

REMEMBER

That the only Liberal who ever did anything for St. John says that the G. T. P. **WILL ROB THIS PORT** of traffic, will **RUIN THE I. C. R.** and will **MAKE PORTLAND RICH.**

That since Mr. Blair left them the government have done **NOTHING FOR ST. JOHN.**

That Mr. Blair is **FIGHTING FOR THE GOOD OF THIS CITY** now as he fought for it then.

That there is **NOTHING TO BIND THE GRAND TRUNK PACIFIC** to bring its traffic to St. John.

That President Hays says **WE WON'T GET ANY OF THE TRAFFIC** unless we provide facilities.

That, since he knows **WE CAN'T AFFORD TO SPEND** more millions to build wharves for a company, this proves **HIS INTENTION OF DEFRAUDING ST. JOHN** upon this excuse and others.

That the Conservative policy provides not only for a trans-continental railways that, because it will belong to the Canadian people, **ABSOLUTELY GUARANTEES ALL ITS TRAFFIC FOR CANADIAN PORTS** but also **PROVIDES FOR THE BUILDING OF FACILITIES AT THE EXPENSE OF THE NATION.**

That you vote against St. John unless you

SIXTY PER CENT REMAIN WEST

But Some Harvesters Returning East Will Come by American Lines.

(Winnipeg Telegram.)

The Canadian railways are doing a big business returning farm laborers to the east, and in order to get a share in this business the Northern Pacific in connection with the other American lines have made an arrangement whereby farm laborers who hold properly certified certificates will be carried back to their starting point in Ontario or Quebec, Montreal and west, at the \$18.00 rate. This is the first occasion on which the American roads have exhibited any great anxiety to secure a share of this traffic, but notwithstanding the very low rate they have decided there is money in the business and Canadian Northern and Northern Pacific agents have instructions to return those who may desire via St. Paul and Chicago.

From information compiled by the railways, it is shown that 60 per cent of the farm laborers remain in the Canadian West, and as it is estimated that 12,000 came from the west this year, about 4,800 of these will return, making a very profitable business for the different lines handling them. In order to take advantage of the rate they must all return before November 30, as the low round trip Christmas excursions commence on December 1. This is not an attempt on the part of the American roads to create a rate war, but simply to participate in a profitable end of the Canadian excursion business, and as all returning laborers have to present bona-fide farm laborers' certificates obtained when tickets were purchased in the west, the different roads are fully protected.

THE BRIDE OF DEATH.

She Went Out to Be Married and Was Killed.

New York, Oct. 23.—Rose Godz left her home in Yonkers, today in her bridal dress, accompanied by Andrew Borie, whom she was to marry in the afternoon and John Tobaccar, who was to act as best man. A few hours later she was found unconscious at the foot of the wall in Jerome Park reservoir, and tonight she is lying in Fordham hospital. Borie and Tobaccar are under arrest and conflicting stories as to how the woman came to fall.

The police have found witness who saw her and the two men on top of the wall not long before she was discovered, unconscious on the rocks 25 feet below. She was found to have a fractured skull and a number of bruises about the face and body.

BANQUET FOR HON. A. G. BLAIR

After the Election he Will Be Honored by a Big Demonstration in Montreal.

Montreal, Oct. 23.—After the election a splendid banquet will be given Hon. Mr. Blair in the Windsor Hotel here, in recognition of his great public services and his efforts to save the country from the disastrous effects of the government's G. T. P. policy. The banquet, which will be held on or about November 26, will be the most magnificent function of the kind ever held in Canada.

It will be given primarily by the business men of Montreal, but will take the form generally of a great public tribute to Mr. Blair for his stand in the public behalf against the un-Canadian and impracticable railroad deal which has been made in the interests of the Grand Trunk Pacific backers.

Neither pains nor expense will be considered. The idea has already met with the most enthusiastic reception, and there can be no doubt the occasion will be a most memorable one. It will reflect the spontaneous recognition throughout Canada of Mr. Blair's fight in defence of the rights of the taxpayers of this country, and in protesting against the forcing through of a scheme inimical to every Canadian interest.

A special train will carry New Brunswick guests to the banquet to and from Montreal. The function will be given irrespective of the outcome of the contest on November 3.

