Immediately after the adjournment of council, the Mayor fivited the councillors, town officials and newspaper men to partake of a supper at the Royal Cafe, where Mr. Mohahade and the works at the office of the second cousin, you might be just a trifle considerate, where the firm the work at the order of the side of the second cousin, you may be a supper a supper a supper and the supper and the firm the firm the firm the firm the firm the works at the orde

doubt felt the drain of the westward movement, since very many farmers have gone during the past few years from that province to Manitoba and the territories. The number attractthe territories. The number attracted from Ontario has been much larger than the number from the maritime provinces, but the remarks made by tucky is of feud days and full of virus. blee, Burtt and Galagher announced the speaker above quoted are worthy of attention in these provinces as well as in Ontario. There is no doubt about the growth and the splendid promise of the west, but the farmer who is in comfortable ctraumstances in New Brunswick or either of the other eastern provinces has no cause to envy the farmer of the prairies. He has many advantages such as are not enjoyed by the man in the west. To the man in the old country, who has no large opportunities, the west appeals with great force, and it has, no doubt, a degree of fascination for us all. During the past year a number of New Brunswick for his might be readed to seek the scalp of his grand-trinketh much mean whiskey.
