THE BOOM IN SUGAR.

Willet & Gray Predict a Continued Advance in Prices.

Sugar still continues to increase in price, and the following is an extract taken from Willett and Gray's Sugar Trade Journal Nov. 21st.,

'Cuba has now disposed of some

130.000 tons of early product, and has still some 200,000 tons to sell. It is only natural to expect that the planters will sell under the European parity, Europe having advanced so pidly to 14S. 6D., say equal to 5.12C., for centrifugals. Our private cables say that profit taking sales may check the rise for the moment, The proposal process of the second process o
