WOMEN AT MURDERTRIAL

Quite a Common Thing in the United States.

A PROTEST.

Sympathy With Notorious Criminals Out of Place---

Mr. Page, the father of Mabel Page,

when they try to analyze the motives governing the female mind.

Women have a large bump of curiosity—and men are not much behind them in that respect—and that is one reason why the fascination of a murtage much makes the female mind.

During last means 1,- those of the stomach, bowels, etc.

By preventing and curing any inflammatory conditions from gaining ground in these parts, Stuart's Catarh, Tablets positively prevent, if taken in time, all the dangerous disconnection it may be said taken in time, all the dangerous disconnection it may be said to the stomach, bowels, etc.

By preventing and curing any inflammatory conditions from gaining ground in these parts, Stuart's Catarh, Tablets positively prevent, if taken in time, all the dangerous disconnection it may be said to the stomach, bowels, etc. be hired to visit the court rooms!

Aside from curiosity, women flock to a court room to hear the evidence in a murder trial because their sympathies are aroused. The more intricate the case the keener is their curiosity and the deeper their sympathy.
Yet with all the confusion they

could render a verdict in half an This sympathy of women at mur-

der trials is much discussed and generally condemned, yet they have as much right to their opinion as many dull-witted men. Of course, there is much to be said why the entler sex should not obtrude withthe precincts of a court room here a disagreeable case is being
