SOLD BY M. S. HALL,

Book and Music Dealer. OPPOSITE CITY HALL. SPECIMENS OF WOOD FOR CENTENNIAL

-Messrs. J. C. Risteen and W. Edgecombe have prepared specimens of New Brunswick woods for exhibition at Philadelphia. They were forwarded by train on Saturday. The specimens number twenty-eight, and are arranged in a form calculated to show them to advantage, the whole being surmounted by a shield bearing a moose's head and supported by a pair of cant dogs. The samples fairly represent the ordinary growth of the country, and were selected with that especial object. They present a very striking and beautiful appearance. The following are the varieties: -Of Ash, five specimens-black, white, GREY COTTONS ground, swale and fancy; of Birch, twoblack and yellow; W. Beech, Butternut, Basswood and Balm of Gilead, one each; of Cherry, two-red and black; of Cedar, Elm, Fir, Hemlock, Hacmatack and Hornbeam, one each; of Maple, three-white, curley and birds-eye; of Oak, two-red and grey; of Poplar, Pine, Spruce and Willow. one each.

Correction.-In the advertisement of WHITE COTTONS, "Money wanted to borrow," which appeared in the last two issues of this paper, instead of "Interest paid semi-weekly," it should read semi annually.

which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
