lo swear that I have not received, and will not receive any gift or reward by myself or any other person, as a consideration of my son, as a councillor for will to the best of my ability conduct the present election and truly declare the number of votes at the close, and will safely and securely carry the box with the ballots and lists, and deliver it to the chairman of the and that I will use my best endeavor

preserve peace and good order at such lection, and give all persons entitled to vote,

MR. T. W. KIERSTEAD, Sir,-I have used your Kidney Preparation, and found it a sure ure in my case.

R. A. ESTEY. Fredericton, 30th January, 1871. Davis & Dibblee, Druggists, Queen Street, Fredericton, Sole Agents for York and Sunbury,

TEN TIMES ITS WEIGHT IN GOLD. DO YOU KNOW ANYTHING OF IT? IF NOT, IT IS TIME YOU DID.

There are but few preparations of modicine merits of the wares advertised, further than communicated to the European powers which have withstood the impartial judgment of the people for any great length of time. One of these is THOMAS' ECLECTRIC OIL, purely a preparation of six of some of the old to young, in appearance at least, we can- is true that an armistice has been granted, best Oils that are known, each one possessing virtues ot its own. Scientific physicians know that medicines may be formed of several ingredients in certain fixed proportions of

greater power, and producing effects which could never result from the use of any one The entire business portion of Sandy Hook, of them, or in different combinations. Thus in the preparation of this Oil a chemical change takes place, forming a compound which could not by any possibility be made A decree has been issued in France sum- from any other combination or proportions of the same ingredients, or any other ingredients, and entirely different from anything ever before made, one which produces the most astonishing results, and having a wider range of application than any medicine ever before discovered. It contains no alcohol or

nothing by evaporation. Wherever applied you get the benefit of every drop; whereas small quantity of Oils which they may S. N. THOMAS, PHELPS, N. Y.
