ST. JOHN TEAMS PLAY ON STRANGE ICE TONIGHT.

Mohawks to Play at Moncton While the Neptunes Meet the Trojans at Fredericton in the N. B. Senior Hockey League --- General Sporting News.

HOCKEY.

Tonight's Game.

Saturday's Fredericton Gleaner says of the game between the Neptunes and Trojans:— "The Trojans did not get down to St. John yesterday after all for their game with the Neptunes. These teams have not met as yet this season in the New Brunswick Hockey League series and that will stir up no small amount of interest in their first game to be played in this city at the Arctic Rink on Monday night. The Neptunes have reorganized and have got George Blizard back with them again and they hope to give the locals a lively time of it. The Trojans on the other hand will present their new line up, that which played against the Indians, and they hope to prove to the public that the line is far away ahead of the line ups shown before and able to whip the Neptunes with comparative ease.

Mohawks and Moncton.

Two hockey games which will be watched with great interest are to be played tonight. One at Moncton between the Mohawks of this city and the Victorias of the railway town, and the other at Fredericton between the St. John Neptunes and the Fredericton Trojans. Both teams from this city are determined if possible to win from their opponents and wipe out their former defeats.

Some of the Mohawk players left for Moncton Saturday evening and the balance of the team went up this morning. They will line-up as follows:—

- Tuffs Goal.
 - Desbrisay Point.
 - Inches Cover Point.
 - O'Neill Centre.
 - Rising Rover.
 - Dunlop Right Wing.
 - Murray Left Wing.
- The same team will play Sackville Tuesday night, the only change being in the position of cover, which will be filled by Robt. Murray, as Inches has to return to the city.

Manager Boyle's Promise.

While in Halifax recently the Dawson City hockey team was banqueted by the Wanderers' athletic club, and during the course of a very able

speech Mr. Boyle manager of the Dawsons, made a promise which might interest some aspiring Canadian clubs. Mr. Boyle in commenting on the fact that his team had received defeat at Ottawa and two other places, went on to explain some of the difficulties with which his players were forced to contend, and concluding by stating that though the Stanley cup could not be held out as an inducement, yet if any eastern club, the Ottawas preferred, would come out to Dawson and play his team on their own ice, he would put up a much more valuable piece of silver, and moreover give the visiting team two months to rest and practice after they arrived, and in the event of their beating the Dawson team he would pay their entire expenses of the trip both to the Yukon and return. It is well known that Mr. Boyle is in a position to make good his offer at any time. The now celebrated Klondykers will meet the all St. John team Wednesday evening in Queen's Rink.

Dawson City 5, Cape Breton 2.

The Dawson City hockey team defeated All Cape Breton at Glace Bay on Saturday evening by a score of 5 to 2. The visitors wore in fine form and rushed the game with their opponents on the defence from the beginning to the end. Mallon of the Sydney Nationals scored the first goal two minutes after the game opened by a long lift from the centre, and just within a quarter of a minute from the close of the half, Dawson city rushed the game from their ice, and crowding about the Cape Breton's goal, Kennedy scored, and the half ended 1 to 1.

Eight minutes after play began in the second, Mallon again scored by a clear lift from the centre. Five minutes later Dawson City crowded up the ice, Johnston leading in a rush and scrimmage in front of the All Cape Breton goal, Fairburn scored. Five minutes afterwards he again scored by a brilliant dash from the centre of the ice. A minute's play gave Dawson City another goal, and soon Fairburn again scored from a clever pass by Kennedy in front of goal. This made the score 5 to 2 for the Klondykers, at which it stood when the game closed.

Norman Watt, left wing player of Dawson City, played last evening for

the first time since his illness, which detained him in Amherst and he proved a valuable addition to their playing strength, although he will probably not be in good form for several days.

The Dawson's play an all-Pictou county team in Westville tomorrow night, Moncton Tuesday and St. St. John Wednesday.

To Meet the Trojans.