Daily there come in increasing numbers from every section of the country, acknowledgements of the public service already done by the ex-minister of railways in seeking to defeat the completion of a contract made in the name of the people of Canada, but to which they have never given their consent and to which the majority of them are opposed.

From all sides comes demands for Hon. Mr. Blair to speak. He has requests from all sections to take the platform against the rash and un-businesslike railway policy of the government, and that he be heard on the public platform as often and in as many parts of the country as can be in the short time at his disposal, raising his voice in strong protest against the unpopular G. T. P. policy of the Laurier government.

DR. MONTAGUE

DECLINES.

London, Oct. 23.—At a conservative rally tonight, Hon. Dr. Montague, who had received the unanimous nomination to contest London against Hon. C. S. Hyman withdrew his candidature owing to pressure of business and private ties. William Gray, president of the London conservative association has been unanimously nominated and has accepted the nomination.

MR. LEMIEUX'S

MOVEMENTS.

Piquissou, Oct. 24.—(Special.)—Hon. Rodolphe Lemieux, solicitor general, arrived here Saturday and left immediately for Perce-Gaspe Co. where he will attend the nomination proceedings on Monday. He will return immediately to be present on Thursday at the Nomination of Nicolet.

IN ALBERT COUNTY.

Moncton, Oct. 24.—Mr. Fowler has addressed several meetings in Albert county of late, and the feeling there is such that the conservatives look for a substantial majority in the Albert county end of the constituency. In Hillsboro, where Dr. Lewis had many personal friends among the conservatives and got a majority, there will be a marked change. It is said every business man in the place, with the exception of Mr. Osman, is on the conservative side.

OPPOSITION TO G. T. P.

G. W. Ganong, the Charlotte county conservative candidate, who has been on a stumping tour, is in the city. Mr. Ganong, interviewed by a Telegraph representative as to Hon. A. G. Blair's resignation said that it will have a material effect not only in New Brunswick, but throughout the dominion generally as Mr. Blair, with his experience on the railway commission, has had a greater opportunity to inform himself as regards transcontinental than he ever had before. He has come in contact with other railway companies and is in a position to have more force than ever.

"Everywhere I went, I found a decided opposition to the G. T. P. scheme. In Kings county I drove thirty miles, and addressed meetings. I met many old-time liberals who were out and in opposition to the G. T. P. scheme. I addressed meetings at Hatfield's Corner and Collin's Corner. Notwithstanding the inclement weather the halls were crowded to the utmost capacity. The endorsement of the conservative policy in opposing the transcontinental railway scheme was most emphatic."

MR. BORDEN IN THE WEST END.

Conservative Leader Was the Centre of a Remarkable Demonstration on Saturday Night.

Well might R. L. Borden, the conservative leader, be proud of the reception tendered him by the people of St. John, on Saturday night, when red fire, bands of music, and cheers from thousands of throats, welcomed him to the city. It was certainly a most imposing scene, our one calculated to remain in the memory of the people.

Near Market Square there was a waving mass of humanity, enthusiasm ran to its highest pitch, and the swelling throng, swayed to and fro in eagerness to get a glimpse at the honored guest of the evening. Cheer after cheer pealed forth and were repeated from every side. Borden—Borden! was the cry.

The parade rapidly swelled in proportions. The pipers and brass band of the boys' brigade fell into line. From the route along Water Street, rockets were soaring, flags were flying and the excitement was intense. Individuals vied with one another to secure a look at Mr. Borden who returned the salutes and plaudits of the multitude with graceful bows and pleasing smiles.

Young men drew Mr. Borden's barouche from the City Hall Square on the west side to King Square in the city and old and young helped swell the procession.

At Breezes corner, Mr. Borden in reply to repeated calls removed his hat and for the second time Saturday night expressed his views on the political situation of the day. He was accompanied in the barouche by W. H. Thorpe, Dr. Daniel M. P., and J. D. Hazen, M. P. P., Mr. Hazen also spoke briefly.

Long before the hour for the opening of the meeting in the city hall at Carleton every available seat in the building was occupied, people coming from long distances, and notwithstanding that Mr. Borden did not arrive until 9 o'clock, all waited patiently in anticipation of the rich treat which they knew was in store for them; and their expectations were fully realized.

