

THANKSGIVING WEEK AT THE WORLD'S FAIR.

Carnival of College Sports to Continue Through Six Days, and Schools and Universities Will Give Students Vacation That Another Visit to Exposition May be Made.

St. Louis, Nov. 17.—Thanksgiving week at the World's Fair will be rounded off with a visit from President Roosevelt, Vice-President elect Fairbanks and members of the cabinet on Saturday, November 26.

More than a score of colleges and universities have accepted invitations to participate in the exercises planned for the six days and the season will be enlivened by many social functions, athletic events and special ceremonies.

On Thanksgiving day, Thursday, November 24, all business will be suspended in St. Louis and the populace will join in the exercises at the World's Fair.

For the six days of Thanksgiving week there will be a relaxation from study and an opportunity given to students and teachers to pay a final visit to the Exposition. The period will be one exceptionally favorable for an educational rally and carnival of college sports and amusements, such as is planned.

Inaugurating the series of football contests, a game traditionally associated with Thanksgiving festivities, will be a gridiron battle between the McKendree and St. Louis Universities teams on Monday, November 21.

Information has been received that the Chicago Board of Education has given permission for all teachers in the city schools to attend the Exposition during Thanksgiving week, and the committee on arrangements has provided special programmes for their entertainment.

President Hartzog of the Arkansas State University has given leave of absence to all students who desire to attend the World's Fair Thanksgiving week and with Mrs. Hartzog he will pay a second visit to the Exposition.

Among other schools to be represented are Oberlin College, Oberlin, O.; Purdue University, Lafayette, Ind.; Vanderbilt University, Nashville, Tenn.; Washburn College, Topeka, Kan.; University of Notre Dame, Ind.; University of Missouri, Columbia; Kansas University, Lawrence; and University of the South at Nashville, Tenn.

Col. A. M. Jackson, president of the Western Military Academy at Upper Alton, Ill., has written to Charles M. Reeves, chief of the department of Domestic Exploitation, that a corps of cadets from that institution will attend the Exposition in a body on Tuesday, November 22.

They have been invited to give an exhibition drill on the Plaza of St. Louis. Shurtleff College will also send a delegation from the same city.

President Smith of the Illinois Wesleyan University, in an enthusiastic friend of the Exposition and he has assured the World's Fair management that there will be a good percentage of his 800 students present during Thanksgiving week.

Concordia college at Springfield, Knox college at Galesburg, and the university of Illinois at Urbana will be among the other Illinois schools represented. Butler college at Indianapolis, Ind., and Central university at Danville, Ky., have accepted invitations.

From Drury college at Springfield, Mo., and DePauw university at Greencastle, Ind., bodies of students accompanied by their teachers, will come to spend Thanksgiving among the sights and scenes at the World's Fair.

Many women are denied the happiness of children through derangement of the generative organs. Mrs. Beyer advises women to use Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I suffered with stomach complaint for years. I got so bad that I could not carry my children but five months, then would have a miscarriage. The last time I became pregnant, my husband got me to take Lydia E. Pinkham's Vegetable Compound. After taking the first bottle I was relieved of the sickness of stomach, and began to feel better in every way. I continued its use and was enabled to carry my baby to maturity. I now have a nice baby girl, and can work better than I ever could before. I am like a new woman."—MRS. FRANK BEYER, 22 S. Second St., Meriden, Conn.

Another case which proves that no other medicine in the world accomplishes the same results as Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I was married for five years and gave birth to two premature children. After that I took Lydia E. Pinkham's Vegetable Compound, and it changed me from a weak, nervous woman to a strong, happy and healthy wife within seven months. Within two years a lovely little girl was born, who is the pride and joy of my household. If every woman who is cured feels as grateful and happy as I do, you must have a host of friends, for every day I bless you for the light, health and happiness Lydia E. Pinkham's Vegetable Compound has brought to my home. Sincerely yours, Mrs. M. P. WHARRY, Flat 31, The Norman, Milwaukee, Wis."

Actual sterility in woman is very rare. If any woman thinks she is sterile let her write to Mrs. Pinkham at Lynn, Mass., whose advice is given free to all would-be and expectant mothers.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Med. Co., Lynn, Mass.

THE REV. FR. LEE OF BRISBANE Says Australia is Suffering From Drought—He Endorses Government Ownership.

Returning from a visit to Pope Pius at Rome, the Rev. Father Lee of Brisbane, Queensland, passed through Winnipeg en route for the Antipodes. Seen last week by a reporter for The Telegram, Father Lee spoke somewhat pessimistically of Australia.

"The country to-day," said he, "is in rather a bad condition and has suffered much from a five years' drought which dried up the land so that it was not possible to grow anything. The long period of drought broke this summer, but it is only too likely that a worse season than ever may be experienced next year."

Immigration Poor. "Then, again, immigration has been very poor during the past few years so that the government was even forced to bring over hundreds of natives of the South Sea islands. The result has been, but better suited as they are to the exclusively hot climate, they have taken work from many whites, and now the Government has been forced to abandon importation of foreign labor and a bill has been even passed by which all those in the country will be deported."

"Why are not immigrants attracted to Australia?" asked the reporter. "I believe the reason is that the general class of immigrants has not much money and as Canada and the states can be reached for less than a quarter of the sum that it takes to go to Australia, they choose these countries. Some years ago, before people knew what opportunities there were in Canada, migration to Australia and New Zealand, was large, but now it is practically nothing."

Government Ownership. Speaking of the Government own-

ship of railways, Father Lee said:—"The fact that the Government of Australia own and operates the railways has proved a great benefit to the island continent. The public thus controls the rates, and this in a new country aids very materially in its welfare. The Government opens up great tracts of country that private corporations would not touch because it would be many years before there would be any financial surplus. But the Government thus owning all the roads can afford to do that, and the gains of a paying line go toward making up the deficits of newer roads."

"Not If It Cost Ten Dollars. A bottle would I be without Polson's Nerviline, writes J. A. Ruth, a farmer living near Trenton, Ont. Nerviline is the best household liniment I know. We use it for stomach, troubles, indigestion, headache and summer complaint. I know of nothing better to take in hot water to break up a cold, or to rub on for rheumatism or neuralgia." Every farmer should keep a few bottles of Nerviline handy and have smaller doctor bills. Large bottles 25c. at druggists.

FERTILE CUBA. The soil of Cuba is extremely fruitful. Cabbages there are so large that heads weighing 20 pounds each are common. All vegetables do well. Radishes may be eaten from fourteen to eighteen days after sowing, lettuce in five weeks after sowing, while corn produces three crops per year. Sweet potatoes grow all the year.
