THE BANQUET TO W. DR. PUGSLEY.

(Continued from page five.)

hear). We all recognize what the east had done for the development and progress of Canada, and when he came to the banquet he felt as he had done for the last five or ten years ed and said:- It may be, but I can- the charge of arson.

When Mr. Blair found Mr. Pugsley when Mr. Blair found Mr. Pugsley he found the greatest pearl and the most brilliant diamond he would ever possess in his life. They had heard of Mr. Pugsley, they had heard the rumblings of his intellect, they had heard the rumblings of his intellect. known him at the forum, and at the ed yet for the new branch. thanked God that the east had sent Next Sunday, the Queen Square A. F. Law and L. Currie.
David Russell into their midst. Those Methodist Sunday school, will celeand ability. (renewed cheers).

The public of Montreal were ready follow Mr. Russell in any great to follow Mr. Russen in the great the horizontal last hight in department and A. G. Boyne, chair the beganning of the days to the department and A. G. Boyne, chair and gigantic scheme he might launch, for they knew that anything he undertook he would carry forward to success. It was men of his greatsness, breadth of thought and quickness of intellect that were required in this country. We had a great ountry to develop, but the Domin-ountry to develop but the Domin-ountry the Domin-ountry the Domin-ountry would control the substance ing the evening. North American Continent. We could do it if we raised men like Story house, on the corner of Ludlow young ladies' league.

David Russell. (loud Cheers).

MR. RUSSELL'S REPLY.

are aware, is nothing if not ainal but, when he rose to reply, audience was scarcely prepared the surprise which he sprang them. It was nothing less than speech spoken through a phono-aph, direct, witty, incisive; just to kind of a speech that might be a ticipated from a man of business. ddressing men of business. ford could be distinctly heard to the Ceature of that unique speech was the fact that the applause, hard to restrain, had to be reser termination of the remarks. ing the past ten years the children that applause to die out.

Mr. Russell said that it had never over a habit of his to make long speeches. However, he was pleased to make an exception on that occasion and had decided to allow his riends the privilege of hearing his naiden effort. It afforded him the createst pleasure to have the privilege of entertaining so many of his friends that evening. And he could assure them that it was a memorable went for himself. He knew that they were evil minded enough to think hat Dave couldn't make a speech, and the could have come to occupy a peculiar place in the American household. They are no longer merely pets, creatures to be loved and taught, but also the medium for innumerable experiments in child training. So general has this mania become that "advance mothers" who, a few years ago, were only found in such centres of thought as Boston, are now known even to remote villages. Large numbers of American household. They are no longer merely pets, creatures to give Stuart's Dyspepsia Tablets a trial were surprised and delighted at the results. In many cases a single package costing but 50 cents at any drug store made a complete cure and in every instance the most beneficial results were reported. From a hundron on that complete cure and in every instance the most beneficial results were reported. From a hundron of the results of the results. In many cases a single package costing but 50 cents at any drug store made a complete cure and in every instance the most beneficial results were reported. From a hundron of the results of the results of the results. In many cases a single package costing but 50 cents at the results. In many cases a single package costing but 50 cents at the results. In many cases a single package costing but 50 cents at the results. In many cases a single package costing but 50 cents at the results. In many cases a single package costing but 50 cents at the results. In many cases a single package costing but 50 cents at the results at the results at the pere evil minded enough to think hat Dave couldn't make a speech, and if they thought so they thought ight. With their kind permission he would tell a short, true story of what happened to a friend and himself a few days previously, while travelling over the Canadian Pacific Railway from Ottawa to Montreal, and which would show how the C.

