A NEW THING.

Prescribed by the Board of Education

WALL SLATING!

By its use, School Districts will

Save the Expense of a Black-Board.

A Trustee has only to daub a lot of it on the wall, when,

LO! AND BEHOLD!!

you have a smooth blackened surface that will retain its pristine color, until, it wears off, which is much longer than a painted pine board.

As an Educational Auxiliary it is worth more than Railroad Bonds.

WANTED.

WE WANT reliable, energetic canvassing agents in every town in the Dominion for the new "Illustrated History of the Dominion of Canada." This work is truly magnificent, containing over 2,000 double column quarto pages, and over 300 superb full page engravings. The work is published in Parts, on a plan which insures its welcome to every English reading family. To energetic young men or ladies, who are willing to work, we will guarantee a permanent position for two years, and GOOD PAY! Don't fail to write for our private terms, sample pages, etc. This is a grand opportunity for school teachers to make more than double their salaries without interfering with their professional duties. The work is being manufactured at a cost of over $20,000 for the literary, artistic and mechanical work of producing the plates, by the old well-known, reliable Lovell Printing and Publishing Co., of Montreal. All letters from agents must be addressed to the Publishers general agents, as follows:

READ! READ! READ!

THE TESTIMONIALS.

FREDERICTON, AUG. 21, 1876.

My experience with Dr. Jameson's EYE WATER and CATARRH REMEDY is so satisfactory, that I shall keep it constantly in my family, and shall recommend it to all whom I see afflicted with sore eyes. It is also good for Catarrh; and I have also applied it externally for pains. I consider it the best of all remedies, and I have tried many kinds.

MRS. JESSE R. MATHEWS.

FREDERICTON, AUG. 21, 1876.

For the last twelve years I have suffered with weak eyes and have tried a great many different remedies but none of them have given me so much relief as Dr. Jameson's EYE WATER. I can heartly recommend it to any persons similarly afflicted.

MRS. JOHN ROBINSON.

FREDERICTON, N. B., AUG. 26th, 1876.

Having been troubled with weak and sore eyes for some past, I have much pleasure in being able to state that I found great benefit from a few applications of Dr. Jameson's EYE WATER, sold by Mrs. Beatham.

Believing it to be a good remedy, I heartily recommend it to any person afflicted with weak or sore eyes.

A LOTTIMER.

I have used Dr. Jameson's EYE WATER and CATARRH CURE, and believe it to be an excellent remedy.

THE END OF THE WICKED!

I questioned Uncle Sam as to the nature of his visit, he said he came down to see the end of the wicked. I sold him 5 barrels Flour and other goods and explained to him if he had subscribed for two or three good family newspapers he would then have known the

Government Still Lived.

I showed him it was a duty every man owed his family. Two or three good papers do more to educate a family of boys and tone them up to the day we live in than anything I know of. Why those same bright eyed lads will be the men who shall fill our pulpits—sit as judges on the bench—lawyers at the bar—edit our papers—professors at our colleges and public schools—will import and export all the goods—will be the Governors and Governments that shall sway the future destiny of this great country. I gave him a copy of the FARMER, and at the same time ordered a crock of Mrs. Jones choice butter.
