

ALL JAPS MUST BE EXPELLED

OFF THE CONTINENT ONCE AND ALL.

Novoe Vremya's Call--Pope it is Said Has Consented to Strive for Peace-- A Russian General's Farewell to His Troops.

St. Petersburg, Oct. 8.--Replying to the statement of Count Okuma, leader of the Japanese progressive party that the war with Russia would be long, but that the Japanese would win in the end, the Novoe Vremya declares this morning that the idea of a possible compromise with Japan has been abandoned and that the war must be prosecuted by Russia in such a way that there can be no possibility of Japan renewing the struggle. Europe for thirty years was under the menace of revenge for Alsace. If we conclude peace with Japan, all our efforts in the Far East will be valueless and we shall have to spend enormous sums to keep up our armament there. The Japanese once and for all must be driven off the Asiatic continent.

It is now accepted here that the reported naval fight off Port Arthur was purely imaginative. The naval experts of the newspapers dwell on the difficulties which the Port Arthur squadron has experienced in breaking out after the disastrous sortie of August 10. The general opinion is that the squadron could not venture out unless something had happened to the Japanese warship of which there is no knowledge here. In any case the ships could not go to the port of Ok Foo, but must head for Vladivostok.

FOUND DYING ON NEW YORK STREET. Police Find Wounded Man Shot by Robber Comrades.

his left flank to meet the Japanese turning movement, his troops occupying a triangle, from Fushan to Mukden and Tie Pass. Over 300 guns have arrived at the front and the activity of the Russian skirmishers below the Hun river creates the impression that Kurapatkin may contemplate assuming the offensive, but the war office gives no encouragement of this idea, though, naturally if such a move is contemplated, the war office could not be expected to admit it.

New York, Oct. 8.--The Russian agent accredited to the Vatican, Mr. Nariskino, has been in frequent conference recently with the cardinal secretary of state, says a World despatch from Rome. It is said the conference have been on how to lend the war in the Far East. It is asserted that the Pope consented to act in the interest of peace at the solicitation of the German emperor, who, being informed by his principal advisers that it would be improper for Germany to undertake this task, urged the Pope to tender his good offices.

So far the Vatican has confined itself to negotiating with Russia, but it is said that if Russia consents to the head of the Catholic church making the first proposal of peace, the Vatican will open direct negotiations with Japan. The fact is much commented on that the Pope, the only "sovereign" excluded from the peace congress at "The Hague" has been now selected to make proposals of peace to the promoter of "The Hague Tribunal."

Wept at General's Farewell Words. Kharkoff, Russia, Oct. 8.--A touching scene was witnessed here when General Dragomiroff, former governor general of Kiev, bade farewell today to the famous Fourteenth Division, which he led across the Danube at the time of the Russo-Turkish war. The old veteran was so moved that he could hardly speak. Finally he gave an order for the division to form around him in a hollow square and address the troops.

The general's words were frequently interrupted by the sobs of the troops and the vast crowd of people present also went.

ALL PLEASED.

Meeting on the Train Passes Resolutions of Appreciation of C. P. R. Courtesy and Attention, With Good Words for Conductor Lefebvre and Others.

The gentlemen who went up to the banquet given by David Russell to Hon. Dr. Pugsley, at Caledonia Springs, returned to the city by special train at 11.15 today, and are unanimous in declaring that the function was the most successful of its kind ever held in Canada. Everything connected with the banquet was superbly arranged and carried out with a skill and completeness that could not be surpassed. On the train at McAdam, Oct. 8.--The guests of David Russell on their return from Caledonia Springs, met in a body as far as possible to do so in one of the cars, and James Kennedy was appointed chairman and Mr. John A. Sinclair secretary. The following resolution was moved by Stephen S. deForest and seconded by A. B. Copp, M. P. P.

Resolved that in acknowledgement of the care of the officers of the Canadian Pacific Railway Company, given to us throughout this entire trip we have much pleasure in testifying that the utmost attention has been continuously extended to us, our safety unremittently looked after and every want anticipated and to the fullest extent provided. The attention given the guests in the dining cars has been of the highest class and the provision made for them in that department has given them the best satisfaction. For all of which we give to those officers our thanks and assure them of our appreciation of what they have done."

This resolution was unanimously carried with the warmest demonstration of applause and addresses were then made by Stephen S. deForest, Mr. Copp, Colonel Tucker, George Robertson, M. P. P., W. H. Trueman, S. Silas Alward, A. O. Skinner and Ald. T. H. Bullock.

The salient points in the excursion were touched upon and referred to in terms which showed high appreciation of all that had occurred during the visit to the Caledonia Springs. It was then further resolved "That the guests extend their thanks to the C. P. R. for the very great facilities and accommodation and also for the provisions guaranteeing their safety that had by the company been given and secured to them during this memorable pleasant and highly satisfactory visit to Caledonia Springs in attendance at the great banquet given by David Russell to his guests in honor of Mr. Pugsley."