The Neptune hockey team leave this afternoon for Fredericton, where they are to play the Trojans, in the N. B. league series, tonight. The following players will go:—

Carlyle, goal; Coombs, point; G. Brown, cover point; Townsend, right wing; Blizard, rover; McNeil, centre; Potrie, left wing; Clawson, spare man. It is expected that Charles Allan will referee the game, which will start as soon after the arrival of the evening train as possible.

SKATING.

Notes.

The Father Matthew association will hold their annual ice sports in Queen's rink on the evening of Feb. 6th. Nearly all the best speed skaters of the city will compete, and a large array of handsome prizes are offered. At the Ontario skating races held in the King Edward rink, Toronto, Saturday evening, F. J. Robson captured first place in the 220, half mile, two mile and open hurdles races. In the trials, John Hagen, formerly of St. John, won the second heat in the mile open. It is said that Daly, also of St. John, did not compete.

Robson skates in Montreal on February 4, when Jimmy Price from St. John will compete. They skate in the Victoria rink, St. John, Feb. 7 and 9, and in Fredericton Feb. 10. Price left for Montreal Saturday evening to do some practising beforehand in the rink there.

THE RING.

Big Offer to Jack O'Brien.

"Philadelphia" Jack O'Brien received from Clark Ball, the former manager of Jack Munroe and other pugilists, an offer of a \$25,000 purse for a fight between him and Bob Fitzsimmons in Panama. Clark Ball claimed that the fight would be backed by prominent financiers, and that he would deposit

Frightful Dreams.

Dull Headaches

Terrible Pains and a Frequent Desire to Urinate. Such were the troubles of Mr. Joseph Leland, Alma N. W. T. He happily found relief in

DOAN'S KIDNEY PILLS.

Here is what he says:—"I was troubled with dull headaches, had frightful dreams, terrible pains in my legs, and a frequent desire to urinate. Noticing Doan's Kidney Pills recommended for kidney trouble, I decided to give them a trial. I procured a box, and was very much surprised at the effectual cure they made. I take a great deal of pleasure in recommending them to all kidney trouble sufferers."

Doan's Kidney Pills help the Kidneys to drain off the poisonous impurities which have collected, thus cleansing out the kidneys, bladder, and all the urinary passages. They correct inability to hold the urine, and thus obviate the necessity of getting up many times at night to urinate. Their good results will be immediately felt in all cases of kidney trouble.

Price 50 cents per box, or 3 for \$1.25. At all dealers, or will be mailed direct, on receipt of price, by The Doan Kidney Pill Co., Toronto, Ont.

The \$25,000 in a New York bank as a guarantee of good faith. The offer fairly staggered O'Brien who, after "taking a count of five," recovered his senses, and said:

"If Ball means business and will post a forfeit of \$5000, I will accept the offer at once. Of course, I would prefer to fight Fitz in this country, but if the match can be pulled off I am willing to make the trip to Panama."

Young Corbett is Training.

Reports from the Pacific coast say that Young Corbett is still working hard for his proposed battle with Nelson, and is really getting back into his old form.

He has been training with Frankie Neill, who is to meet the amateur champion "Fighting Dick" Hyland on the 31st. Corbett has lost the fat that handicapped him in the last fight, and is said to show better speed and endurance than he has had since his fight with Britt. He is working for cleverness, hoping that he may get a match with Britt if the battle with Nelson falls through.

Corbett was a great little fighter in his time. If he recovers his stamina and self-confidence he still will be a hard nut to crack.

THE TURF

Colt Stakes For 1905.

The president and secretary and others of the Digby Driving Club contemplate offering colt stakes to be raced for in September, 1905, on their track. The inducement should be sufficient to enable them to make it a grand success as they propose to put in a stake for three-year-olds for \$300 and one for two-year-olds for \$200. The stakes will be open to the maritime provinces. They propose to make them early closing events. Nominations to close April 1st., and with payments of entrance fees by instalments. First payment April 1st., second payment July 1st., and third and last payment August 15th. An all, five per cent of stake entitles a colt to start. The secretary, J. A. McNeill, would be pleased to hear from all colt owners who would be favorable to such a move in order to form an idea as to whether the undertaking would be likely to meet with success.

