Duning Creased capital will enable the company to engage in some new lines of work, one of which will probably be the manufacture of cars.

Premier Haultain and Commissioner Bulyea, of the Northwest Territories will have an interview with convergence of the company to engage in some new lines of work, one of which will probably be the manufacture of cars. I do for you?"

"On what security?" "Standard Oil," was the reply. The president of the bank shook

FOR BETTER BLOOD.

Enrich The Blood and Neuralgia Will Disappear -- It Is Only Those Whose

The largest wager ever made on a horse race in the history of the turf was made by Mr. Henry Chaplin of the most excruciating pains that afflict mankind come from weak, afflict mankind come when he backed his horse Hermit to win \$900,000, the odds being 30 to 1. Capt. Machell took the Hermit bet for Mr. Chaplin, and the layer was the Duke of Hamilton. But long before the Derby won by Hermit, in 1867, was run both the layer and the taker agreed to call off the wager.

SKATING,

SKATING,

afflict mankind come from weak, shaky, shattered nerves, and among the nerve pains there is perhaps the nerve pains there is perhaps than neuralgia, which generally attacks the nerves of the face and head, sometimes causing swift, darting, agonizing pains—at other times a dull, heavy aching feeling which makes life miserable. There is only one way to get rid of neuralgia and other nervous troubles, and that is The Police Sports.

The policemen are working hard or their sports, to which the citi

A large number of beautiful and appropriate presents have been contributed, which will within a few days he placed on exhibition.

Unlike most series of ice sports the grand athletic programme of the Policeman's Relief Association in Victoria Rink on the 13th will be replete with stirring events in which all the local crack skaters will participate. There will be costly prizes to urge them to their utmost and it will be really the first speed meeting.

World can equat Dr. Williams Pink and nerve and nerve tonic; every dose helps to make rich, red blood, and every drop of this new blood feeds and strengthens the nerves and banishes all nerve aches and pains. Among those who offer strong proof of this is Mr. John McDermott, Bond Head, Ont., who says: "A few years ago while working as a carpenter in Buffalo I got wet. I neglected to change my clothes and next morning I awoke with cramps and pains throughout my entire body. I was unable to go to work so called in a doctor. I followed his treatment, but it did not to urge them to their utmost and it will be really the first speed meeting of the season. As usual there will be the service races and races for other circles.
