DR. LE SAGE'S specific for secret maladies, or Gonorrhoea Eradicator.—The above remedy for the most distressing disease incident to the human race, originated from the enlightened mind of the eminent Le Sage, the promulgator and success of which throughout the kingdoms of France and Italy, has, of late years, added such high honor to the highly honored name of the inventor. This composition unites safety with efficacy. And the disease, whether in the form of Gonorrhoea or Gleet, is eradicated by the use of it, with certainty and success, and the sufferer is restored to his usual health without delay or inconvenience. Tens of thousands of Parisians will accede to the truth of these remarks, and it is confidently offered to those afflicted as the best and surest remedy for the above mentioned loathsome disorder. Of all the reputed specifics for this affection which for years past have deluged the continent of Europe, Le Sage's medicine alone has been esteemed worthy of general confidence, and has been, and is, eagerly sought after by all who are anxious to be cured without the sacrifice of property. The secret has hitherto been confined to France and Italy. It is particularly recommended to sea-faring men as containing no portion of mercury, whereby so many have been disabled from service on board ships.

A NODYNE LINIMENT.—Owing to the numerous imitations of this medicine that are in circulation, the genuine will hereafter be signed on the outside of the bottle by "Nathaniel Howard," the Proprietor, in his own hand writing.
This Liniment has been used for upwards of 20 years, and proved to have been an effectual remedy in a multitude of painful affections, such as Chronic Rheumatism, Sprains, Bruises, Cramps, stiffness of the Joint, sore Throats, &c. It has given perfect satisfaction to all those who have used it, and needs only to be tried to be universally esteemed.
Directions.—After shaking the bottle, rub it faithfully on the part affected for fifteen minutes, three times a day and apply flannel.
Sold at the Circulating Library, by A. R. TRURO, Agent. 11th sept.

Moffat's
VEGETABLE LIFE PILLS
AND
PHENIX BITTERS.
WHO WANTS BETTER EVIDENCE?—I would refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHENIX BITTERS!—
Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases in acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two or three days.
In case of Fever of every description, and all bilious affections, it is unnecessary for me to say, as I believe the Life Medicines are now universally admitted to be the most speedy and effectual cure extant in all diseases of that class.
The Life Medicines are also a most excellent relief in affections of the liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.
In affections of the head, whether accompanied with pain and giddiness, or marked by the grievous calamity of impaired mental energy; palpitations of the heart, flatulency, loss of appetite and strength, and the multiplied symptoms of disordered digestion, the Life Medicines will be found to possess the most salutary efficacy.
Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of the Life Medicines. Old coughs, asthma, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the chalybeate fluid will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.
Nervous disorders of every kind, and from whatever cause arising, by the effects of the Life Medicines, and all that train of sinkings, anxieties, and tremors which so dreadfully effect the weak, the sedentary, and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.
For weakness deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this medicine is a safe, certain, and invaluable remedy.
Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take the Life Medicines with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article of health and life.
The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefited:
Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced quick relief from the use of Life Medicines, and in less than three months was entirely cured. [Case reported, with a wood engraving in a new pamphlet now in press.]
Case of Thos. Parcell, sen'r, 84 years of age—was afflicted 18 years with swellings in his legs—was entirely cured by taking 42 pills in 3 weeks.
Case of Joan Daulton, Aberdeen, Ohio—rheumatism five years—is entirely cured—has used the Life Medicines for Worms in children and found them a sovereign remedy.
Case of Adon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.
Case of Adon Adams—Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been continued seven years—was raised from her bed by taking one box of pills and a bottle of bitters; a most extraordinary cure; she is now a very healthy and robust woman; attested by her husband Shubel Adams.
Case of Mrs. Badger, wife of Joseph Badger; nearly similar to above; result the same.
Case of Susan Goodarnt, a young unmarried woman; subject to ill health several years; a small course of the Life Medicines entirely restored her; is now hale and healthy.
Case of Miss Thomas, daughter of Eli Thomas; cough and symptoms of consumption; cured in four weeks. Her sister cured of a severe attack of inflammatory rheumatism in one week!
Case of Benjamin J. Tucker; severe case of Fever and Ague; cured in a very short space of time. Directions followed strictly.
Case of Harriet Twogood, Salsina, N. Y. was in very low state of health a year and a half; did not expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.
Case of Amos Davis; Affection of the Liver; after trying doctor's remedies in vain for a long time was cured by the Life Medicines without trouble.
Extraordinary case of Lyman Pratt, who was afflicted with Phtisis 20 years; effected a perfect cure in 24 hours by the use of the Life Medicines.
Thousands of persons afflicted in like manner have, by a judicious use of Moffat's Life Pills and Phenix Bitters, been restored to the enjoyment of all the comforts of life. The Bitters are pleasant to the taste and smell, gently astringe the fibres of the stomach, and give that proper tension which a good digestion requires as nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastings, loss of appetite, indigestion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs, shortness of breath, or consumptive habits.
The Life Medicines possess wonderful efficacy in all nervous disorders, fits, headaches, weaknesses, heaviness and lowness of spirits, dimness of sight, confused thoughts, wandering of the mind, vapours and melancholy, and all kinds of hysterical complaints are gradually removed by their use. In sickness of the stomach, flatulencies, or obstructions, they are safe and powerful, and as a purifier of the blood they have not their equal in the world.
For additional particulars of the above medicines see Moffat's "Good Samaritan," a copy of which accompanies the medicine; a copy can always be obtained of the different Agents who have the medicine for sale.
French, German, and Spanish directions can be obtained on application at the office, 375 Broadway.
All post paid letters will receive immediate attention.
Prepared and sold by William B. Moffat, 375 Broadway, New York. A liberal deduction made to those who purchase to sell again.
Agents: the Life Medicines may also be had of any of the principal druggists in every town throughout the United States and the Canadas. Ask for Moffat's Life Pills and Phenix Bitters; and be sure that a fac simile of John Moffat's signature is upon the label of each bottle of Bitters or box of Pills.

These valuable medicines are for sale at the Circulating Library, in this city and also at Messrs. Peters and Tilley's, No. 4 King street.