Importing Stallions.

A very valuable consignment of thoroughbred stallions came over from Glasgow in the Donaldson liner, Kastalia which arrived here Saturday. They are owned by Graham Bros., of Claremont, Ontario, who are among the leading importers and breeders of thoroughbred horses in Canada. There are in all 19 stallions.

These animals have evidently been purchased at a very high figure. They are without a blemish, and are on the whole as handsome a lot of horses as can be seen. Mr. Graham, one of the Graham brothers, purchased the animals himself in Scotland, and is here with them. This is the third consignment of horses Graham Brothers have received within a year and all have found a ready market in Ontario.

BASEBALL.

Base Running Checked.

"The big mitten stopped the base runners," said Dick Buckley to a reporter recently. "How? Well, get a glove of the type used by the catchers up to 1889, get a modern padded mitten, have somebody throw you a ball, and it will all dawn on you in a second. When the old pitchers, firing from short distance and yet hurling them across with all their steam, sent them into the thin-palmed, finger-tipped glove of those days, the catcher always and instinctively drew back his hands as the bullet struck into the frail protection.

"Suppose a base runner was under way the catcher disengaged the ball from the glove and shot it down as fast as he knew how. After the big mitt arrived the whole method of taking the pitch changed immediately. The catcher soon found that he could take the full shock of the fastest delivery in that great paw and that he did not have to draw back his hands.

"What did this mean to the base runner and to the catcher's

chance of trapping him? Only this—that the catcher, able to get the ball out of the big glove and ready for the throw in speedier time than when he wore the little glove, had just that much margin on the runner. And bases are made or lost by fractions of a second."

Here, then, lies the secret of the decline of base running. In eight cases out of 10 a base is stolen by the smallest margin, and when the runner is stopped the margin is usually as small. It is therefore, not at all hard to see how the small but undeniable gain made by the catcher in the exchange of gloves operated to help the thrower and to stop the runner.

FOOTBALL.

Mt. Allison Has It.

Sackville, Jan. 30.—The King-Richardson foot-ball trophy which was won by Mt. Allison the past season has arrived from U. N. B. This cup which was presented last year was won for the first time by the Fredericton students. It is of sterling silver and stands over a foot high, is a challenge cup, presented to the Intercollegiate Foot-ball League to become the property of that team winning it for five years.

ATHLETIC.

World's Record Smashed.

Washington, Jan. 28.—At the second annual indoor meet of the High Schools of Washington, held here tonight in which a number of out of town schools participated, Charles E. Seitz, of Gagetown, broke the world's sixty yards record of 6 2-5 seconds, held for twenty years by Lon Myers, his time being 6 1-5 seconds. Immediately afterwards he ran an exhibition 50 yards and equalled the world's record of 5 2-5 seconds. S. E. Kent of the Central High School also made the same mark in the open event.

MISCELLANEOUS

Record Broken.

Ormond Beach, Jan. 28.—Three good races were pulled off today on the Ormond-Dayton speedway, one of them being especially noteworthy in the fact that a new world's records for ten miles was made. Edward R. Thomas did the trick in his 9-horse power car, covering the ten miles in 6 min. 45 secs., and winning a handsome 1,000 dollar silver trophy. The world's record for ten miles, held by William K. Vanderbilt, Jr., of 6 min 50 sec., was made on this beach last year. Mr. Thomas lowered the record 18 1-5 seconds or nearly two seconds to the mile. Thus far the one, five and ten mile races have been broken, the only failure being the effort to lower the kilometre world's record.

THE BAIRD CO. LIMITED, Proprietors.

Savage, Main street. It is generally conceded by these dealers that their best plan is to quietly discontinue the business, rather than try a contest with the law. They say it would be only placing the commissioners in a bad fix, though they maintain that they could make out a strong case for the continuance of their licenses for this year, owing to the fact that for two previous this extension clause has not been enforced.

HARCOURT. The big storm of Thursday suspended all traffic till the highways were shovelled out Friday.

There was no school in either of the Harcourt departments Thursday and Friday.
