JIMMY PRICE'S SPEED WON BIG HONORS AT MONTREAL.

St. John Skater Leads All Other Flyers Over the Tape in a Championship Race---Thistles Win From St. Andrew's Curlers.

SKATING.

Price A Winner.

James Price the speedy skater from St. John, was the only Canadian to win a speed event at the championship races held at Montreal Saturday. It was in the one mile race that Price by a great burst of speed left Morris Wood, the American champion four yards in the rear. Price qualified for the final by coming in after Wood in the second heat. In the first heat Logan, of St. John, won easily from a good field in fast time, 2:56 2-5. After this Logan was picked as the man to give Wood the fight in the final, but a stumble on his last turn interfered with his chances. Logan, however, finished third. He also captured third in the three mile.

In the professional events Norval Baptie, of North Dakota, wrestled the honors from Johnny Nilsson, who has been unbeatable since he won the world's championship in Montreal in 1897. Baptie won the half and mile after the hottest of finishes but Nilsson was on his mettle in the two miles and would not allow Baptie to pass him in the finish spurt as the Dakota skater did in the two previous events. Harley Davidson and Peter Sinnirud, the Terrible Swede, also competed in the professional events. Davidson showed fine form and almost beat Nilsson out in the mile. Sinnirud fell in the first event and made a poor showing afterwards.

Besides Price and Logan, Merritt, of St. John, wearing the colors of the Verona Lake Club, and Daley and Hagen, formerly of St. John, competed. Daley and Hagen were outclassed, but Merritt was usually well up at the finishes. In three events he had falls. Price also fell in two events. Merritt was second in the second heat of the 220 yards but not placed in the final. Price fell in a preliminary of the half mile when he and Merritt went down together. Price also fell in the three mile race.

Cold and wind made the conditions unfavorable for record breaking. The only mark lowered was by Ernest Lamy, the boy wonder from Saranac Lake, who skated the mile in 3:03 2-5 and left a field of 26 competitors half a lap in the rear.

Following is the summary:—
220 yards (amateur)—Morris Wood, Verona Lake, 1st; Fred Robson, Toronto 2nd; G. Finlayson, Montreal, 3rd. Time 2:02 2-5.

Half-mile professional—Norval Baptie, North Dakota, 1st; John Nilsson, Minneapolis, 2nd; Harley Davidson, Winnipeg, 3rd. Time, 1:18 2-5.
Half-mile (amateur)—Dead heat between Wood, Verona Lake, and J. J. Forrester, Niagara Falls; J. A. Morrison, Montreal, 3rd. Time, 1:35 4-5.
Wood won by two yards in the run off. Time, 1:35 4-5.

One mile (professional)—Baptie, 1st; Nilsson, 2nd; Davidson, 3rd; Sinnirud, 4th. Time, 2:48 2-5.
One mile (amateur)—Price, St. John (N. B.), 1st; Wood, Verona Lake, 2nd; Logan, St. John (N. B.), 3rd. Time, 3:04 4-5.

Two miles (professional)—Nilsson, 1st; Baptie, 2nd; Davidson, 3rd. Time, 6:03 3-5.
Three mile (amateur)—(Sixteen starters)—Wood, Verona Lake, 1st; Bert Spooner, Montreal, 2nd; F. Logan, St. John (N. B.), 3rd. Time, 9:22 2-5.

A Popular Victory.

It was a source of much pleasure to Price's numerous friends about the city when the news came over the wire Saturday that he had won the principal event of the championships, namely the one mile event. To his friends at the Y. M. C. A. it came as a joyous surprise, for considering that the crack Canadian and U. S. flyers were pitted against him it was thought that he would do well to get a second or third place.

Jas. J. Price is about twenty years of age, and son of Capt. John Price, whose home is at the head of the Mistake (Upper Greenwich), on the river. He is a student in the Syllabic Shorthand Institute, in this city. As a skater he first came into prominence a couple of winters ago in Victoria rink in competition with some lesser lights, whom he easily disposed of. He made an instant hit as a speeder and knowing ones foretold great things for his giant stride and killing stroke. His next performances were in company with the acknowledged fast ones of the community, and first and second place were his usual winnings. Last winter he beat Champion Parker in a 440 yard dash, and also in a half mile with a wonderful burst, but in justice to Parker it must be said he but a short time before that same night had broken a rink record in a wonderful exhibition.

Another source of gratification to St. John folks were the performances of young Logan, who won his heat

in the mile to the tune of 2:56 2-5, besides crossing the line in the three mile event, and showing up so strongly in the one mile, in which he is reported to have stumbled when near the finish. This lad is another St. John boy with the title of champion almost within his grasp. He has shown wonderful development of late and no doubt his racing at Lake Saranac previous to the Montreal meet did him a lot of good. The time, 2:56 2-5, is excellent speed, though large tracks usually mean small minutes. Had not Logan stumbled in the mile event he and Price may have shared the honors. As it was, he and the north end had covered themselves with glory.

Tonight's Sports.

