,
And we have our King's decision, for He bids
us take the field.
With our motto "No Surrender," we can die
but will not yield.
He leads to victory.

The "Crank" Defended.

What would we do were it not for the cranks? How slow the tired old world would move did not the cranks keep it rushing along! Columbus was a crank on the subject of American discovery and circumnavigation and at last met the fate of most cranks, was thrown into prison, and died in poverty and disgrace. Greatly venerated now! Oh, yes, Telemachus we usually esteem a crank, most profoundly after we starve him to death. Harvey was a crank on the subject of the circulation of the blood; Galileo was an astronomical crank; Fulton was a crank on the subject of steam navigation; Morse was a telegraph crank. All the old abolitionists were cranks; the Pilgrim Fathers were cranks, John Bunyan was a crank; and any man who doesn't think as you do, my son, is a crank. And, by-and-by, the crank you despise will have his name in every man's mouth, and a half-completed monument to his memory crumbling down in a dozen cities, while nobody outside of your native village will know that you ever lived. Deal gently with a crank, my boy. Of course some cranks are crankier than others, but do you be very slow to sneer at a man because he knows only one thing, and you can't understand him. You thank Heaven you are not a crank? Don't do that, my son. May be you couldn't be a crank if you would. Heaven is not very particular when it wants a weather-vane; almost any man will do for that. But when it wants a crank, my boy, it looks very carefully for the best man in the community. Before you thank Heaven that you are not a crank examine yourself carefully, and see what is the great deficiency that debars you from such an election.

There was an immense trade opening up in the Congo Territory. It meant great wealth in a hundred directions. But short-sighted, selfish greed is spoiling it all. Whisky in immense quantity has been introduced into the Territory, and a hellish appetite created among the natives, until now every thing they have, they are bartering for whisky, and legitimate trade is almost ended. And this is the work of the civilized Christian nations of the world! Heaven save the mark!

RIGHT HERE IN CANADA!

What Your Friends and Neighbors Say on a Matter of Vital Importance.

Below will be found a sample of the multitude of letters of encouragement Messrs. H. H. Warner & Co., of Rochester, N. Y., daily receive. The subjoined unsolicited testimonials are from your friends and neighbors, ladies and gentlemen you know and esteem for their honor and straightforwardness, and who would scorn to be a party to any deception. What has been done for others can be done for you, and it is folly, nay suicidal, to longer suffer when the means of recovery lie at your door.

International R. R. Dining Saloon, AMHERST, Nova Scotia, Jan., 1887.
—In October, 1884, I was taken down with bleeding from the kidneys, or some of the arteries leading from them. One day, while lifting, I felt something giving away in the region of my left kidney and immediately after I commenced to pass blood in matterly water. Three doctors could not stop the flow of blood. I got 'Warner's Safe Cure,' and began taking it unknown to the doctors, and about the 10th of December the bleeding began to get less, and in two or three days the dropsy began to set in my legs and feet. By this time I was reduced to a mere skeleton, suffering from cramps in my legs, feet and hands, also the hiccoughs. My flesh became like a piece of white unpolished marble, cold and no signs of any moisture. I here wish to say that I did not take any of 'Warner's Safe Cure' from the 20th of December until March following. They

tried all they could to check the dropsy, but had to resort to tapping at last, which was done every thirteen or fourteen days until the 23rd of March. Then I was given up as hopeless, my spiritual director, giving me the last dying rites of my church. I told them, fear not, I would, with the help of God and 'Warner's Safe Cure' come out all right. I then began taking 'Warner's Safe Cure' every two or three hours night and day, and 'Warner's Safe Pills' also, and dieted as directed, and to the surprise of the doctors, my family, friends and the public, I was able to get out by the 1st of May for a short walk or a drive. I still continued to take 'Warner's Safe Cure' and now I feel as well in health as I ever did. No more trouble with dropsy, cramps, hiccoughing, or kidneys, and consider myself a sound man again. The catarrh in the head, of which I was badly affected, also disappeared. These are all the facts of my case, as hundreds can tell who know how low I was. As a reference I will mention the name of Mr. J. Rogers, with the firm of Evanson & Mason, of Montreal, who knows my case in full.

W. Hamilton

TORONTO, Ont., (166 Wilton Ave., Jan. 31st, 1887.—For ten years I suffered from quinsy and relaxed throat, being confined to my room for weeks at a time. I was at last induced to try 'Warner's Safe Cure,' and with a most beneficial result. I may say I have not suffered in the slightest from quinsy since.

W. Robertson

TORONTO, Ont., Sept. 19th, 1887.
—I suffered severely with lame back, at different times, for three years. My physicians said that my kidneys were affected, and treated me for Bright's disease. I obtained no relief however, until I commenced taking 'Warner's Safe Cure.'

L. O. Balby

Supt. Protection Police and Fire Patrol Co. of Canada.

HAWKSBURY, Ont., March 27, 1887.
—I have been terribly afflicted with chronic Bright's disease. My body swelled so I could scarcely move about and my eyesight was affected so that I could hardly distinguish objects across the room. I had a distressing cough from the pressure of water on my lungs, and was in danger of suffocation whenever I attempted to lie down. My limbs were so swollen that I could not bend my joints or sit on a chair. The valves of my heart refused their office. At times circulation seemed entirely suspended so that I was incapable of moving a limb, and at others the increased action of my heart would cause such a pain in my head as words are inadequate to describe. Then again my stomach refused all nourishment and I was growing weaker every day. The physician who attended me said there was no hope; he could do no more for me and that a few days would see the end. At this stage I resorted to 'Warner's Safe Cure' and 'Warner's Safe Pills,' and with most satisfactory results, although it was some two or three weeks after I commenced their use before much decided improvement was manifested. My recovery then was very rapid. My weight from dropsical swelling was then 132 lbs., and is now reduced to 107, about my normal weight. Analysis showed 90 per cent. albumen with a quantity of tube casts, and is now reduced to 10 per cent. I am so far recovered as to be able to attend my domestic duties, taking moderately long walks and visit friends as formerly. 'Warner's Safe Nerve' has so far corrected the action of my heart that the severe pain in my head has entirely left.
