HOCKEY.

Tonight's Games.

The Dawson City team arrived to play and play the All-St. John team on the Queens rink tonight. The line-up will be as follows:—

All St. John.	Dawson City.
Goal.	Forrest
Carlyle	Point.
Inches	Johnson
Brown	Cover.
McNeil	Hannah
Townsend	Centre.
Sturdee	Smith
Mooney	Rever.
	McLennan
	Right Wing.
	Young
	Left Wing.
	Watt

The All-St. John which has been chosen should prove a strong aggregation and it seems difficult to form any accurate opinion as to the result. According to the games already played the St. John team should be defeated as the Klondykers have beaten every picked septette they have played against, while on the other hand they have been defeated by all the regularly organized teams they have come in contact with. It may be said, however, that the St. John players are all well known to one another, and understand each other's playing. The result will be watched with great interest by all hockey enthusiasts and it is expected that the Queens rink will contain one of the largest assemblages ever crowded into the building.

That Moncton Game.

A few kind suggestions to the Mohawks may be gleaned from the "Moncton Times". Here they are:—

So far as the home team was concerned it was very largely a goal shooting practice. It seemed to the four hundred spectators present that Moncton shot a goal about as often as the players decided it was time to fatten the score.

The Mohawks had a weak line-up to begin with and it was quite evident from the start that all the members of the team have not been playing on a regular team any great length of time. The defence was weak and the forward line was not much stronger.

The main trouble with the Mohawks seemed to be that they had no one that could shoot a goal. If an opportunity offered, Dunlop had several good chances, but made weak attempts at shooting.

Sackville 11, Mohawks 0.

Sackville, Jan. 31.—The Mohawks of St. John were defeated here tonight by the Sackville team by a score of 11 to 0. The visitors were in poor shape and were badly handicapped by the absence of several of their regular players. Tufts in goal was perhaps the star of the evening, and only his splendid and sometimes phenomenal playing prevented a larger score. Desbrisay at point played a good game, while Rising and W. Murray showed up best among the forwards. Jakeman of Mt. Allison played the first half with the visitors. For the home team the forwards all played well, Norman showing up particularly strong. The Mohawks rarely got by Laidlaw, and the defence had no hard work. The game started late and began in Sackville territory. The home players soon remedied this and the puck remained in Mohawks' territory for most of the first half. Tufts was playing fine and stopped numerous difficult shots. During this half R. Murray arrived from St. John on C. P. R. and the game was stopped until he was ready for playing. He replaced Sipprell at cover and played well. Three goals were shot for Sackville in this half.

In the second half the play was sharper and Sackville scored eight goals in spite of the good playing of Tufts. Jakeman did not play during this half, Sipprell returning to cover point while R. Murray took a wing position and Dunlap replaced Jackman at cover. Sackville pushed matters, Norman scoring 2 in short order. A pretty combination play then took place the puck going from Norman to Pihlak to Ayer, who scored. Norman, who was playing a beautiful game, scored several more and the game ended with a score of 11 to 0. Rising and Murray made several good rushes but without any result. Rising and R. Murray were slightly injured in this half, causing short delays, while Stuart of the home team was allowed to watch the game from the boards for a few minutes. About 250 spectators witnessed

ed the match, which was on the whole uninteresting. H. M. Wood refereed quite satisfactorily. His decisions were sharp and fair. Following is the line up:

Mohawks—Goal, Tufts; point, Desbrisay; cover point, Sipprell, (R. Murray); forwards, Rising (Capt.), W. Murray, Dunlap, Jakeman, (R. Murray.)

Sackville—Goal, Hill; point, Rainnie (Capt.); cover point, Laidlaw; forwards, Norman, Pihlak, Ayer, Stuart.

Long Lifts.

Sackville 11, Mohawks 0. 'Nuff said.

According to reports Tufts played a star game, but in looking at the score one would judge there were no other players on the ice.

Sackville has won five games, Moncton has won three and lost one, the Neptunes have won one and lost three, the Mohawks have lost all five games played, Fredericton is where?—Wake up St. John.

Next Friday night the Neptunes and Mohawks meet again. One team will probably win. Strange isn't it.

What a wealth of sarcasm in the little paragraph in the Sackville Post of Jan. 31st. "Big Mohawks are here to-night, come and watch our 'Little fellows.'"

Klondykers Defeated.

The Dawson City team was defeated at Moncton last night by a score of 4 to 1. According to reports the Klondykers played a clean snappy game, but were rather weak in defence, while the Moncton team was particularly strong. Moncton scored two goals in the first half and two in the second. The Dawson team scored one in the second half.

Sackville Won.

In a double-header match at Dorchester last night, the hockey teams of Sackville took the boys of the penitentiary town into camp in both games. In the games between the Woodchucks second vs. Micmac's of Sackville the score was 2-0 in favour of Micmac's. In the second game the Woodchucks first team was defeated by the Shamrocks of Sackville by 4 to 2.

THE TURF

Maine Bred 1904 Performers.

