Every Tea-pot throughout this great

country of ours is singing the

praises of this young Hyson and

Olong Tea.

Ely Perkins,

Who feeling an interest in the good and welfare of all his customers everywhere, quotes undoubted authority on the benefits derived from the use of good Tea, also the evils of the bad.

1200 years ago

Inchizes the mind; dispels lassitude, and relieves ratigne; awakens thought and prevents drowsiness, lightens and refreshes the body and clears the preceptive faculties." From testimony of Rev. T. De Witt Talmage:

His experience is that there is nothing that so leosens the hings of the tongue, soothes the the temper, exhilerates the diaphragm, kindles sociability, and makes the future look promising. like Tea. His great aunt who used to come from town with the pockets of her Bombazine dress standing way out with nice things for the children. She would come in looking like a thunder cloud until she had got through with the first cup of Tea, when she would empty the right pocket; after finishing the second she would empty the second pocket, and an extra third cup as she felt so very chilly, it then took all the sitting room, parlour, kitchen, and part of the woodshed to contain her exhibitantion.

Gunpowder Tea !

When used the conversation at the Tea tab will be explosive and somebody's reputation will be killed.

The effect of Lie Tea as seen by Lucy Ann Stretchtiong who was there herself, a woman of good
parts, fine open gait, good knee action, head
erect, could walk faster, step bigher, talk loader
than any boss on a river drive; she always work
overseeks so she could make good time and not

Circle. At one of these meetings away up Keseway where this "Lie Tea" was served it resulted in two law suits for slander, four black eyes, the expulsion of the minister, the abrupt removal from the top of the sextons head of all the cartillary advergence. So I'm told and Pyence the sextone is a limited and pyence the pyence the sextone is a limited and pyence the sextone is a limited and pyence the pyence

the capillary adorement. So I'm told and I've no reason to doubt it, for Maryann's sister heard feminia's oldest boy say Eb Stone heard,—well, I ain't agoin to say; it will only make trouble in the neighborhood.
