ST. JOHN MAN IN TROUBLE.

Connell has been doing a very good business but it is learned he had got behind and owed for the behind, and owed for the new furniture he recently placed in his shop. Sackville man loaned him over \$300 and took a bill of sale. He also owed several months' rent. Connell came here from St. John and was a good barber-Sackville Post.

It is believed that the above refers Geo. Connolley who was ployed a few years ago with Myles Gibbs in the Victoria barber shop here, and previous to that, worked for Chas. A. Gurney in the barbe shop conducted by him in the Royal hotel building. Mr. Connolley left here a few months ago and opened a barber shop in Sackville where i was understood he was doing a good business. Evidently however mis fortune overtook him, and he is now in great demand by his creditors.