The meeting was under the auspices of the R. L. Borden club. President Beverly R. Armstrong was in the chair. The first speakers were E. B. Ross and Milton Price, members of the club, and besides the guest of the evening the other speakers were J. B. M. Baxter, Ald. Maxwell, and Dr. Daniel. The local speakers dealt with the G. T. P. bill the tariff question, the prohibition plebiscite and other matters.

Mr. Baxter criticized the liberal meeting held in the same hall the previous night. Senator Ellis had attempted to deal with a paragraph that appeared in his paper a year ago. He thought the true explanation of that paragraph was that the long was against the G. T. P. as Alderman Maxwell was in the cabinet.

Alderman Maxwell was concluding his address when Mr. Borden arrived accompanied by Mr. Thorne, Mr. Hazen and Dr. Daniel. The party was escorted to the platform by Norman P. McLeod. The audience arose and cheered, the band played "The Maple Leaf Forever," and the alderman was obliged to postpone his remarks until the reception had ended.

Mr. Armstrong in introducing Mr. Borden tendered to him the honorary presidency of the club. Mr. Borden said he felt signally honored in knowing that so representative a body of young men had formed a club named in his honor. He would take a keen personal interest in its welfare. He thought young men's political societies were an excellent thing for the country.

Proceeding the speaker dealt with the broken pledges, and unfulfilled promises of the liberal party since it came into power in 1896. He assailed the G. T. P. scheme. He could see no reason why the people, if their money constructed, the bulk of the proposed line, should not own and operate the line in its entirety. Why should the people supply three-fourths of the capital, and permit the road to be handed over to a corporation? Why should not the people own and operate the western section, which Chief Justice Sifton, a man well qualified to express an opinion would be a better business proposition than the western section of the C. P. R.? If Laurier was opposed to government ownership, why were millions spent in improving the I. C. R., and why did the government spend \$500,000 in purchasing the Canada Eastern a short time ago. When speaking in Sorel, Sept. 29, Laurier said the cost of the eastern section of the G. T. P. would be \$50,000,000. Twelve days later at Hamilton he said the cost of the section would be \$71,000,000 to \$72,000,000.

In conclusion Mr. Borden said victory was in the air. He felt the Laurier administration was tottering. Mr. Daniel also spoke briefly, referring particularly to the dismissal of Lord Dunsford.

About 10.30 o'clock the meeting concluded with cheers for the king, the leader, the candidates and the Borden Club.

In the square the parade formed up

and marched direct to the floats. When the leading band, the Carleton Cornet, was at the ferry gates the end of the column was still around in Union street. After the meeting on King Square Mr. Borden was escorted to the residence of W. H. Thorne, Mecklenburg street. He spent yesterday in the city and left today for Halifax.

The R. L. Borden club under whose auspices the demonstration was gotten up, are to be congratulated on its unqualified success.

ORGANIZATION EFFECTED.

Andover, Oct. 24.—At a conservative caucus held at Andover, J. A. Perley was elected president of the county organization and E. H. Elliot secretary. The meeting also appointed men in each polling district to call meetings and organize each place. Fred La Forest is to organize Madawaska.

UNCROWNED TYRANTS.

(Montreal Gazette.)

Philip Weinsheimer, like Sam Parks, has been found guilty by New York jury of using his power as a union labor leader to extort money from employers. He would threaten a strike or call off a strike as it was made to his interest. He is alleged to have accumulated in a few years over \$60,000 on a salary of about \$1,300 a year. Evidently his position was a profitable one. It was made so, partly at the expense of the employer and partly at that of the worker. The former lost through the blackmail he had to pay in order that he might carry on his business, and the latter from the frequent strikes he was ordered out on, in order that the employer might understand that Weinsheimer and his kind had the power to do what they threatened. The situation is a curious one. It shows that there are other and worse tyrants than those who go about wearing crowns.

VERY UNKIND.

At a recent public meeting at Gody's, Queens Co., J. T. Hawke, proprietor of the Moncton Transcript, was one of the speakers. The Transcript the following day disposed of the other speakers with a passing reference, but the remarks of the editor occupied a third of a column in which reference was made to his powerful speech and his thrilling advocacy of the G. T. P. and how he was congratulated. No doubt the Transcript city editor received a severe reprimand from Mr. Hawke for publishing the report.