P. R. believed in training their men recome their prekesmen up to carry their prekesmen up to carry their hyghesmen up to carry their prekesmen up to carry their hyghesmen up to carry the carry that the old boundaries separating the carry that the old boundaries ind which would show how the C. It is truths are 'imaginative'; those who have also had the same benefits. From Jacob Anthony, Portmurray, or play to books, or show any strong properties the train came to a standstill. They were sitting on a camp stool smoking, when they saw the brakesman, shouting: "Eagle, Eagle" J. N. said, "I would like to get that for a lady friend of mine." Mr. Russell ran after the man, and the bird was sold to him for five dollars. J. N. told how eagles lived, and said the bird had come not less than six hundred miles. Mr. Russell said he thought J. N. knew all about eagles, and only after making a bet of fifty dollars for the decirers have sat at the feet of lars and having the bird mounted did he discover that it was a young chicken hawk. He took great pleasure in presenting J. N. with the bird, and claimed that he owed fifty dollars for the lectures he gave on the content of the lart and claimed that he owed fifty dollars for the lectures he gave on the content of the lectures he gave on the lectures he gave on the content of the lectures he gave on the content of the lectures he gave on the latter has been taking the latter has been the latter has been taking the latter has

chicken hawk. He took great pleasure in presenting J. N. with the bird, and claimed that he owed fifty dollars for the lectures he gave on pageles, knowing all about them. He wished the company all the good things that they could deserve, and above all good health, which they could only obtain and maintain by using Lake of the Woods flour, and taking Caledonia Water.

The American father has but little to say in the education of his children. "He disappears early in the morning, before the child is up or out of the nursery. He returns at night when the child is in bed. There is a time-worn American joke about the child who asked, 'Mamma, who is that man who stops with us on Sunday?'"

The bird mentioned by Mr. Russell in his speech, handsomely mounted, was then presented to Mr. Greenshields., who merely said "I admit the American girl of Mr. Henry Arthur Jones, whose only relationship on stomach and similar disorders. the corn; I have nothing more to lay."

Mr. Blair, is rising to propose the singing of the national across the Atlantic.

These generally took the form of charges are the corn.

The Brotherhood of St. Andrew, held a local assembly meeting, in Trinity church school-room, last evening. The Canadian general secretary F. W. Thomas of Toronto, gave an interesting address on the other had been a lack of the school of the gave an interesting address on the of \$4.69 as there had been a lack of brotherhood's work in Canada. The interest in the past, it was thought the evening. (hear, hear). When he spoke of Mr. Russell he spoke of Mr. Russell he spoke of a man of broad ideas, a man born to rule his fellow men, a man of breadth and scope, who saw the situation and dealt with it at the moment. This was the class of men we required to was the class of men we required to develop this country. It was not the and was taken to Dorchester this line of the present executive com-

ed and said:—"It may be, but I can not succeed." It was not the man who, possessed of money, would inwortgages, that we needed to develop this country (applause) What we required was the man of progress, the man who was willing to risk his the man who was willing to risk his all in opening up this dominion of ours. If the men who had built the ours. If the men who had built the country (applause) who put the country (applause) what we required was the man of progress, the man who was willing to risk his all in opening up this dominion of ours. If the men who had built the country (applause) who put the country (applause) where and cut his leg, after his leg was dressed he was taken the man who had built the country (applause) where and cut his leg, after his leg was dressed he was taken the man who had built the country (applause) where and cut his leg, after his leg was dressed he was taken the man who had built the country (applause) where a better the man who was willing to risk his all in opening up this dominion of ours. If the men who had built the country (applause) what we needed to develop the required was the man of progress, the ran into a hydrant near the Custom House and cut his leg, after his leg was dressed he was taken the man who had built the ourse. He will probably be iaid up for a week. ours. If the men who had built the Canadian Pacific Railway, who put their all into it, and opened up the north west, the pride of this country and Europe, had not been men try and Europe, had not been men of the character of David Russell, the up for a week.

APPENDICITIS.

Tally established, nothing will remedy but the cold knife. It has once been thought that this inflammation was caused by seeds or foreign bodies entering the appendix, but this theory

bodies entering the appendix, but this theory is long exploded.

The true cause of appendicitis is sluggishness of the bowels, constipation and the gases which are formed in consequence produce germs known to the scientific physician as the Bacilli Colli Commensis. Now to avoid this formation of gas germs, constipation and the resulting inflammation, take Smith's Pineapple and Butternut Pills, which have been tested in all the various diseases of the stomach, bowels and liver, and found to be the greatest and best preventative remedy known.

You may be very sick at night; Smith's Pineapple and Butternut Pills make you well in the morning. They will quickly and permanently cure.