Tonight the people of this city will have a chance to see some great speed skating, for nearly all the local flyers are entered and it is expected that records will be smashed to pieces. Merritt, Logan, Dalton and Duffy as well as other local speeders have been entered, and there should be something doing. The Queen's rink will probably be taxed to the utmost to contain the crowd that will want to see these men perform.

Of Interest to Skaters.

J. C. Lithgow, honorary secretary M. P. A. A., writing to K. J. Macrae in regard to the latter's inquiry about local skaters and their standing, says in part:—
"Any of the skaters suspended from the 13th ult. need not send in affidavits unless you consider the standing of any of them doubtful, in which case it is better to get the suspicious ones to do so, otherwise their suspension is removed automatically after the thirty days.
"The reason the policemen were not suspended is that they do not receive a sanction for their own sports but all others who competed must be suspended.
"If the letter carriers compete on Monday while under suspension they will be kept suspended for a further period, and if they engage with skaters in other races these must be suspended."
Letter carriers competing among themselves are not affected by the foregoing.

HOCKEY.

The Trojans on Tour.

On Wednesday next the Trojans of Fredericton will play the Sackville boys at the latter place. On Thursday the Moncton boys will be played in the railway town. These should prove to be interesting games as these three teams are the leaders of the league.

The Next Game.

The Mohawks and Neptunes will meet next Friday evening at the Queen's rink in the provincial league series. It will be remembered that in the opening match of the league the Mohawks were beaten by a score of 2 to 1. The Mohawks feel somewhat sore over their defeat which is the first time they have been downed by a local team since 1896, and they are determined to turn the tables

Pain Across the Kidneys For Three Years.

Suffered Great Agony.

Could Not Stoop or Bend.

No disease is so quiet and stealthy in its approach as kidney disease. That is why it is so dangerous. It may become deep-seated before you realize the danger.

It is therefore of great importance to recognize the early warning symptoms, because in its early stage kidney disease is easily curable. Pain or dull ache in the back is one of the first signs. So are bladder pains, bearing-down pains, smarting sensation when urinating, frequent or suppressed urination, and gravel or sediment in the urine, etc. You cannot be well if your kidneys are not performing their functions properly. In all ordinary cases of any derangement of the kidneys, a few doses of

DOAN'S KIDNEY PILLS.

will put the patient right; in old or chronic cases, the treatment should be persisted in.

Mr. Michael A. McInnis, Woodbine, Marion Bridge, N. S., tells of his experience: "For the last three years I suffered great agony with pain across my kidneys, and was so bad that I could not stoop or bend. I consulted, and had several doctors treat me, but I got none the better. On the advice of a friend I procured a box of that valuable life-giving remedy, Doan's Kidney Pills, and to my surprise and benefit I immediately became better. In my opinion Doan's Kidney Pills have no equal as a cure for any form of kidney disease.

next Friday night. On the other hand the Neptunes who feel much elated over their success are determined to repeat the trick if it is at all possible, and they think it is. The contest between these two teams should be one of the most interesting of the season and will no doubt draw a crowded house.

CURLING.

Thistles Are Champions.

The Thistle curlers defeated the St. Andrew's club Saturday with hands down. Only three rinks of the St. Andrew's curlers showed to the front.—Magee, McA. Stewart, and Thomas. The Thistle curlers seem to have things all their own way. It is wonderful what practice will do. Some curlers never take any practice but still are taken on a game in preference to those who could do better. Saturday's game tells the whole story itself, without going into details. Practice makes perfect. No 14 rinks

should be beaten by 83 points. The score by skips is as follows:

THISTLES.	ST. ANDREW'S.
W.M. Rivers	19 Geo. Kimball
S. Palmer	26 E.A. Smith
A.W. Sharp	25 W.A. Stewart

Tee Shots.

Thistles three straight. Looks well on paper 83 points. Smith was snowed under by Palmer.

It was a grand stand game 8 to 26. Why did Smith play that stone for 8? When he had a sure end. (Practice) McAvity Stewart by the old war horse to the tune of 21 to 8. Andy this 'll na do.

Skip Courtney got his bumps from King of curlers Thomas. So Morton says.

Get down to practice St. Andrew's or the ladies will down you. The ice was never better, and most of the time the whole four rinks are idle. Moncton and Amherst will play tomorrow in the same competition, six rinks a side.
At the Catelon curling rink Friday evening in the second round for the rink medal, Skip Percy Wetmore defeated Skip S. Merritt Wetmore, 18 to 9.

Moncton Defeats Sackville.

Moncton, N. B., Feb. 5.—The curling match in the Royal Trophy competition between Moncton and Sackville yesterday resulted in a victory for Moncton by 37 shots.

The score by rinks was as follows:—

MONCTON.	SACKVILLE.
Skips.	Skips.
T.E. Henderson	25 J. M. Palmer
G.W. Maddison	26 C. Piekhard
F. McDougall	14 W. I. Goodwin

Moncton Curlers.

The Moncton curlers will be kept busy next week is the weather is favorable. Visits from Campbellton and Amherst are expected and four rinks expects to play St. Andrew's at St. John.