The Maine correspondent of the Trotter and Racer has compiled a list of Maine bred performers of 1904 which is substantially correct.

The tables as compiled give Wilkes 8,571 a credit of three standard performers in Dyspepsia Cure, 2,194, dam by Nelson; Momouth, 2,211, dam by Red Jacket, son of Tom Patchen and Seraphine, 2,273, trotter dam Maud H., 2,194, by General Withers, Jr. While not positively informed in the matter I am inclined to think that the horse is entitled to one more in Quebec, 2,244, pacing. Those by Wilkes credited with reduced records are Lon Wilkes, 2,214 to 2,201, and he is out of the great brood mare Mollie W., dam of G. D. S. (p) 2,224, by Von Moltke, and Winnie Wilkes, 2,224 to 2,214, out of a daughter of Early Bird, 2,10.

St. Croix, 2,147, who has 13 in the list, is represented in the statistical matter by two, a full brother the new comer using Zenais, 8,234, and the other the fleet pacer Anidross, 2,07 to 2,054.

A new sire is Phebon, an unmarked son of Wilkes, a full brother of Bertie Wilkes, 2,254, which latter with Emery, constituted the favorite team of Mr. Whipple, the well known Boston hotel man. Phebon has Harry Miller (4) trotting 2,244, dam Nellie A., by All Seo, 2,204.

Nelson, 2,09, has two new ones in the list—Nelsonita (p) 2,25, and Field, 2,284, he is also credited with Summit, 2,30.

Royal Nelson, 2,184, should be credited with Nelson Gilbert, (p), 2,244, as it is so given, and he certainly obtained a record of 2,25 at Farmington, in September and at the same place S. B. (p) by Cylox, 2,214, another son of Nelson, got a mark of 2,254.

Allectus by Alcantara is the sire of Beauty (p) 2,294.

Albrino has Albrino Pr., roan gelding 2,274.

Bayard Wilkes, 2,114, has two new ones in Wilson, 2,224, and Trixie H., 2,244, both pacers, while the trotter Little Glimmer has cut his best mark of 2,244 to 2,224.

Blue Hill, 2,214, has Mildred B., 2,294, a pacer, and Governor Pattison, by Red Wilkes, Wilfred D., 2,254.

Early Bird, 2,10, the sire of Burnham 2,224 and Travor 2,264, a pacer, is recorded to the credit of All So, Jr.

The GRANBY Lad

Im Tommy Tough, and as tough they say,
As GRANBY RUBBERS in a different way,
They're tough and good, im tough and bad,
But tough or not, im a GRANBY lad.

Some people look almost club footed because of the ugly rubbers they wear. GRANBY RUBBERS always have a neat, clean cut appearance, and they WEAR LIKE IRON.

Beauty (p) 2,294.
Albrino has Albrino Pr., roan gelding 2,274.
Bayard Wilkes, 2,114, has two new ones in Wilson, 2,224, and Trixie H., 2,244, both pacers, while the trotter Little Glimmer has cut his best mark of 2,244 to 2,224.
Blue Hill, 2,214, has Mildred B., 2,294, a pacer, and Governor Pattison, by Red Wilkes, Wilfred D., 2,254.
Early Bird, 2,10, the sire of Burnham 2,224 and Travor 2,264, a pacer, is recorded to the credit of All So, Jr.

out the fight Hyland, however, would brighten up and land some telling blows, often rushing Neil to the ropes. But Neil's coolness was never in jeopardy and his clever foot work always carried him out of danger.

Beyond a bruised eye, which each of the fighters accumulated early in the contest no particular damage was done up to the last round. In this round Neil went at Hyland deliberately but relentlessly. A swing to the jaw sent Hyland to the floor for the count, when he arose he was practically helpless and was sent to the floor again. Game to the last, he arose, staggering badly and faced his antagonist. There were "Cries" stop it. From all over the building, but Hylands seconds refused to interfere, and Neil sent him down and out.

After ten rounds of terrific hitting the preliminary between Jack Gordell, and "Joe" Angell was declared a draw.

and the latter to see more fun than a haral of monkeys could make. Forty dollars divided among the best impersonations will prove a keen contest for those who are good at getting up clever rigs. Don't miss this event as it will out do them all. Tickets at the leading drug stores.

THE BANDMANN OPERA CO.

The visit of this company will be a welcome change of fare from the attractions we have been having at the opera house lately, coming as it does after several weeks of drama and comedy.

Music in addition always appeals to a larger section of the community especially when joined with comedy.

THE CARNIVAL.

The V. S. and A. club carnival Friday evening, February 3rd, will be attended by a tremendous crowd of skaters and spectators. The former to have fun behind their masks,

THE RING.

A Fierce Fight.

San Francisco, Cal., Feb. 1.—It took Frank C. Neil, batam ex-champion 15 rounds to knock out "Dick" Hyland, who made his debut last night in amateur match. It was a fight between a seasoned ring general and a youngster, game as possible, strong and willing, but lacking in experience.

Except for one or two rounds Neil held a good lead, on points. Through-
