Cook had to break the way. Several times his horse floundered and he practically had to shovel him out. All traffic was suspended as regards milkmen and others who intended visiting the city. The drifts are somewhat enormous and although the road is partially broken. Through traffic is yet, impeded.

though the road is partially broken, through traffic is yet impeded.

Branch Railways Blocked.

Acting Superintendent Murray of the Mail-service, being asked by the Times today as to the present condition of the branch lines, said that they are still held up. The question as to the time extension of the blockade is uncertain.

On the Salisbury and Harvey road the mails are being conveyed by teams. This same procedure is carried along on every branch line wants for the process.