The St. John Thistles may play here about the last of next week.—Transcript.

ATHLETIC.

Rules of Jiu Jitsu.

Rule 9—When attacked by a bigger man, read rule 441, on page 896, 997 and 998. Then run.
Rule 10—When attacked by a robber on a street running north and south, turn on him suddenly, grab him around the waist, using holds described in chapter IV., bottom of the 88th page, raise him into the air and hold him there until he starves to death.
Rule 11—In case an enemy soaks you in the mouth with his fist, open

the mouth quickly. He will land on your teeth and hurt his hand. If he knocks out any of your teeth, throw them at him.

Rule 12—Read your book of rules with diligence and spectacles.—Buffalo Times.

THE RING.

Britt to Fight White.

New York, Feb. 4.—The international lightweight championship battle, to take place in San Francisco, between Jimmy Britt, of California, the lightweight, champion of American, and Jabez White, the English lightweight champion, has been arranged.

RELIGION AND HEALTH.

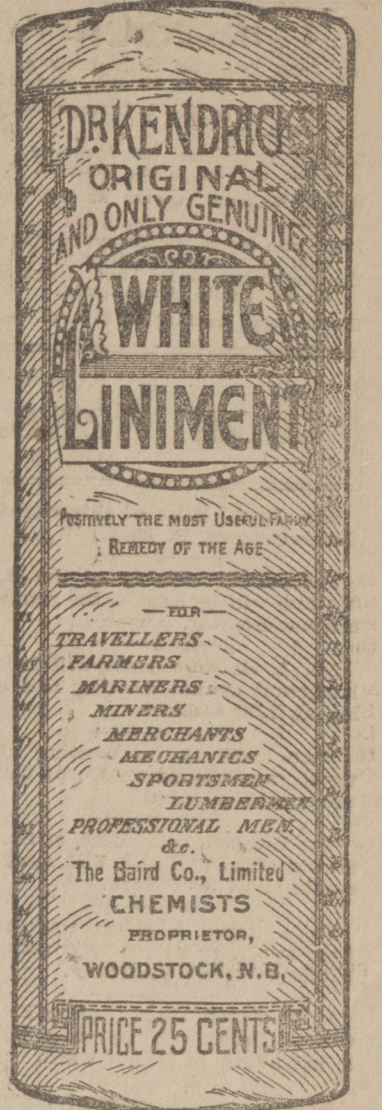

The Intimacy That Exists Between the Two---What the Presbyterian Says.

(The Presbyterian.)

Spiritual feelings are more affected by one's physical condition than many persons imagine. A healthy body is a great aid to clearness of religious vision and to spiritual enjoyment. A deranged liver is the enemy of a joyous and hopeful piety. Dyspepsia has much to do with Christian despondency. Bodily disarrangements interfere with the highest experiences in the divine life. It becomes spiritual guides to take into greater consideration this factor in dealing with soul-maladies. A good tonic will often relieve spiritual depression when other remedies fail.

A few years ago a Roman Catholic prelate in Great Britain surprised the English public with a narration of his experiences with certain troubled souls. Some of the prescriptions indicate the wide scope of his discernment as well as the sagacity of his counsel. For the "evil thoughts" which harassed one of his correspondents, he prescribed "a course at Viehy and Carlsbad as the principal remedy." As a cure for the jealousy which afflicted another he ordered "beef tea," remarking that "all similar passions become intensified when the body is weak." All through his directions to his different applicants for help in their various spiritual difficulties, he recognized how they were mixed up with the state of their health, and sought to remove them, as far as possible, by putting the body into its right tone and activity. For instance, to one suffering from religious depression, he recommended "a good walk in the park, or an expedition on a pony steamer," adding: "You will get into a small range on reading this, and say it is of no use to walk in the park, or sail on the Thames. Well, get into the rage, and then cool down, and try the experiment." To one given to early morning meditations he stated they "are apt to be tinged with despondency," and should be "revised after a suitable diet of coffee and rolls."

There is no doubt that Protestant ministers would often be the gainers if they studied more the intimacy subsisting between the body and the mind, and how the one sympathizes with the other. And if Christians generally took this fact more into

the interpretations of their varying religious moods and conditions they would find a relief and comfort sorely denied them at times. Both Christian biography and practical observation show how doubts and difficulties and depressions in the divine life rise or fall with the state of health in the given case.

FUNERALS.

The funeral of Robert B. Gilmour took place yesterday afternoon at 2 o'clock. Services were conducted by Rev. Dr. Fotheringham, and interment took place in Fernhill.

The funeral of Mrs. Arthur Lingley took place yesterday afternoon, from her late residence, Charlotte St., west end. Interment took place in Cedar Hill. Rev. B. N. Nobles officiating. The pall-bearers were: D. C. Clarke, W. Johnston, A. Harnette, J. Cameron, C. Bolyea and B. Mundy.

One of the recent incidents of the Welsh religious revival was the e-remonious cremation of a ball by the members of the Abernemen Football club, to show that they were done with such frivolities as football games.

Glibson—"I don't know, she was still singing when I came away."
