ST. JOHN, N. B., MONDAY, JANUARY 16, 1905.

## COURT MARTIAL TRIED DESERTER.

Sentence Must be Approved at Ottawa - - - York County Council --- The Cold Snap.

Fredericton, Jan. 16:—(Special) — Private Turnbull, who deserted from himself up, was arraigned this morning before a court martial composed of Col. Loggie Captain Carlon and Lieut. Dudomaine and pleaded guilty. The sentence of the court must be approved of at Ottawa before being made public. The cold snap on Saturday night caused a great many water service pipes to freeze and burst and the loss to householders will amount to hundreds of dollars. Plumbers have been reaping quite a

The weather has moderated considerably since Sunday morning, the mercury at noon today registering twenty degrees above zero.

The York municipal council meets in semi-annual session here tomor-Coun. John Scott, of Dumfries, will likely be elected warden. There are five applications for the position have the inside track.

## ADVANCE IN SUGAR.

A telegram was received this morning by one of the local dealers saying

A deputation consisting of W. H. Baird and Peters.

Barnaby, W. H. Thorne and T. H. Wm. Thomson & C. Estabrooks waited on Mayor White Hall and Fairweat

Jan. 16, 1905.

this morning and presented him with

W. W. White, Esq. St. John N. B., Dear Sir:—We the undersigned firms doing business in the city of St.

John respectfully, request that you

allow yourself to be again nominated for the position of Mayor of the city for the ensuing year.

In view of the large and important

movement towards the extension of

the water supply of the city, and also in view of the city's connection with the Mispec property and other

matters, we deem it very important

n the interest of the city that you,

as having taken an important part in connection with the above mat-

ters, and you being thoroughly conversant with the details in connection with the same, should allow

yourself to be again put in nomina-

and express the hope that you will see your way clear to accede to the

Manchester, Robertson, Allison, Ltd.

wishes of your petitioners.
Yours respectfully,

Vassie and Co., Ltd. London House Wholesale. Brock and Patterson, Ltd.

Troop & Son.

W. H. Thorne, & Co., Ltd., Emmerson and Fisher,

We therefore respectfully urge,

the following requisition:-

The Times new reporter has the grippe.

He arrived at the office this morning with lack-lustre eye, creaking joints and a lame back. His head was dizzy and his limbs uncertain. He had been in bed all day Sunday, making the acquaintance of certain making the acquaintance of certain nauseous preparations which well-meaning friends assured him would be particularly efficaceous if taken were of the foliage of the fountain.

Winnipeg since I located there twenty years ago. The development of the city has been marvelous. When I went there the streets were of mud, and in the rainy season were almost the new reporter.

Scene yesterday afternoon.

A gentle breeze stirred the foliage of the foliage of the trees and flowers, whose sweet and varied perfume permeated the and varied perfume permeated the story.

The times new reporter has the scene yesterday afternoon.

A gentle breeze stirred the foliage of the trees and flowers, whose sweet of mud, and in the rainy season were almost impassable. The change has been, to say the least, astounding. Now the new reporter.

"All right! Did you see this in the population of diamonds. The sparrows chirped of the received the fact that when of diamonds. The sparrows chirped of the result of a pipe dream is the city has been marvelous. When I Again referring to Winnipeg Mr.

Lamont said the the streets were of mud, and in the city has been, to say the least, astounding. Now the new reporter.

"All right! Did you see this in the city has been marvelous. When I Again referring to Winnipeg Mr.

Lamont said that he had not the sumther the streets were of mud, and in the city has been marvelous. When I Again referring to Winnipeg Mr.

Lamont said the story.

"All right! Did you see this in the city has been marvelous. When I Again referring to Winnipeg Mr.

Lamont said the test station in predicting that impassable. The change has been most remarkable in less than a quarter of a century. In fact no other city on the city has been marvelous. When I Again referring to Winnipeg Mr.

Lamont meaning friends assured him would be particularly efficaceous if taken copiously and frequently. He permitted himself to be persuaded, and became a wreck.

The staff offered to do his work for him, and the editor advised him to go home, but he is an obstinate young man, and persisted in sitting at his desk and grinding out between groans and grunts the following story:

AN IDEAL SCENE.

The mew reporter handed this story to the news editor, who was sitting at his desk with his overcoat on, and like twenty below zero yesterday?'

"No, sir."

"Jack!" shouted the news editor, the control of population and general advance. During the next set of the party year the increase in population has been 35,000. This in itself is remarkable, and illustrates the drift of immigration to that country. I have not the least doubt but that with the present prospects the city of Winnipeg will year by year proportionately increase its population. Since the latter part of 1903, the city of Winnipeg has increased in population from 43,000 to 77,000. Figures speak for themselves and this west.

prising. Its features in this respect the population in a marked manner. are known world-wide.
"What about Winnipeg?" queried the reporter.

Those who are locating in Manitoba and the Northwest are just the kind that are wanted. They have the "Well", replied Mr. Lamont, "there is a decidedly marked change in Winnipeg since I located there twen-
