How to save money.—A man who only worked for us tour months, thinking he had learned the profession, crrried off our samples, copied some old plans in Fredericton, and is now canvassing the people for an Atlas of York County at \$3.00 per copy.

After 15 years' experience, we can sell County Atlases for \$3.75 and make new surveys.

The people are requested to examine the subscription book before subscribing, as the aforesaid man has a contract in his book as binding as a note.

ROE & COLBY, Topographical Engineers,

THE above advertisement appeared in last week's Farmer. As I am the "young man' mentioned, I should like to refer the citizens of York to a few items, as follows:

1st.—Reference is made to my experience. I beg to state, that, "although only fuour months' in their employ, my first knowledge of surveying and mapping was obtained over ten years ago.

2nd.—Although stating their ability to publish Maps at \$3.75, they do not announce their intention of mapping York.

3rd.—In reference to price, a correct Atlas, such as York County should make, never was and never can be made at that price. As a proof of this, Roe & Colby canvassed last fall for an Atlas of Aroostook, Me., a similar work to York County Atlas, for \$8.00, and are now delivering same at that price. They also made an Atlas of St. John for which they charged \$10.

4th.-Finally they accuse me of carrying off their samples, This part I most emphatically deny.

To prove that Roe & Colby have no intention of working up York County, I quote the following advertisement from the Reporter of 9th of May:—

A ATLAS OF YORK COUNTY.—PRICE \$3.75.

ATLAS OF YORK COUNTY.-PRICE \$3.75. ATLAS OF YORK COUNTY.—PRICE \$3.75.

Our experience in surveying for and publishing Local Maps and Plans, and the reduction in prices of material and labor, enables us to publish complete County Maps and Atlases for the low price of \$3.75. Our agents will call on the people, exhibit plans for correction, and solicit their subscription.

ROE & COLBY, Authors of Maps of Northumberland and Carleton Counties, and Atlas of St. John City and County, N. B.

St. John, N. B., May 2, 1877.

A TLAS OF YORK.—PRICE \$3.75.—BY ROE & COLBY.—An advertisement headed as above has appeared in the REPORTER. As we have no intention of publishing the Atlas at that cr any other price, I as one of the Firm, beg to state that the advertisement appeared without my sanction or even knowledge. Under any circumstance an Atlas could not be made for less than \$8.00. Mr. Halfpenny is at present looking up such an Atlas and we do not propose to interfere with him in any way. We have seen some of Mr. H's plans, and consider them very good.—GEO. N. COLBY, of ROE & COLBY.

May 9, 1877.

My enterprise has already received the approval and encouragement of all the leading men of York County, including all the Civil Engineers, who are men capable of judging the value and merits of such a work as mine.

I or my agents will call on the citizens of York and solicit their patronage.

Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy. Pain in Shoulders, Back and Lungs, and Droppings in Throat Disappear.

St. Armand, P. Q., Sept. 12, 1876. MR. T. J. B. HARDING.

DEAR SIB.,—Being desirous that others may know some thing of the merits of your Constitutional Catarra Ram. Edy, Iwish to inform you what it has done for me. I am is years old; had been out of health for about five years. I had employed three or four different doctors, and tiled various medicines, without receiving any permanent beneft, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe fsoreness and pain under the shoulder blades and through the shoulders, with very lame back, and a feeling in my right lung as though there was a weight bearing it down, with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health, so as to be able to endure hard and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy. Your truly, Price Si per bottle.

Messrs. McFarlane, Thompson & Anderson,
GENTLEMEN,—In reply to your enquiry about
your Mowing Machines in this place, we would

we gave them a fair trial with others, before we
offered them for sale. We, and others who
where present, were convinced that your Mower
would do as good work and was not so liable to
get out of order as other Machines that are running here. We have had some experience in
repairing Mowers for the last five years; we have
always found that the Wood Mower runs with
the least expense; there are not so many bolts
and nuts to get out of order. Your machine has
got the best boxing—ALL BRASS; the journals are and begs leave to state that he has made arrangements with the best City Boot maker to supply him with Coarse and Fine Boots, of the best quality, and he is now and nuts to get out of order. Your machine has got the best boxing—ALL BRASS; the journals are well fitted and run very smooth; the strains are met with straight lines, and these are features worth y of notice in machinery. In fact we think you have the plainest, simplest, and most substantial Mower running. They are not only the best but the lowest in price of any of the same quality.
